Hot Off the Bat

The Cornhusker, as usual, didn't come up to some people's expectations.

Mike is greedy. He was not satisfied with subsidizing all the coin of the Cornhusker, but subsidizing the humorous section, too.

"Bach Bachoritch," mascot of Company B, also king of the "Horse Shoe" consumers, made the following statement when interviewed last evening: "Gee, I'm glad they didn't have that mixer. You ought to see the dame the boys had fixed up for me to go with. Came up to my shoulder, according to them. What I like is a tall 'wimmon'."

Doctor Maxey at the Ames-Nebraska track meet: "Nebraska ought to have some fat men in this meet."

Ignorant: "Why so?"

The Doctor: "They could run off the meat to advantage."

Belgian Relief Event

The Belgian relief committee is planning for its final entertainment of the series given during the year a benefit vaudeville to be presented at the Temple theatre Saturday afternoon, May 8, at 2.30. The program will involve acrobatic and musical numbers, dancing and original dramatic sketches, and will be on the order of an Orpheum program with very high class talent assured. A list of the numbers, when they have been arranged, will include "The Snipe Hunter" and "Galatea." They will include the repetition of some of the attractive numbers from the "University Week" programs given through the state during the week preceding Easter. Admission fee twenty-five cents will be charged and the general public will be invited to attend. Mrs. Harry Har-

ley is in charge of the committee of arrangements and will be assisted by twenty or more Lincoln ladies. There has already been a demand for box seats for the performance.

CHARLES W. BRYAN

Candidate for City Commissioner

Mr. Bryan has a constructive business policy that will give to Lincoln and Lincoln people the convenience, comfort, happiness, and prosperity that other cities have given to their own people.

A City Attorney, whom laboring people can consult about legal matters, without pay, and who will represent in the courts without charge those who are unable to employ a lawyer. THE SAME AS OTHER CITIES.—Adv.

S. M. MELICK

Candidate for City Commissioner

If elected as commissioner I pledge to the taxpayers of the city of Lincoln the following changes:

1. If assigned to the department of public safety, my purpose will be to consolidate the department of public safety with that of chief of police, under one salary, thereby saving to the taxpayers \$3,600.00, the salary of the chief of police during his term of two years.

2. As warden of the penitentiary, I became convinced that one of the evils of our penal institutions, and more particularly of our jails, is the lack of segregation of those who should not come in contact with old and repeated offenders. If elected, I will keep such persons separate and will not deny them the right to see their friends or attorneys.

3. Efficiency of service should be the uppermost thought in the minds of all public officials and if elected, I pledge to the taxpayers my undivided time and attention to those duties imposed upon me.

S. M. MELICK.—Adv.

Opportunity

They do me wrong who say I come no more,  
When once I knock and fall to find you in;  
For every day I stand outside your door,  
And bid you wake and rise and fight and win.

Wall not for precious chances passed away;  
Weep not for golden ages on the wane;  
Each night I burn the records of the day;

At sunrise every soul is born again.

Laugh like a boy at splendors that have sped;  
To vanquished joys be blind and deaf and dumb,  
My judgments seal the dead past with its dead,  
But never bind a moment yet to come.
