ELECTION RETURNS

STUDENTS PICK MEN FOR ATHLETIC BOARD

FIVE CHOSEN BY CLASS VOTE

Rutherford, Pascale, Reese, Scott and Otopalik Will Compose Student Members of Next Year's Board

The election for student members of the Athletic Board was held yesterday. The five candidates receiving the highest number of votes were elected to the Board. R. B. Rutherford led the list with two hundred and eighty votes. Henry Pascale was a close second, followed by H. S. Reese, E. B. Scott, and H. M. Otopalik.

All the men were popular in University athletic circles. Rutherford is captain-elect of the 1916 Cornhuskers; Pascale, a member of the wrestling team; Reese, a member of the track team for the past two years; Scott, also a member of the track team, having recently won his letter, and Otopalik is captain of the Wrestling Team.

Due to the popularity of the men running considerable interest was taken in the vote and prompted active campaigning. A large number of votes were cast and the race was close.

The vote was limited to male students who completed twelve hours work last semester. Doctor Clapp's efforts to impress upon the students the necessity of voting for no more nor less than five candidates brought good results, as but few votes had to be thrown out. It might be said in political circles that the ballots showed an intelligent vote.

The committee of the Athletic Board is as follows: Doctor Clapp, chairman; Coach Stiehm and Professor Morrill, directors.

In case of protest on the election, the reason, with evidence attached, shall be filed with the secretary of the board within ten days from the date of election.

SCHOOL OF DRAMA WILL GIVE PLAY

"Ghosts," Ibsen's Dramatic Masterpiece, to Be Given Thursday the Twentieth

The University School of Drama will give, on Thursday evening, May 20, Ibsen's "Ghosts." Some time ago it was announced that the School of Drama would give a performance every month, but owing to the difficulties of starting the new school, and the high standard of excellence desired, only one performance previous to this has been given.

The cast has been at work on this play since the first of the year, giving almost the whole class time to this one production. Prof. Paul H. Grummann has given much work to the interpretative side of this play, which is considered not only as one of Ibsen's best, but also as one of the epoch-making plays of the century. Lincoln audiences are rarely favored with a dramatic treat of the type that this performance promises to be, and although it is now being played successfully in New York City, it has not been played on the road since Mary Shaw brought it to Lincoln about five years ago. People who have been wondering just what a school of drama is, devoted to an intensive study of great contemporary drama with an eye to its artistic representation, will be answered by so ambitious a production as "Ghosts."

The cast is:
Mrs. Alving Essie Jones
Oswald Alving Maurice Clark
Pastor Manders Harold Campbell
Gegina Louise Dobbs
Engstrand Fred Bobcock

NEBRASKAN ELECTION WILL BE THURSDAY

Few Candidates Have Filed for Positions on the Daily Nebraskan—Filing Closes Today

Only six candidates have filed for the four editorial positions on the Daily Nebraskan which are to be filled by election Thursday. R. V. Koupal is the only candidate for editor-in-chief. For managing editor, Charles E. Paul, E. J. Althouse, L. O. Chatt, and A. J. Covert have filed. Doris Slater is the only candidate in the field for associate editor. The time for filing has been extended by the Publication Board until eleven o'clock today.

GIRL TRACK MEET THIS AFTERNOON

All Girls Will Be Excused from Classes if They Attend—Championship Material to Compete

This afternoon there is offered the opportunity of missing classes (excused, too), enjoying the out-of-doors, and attending an "honest-to-goodness" track meet, with a baseball game—all for the price of two "jitneys."

The meets which the boys have given this spring are going to be out-classed, according to all reports, and that Coaches Stiehm and Reed will depend on the girls for their championship material. In fact, both of them will be out on the field with pencil and paper to pick the Missouri Valley winners for next year.

This event is scheduled to start at 2:00 o'clock, with the following program:

Freshman-Sophomore baseball game.
25-yard dash.
Running high jump.
Shot-put (8-pound).
40-yard hurdles.
Baseball throw.
Basketball throw.
50-yard dash.
Pole vault.
Interclass relay.

The baseball game is to be played with indoor rules, so that the umpire is not to be mobbed when he makes apparently "punk" decisions.

Notice

I wish to announce my candidacy for the position of managing editor of "The Daily Nebraskan" for the first semester of next year.
ORVILLE CHATT.

TEMPLE STUDENTS CARRY OFF HONORS

WILL PLAY BAKER

BAKER UNIVERSITY TRIO HERE TODAY

TENNIS TEAM MEET VISITORS

Baker Men Are Out for the Intercollegiate Championship of Nebraska—Have Made a Northern Trip

The Nebraska tennis team will meet the trio of players representing Baker University this morning at the Country Club.

The visitors have been on a northern trip and will seek to take the intercollegiate championship of Nebraska to Kansas with them. Nebraska, by defeating Bellevue College last Saturday, demonstrated her superiority over the other colleges of the state. Bellevue won from Creighton University Friday in both singles and doubles, and Nebraska, represented by Captain Ellis, Chatt, and France, won every match from the Presbyterians the following day. Ellis won from Kenner, 8-6 and 7-5. France defeated Ohman, 6-4 and 6-2, and Chatt took two sets from Martin, 6-4 and 6-2. Chatt and Ellis, in doubles, won from Kenner and Ohman, 6-3 and 6-1.

On Friday the Nebraska team won from the Nebraska Medics at Omaha, taking three matches out of four. Ellis defeated Thompson 6-4 and 6-3. Chatt won from Obie Meyer, 6-4 and 6-1. France lost to Cassidy, 7-5 and 7-5. Ellis and Chatt won in doubles, 11-9, 6-0 and 6-1. The Medics have exceptionally fine courts and proved to be royal entertainers.

Bellevue College, with fifty students, have six good tennis courts, in contrast to Nebraska University which boasts of over three thousand students and at least should be ashamed to admit that she keeps but two courts for the privilege of her students.

The tournament with Baker University will start at ten o'clock. Two singles matches and one doubles match will be played.

TEACHERS FAIL ON ENGLISH QUESTIONS

One-Third Failed on the State Teachers' English Composition Examination—One Grade Above Ninety

Out of one hundred and eighty papers sent in from the state teachers' examination in English composition, about one-third failed to pass, while only one received a mark above ninety. This seems to have been due, at least in part, to the fact that one of the questions asked for an account of all rhetoric and English literature taken.

There was but one who had taken Rhetoric 1 and 2 in the University, and it was the one receiving the grade of ninety-two. Hence it will be noted by all Freshmen who come to school at 12:01 on Saturday to deliver themes that at last some material use has been found for this work and their efforts have not been in vain.

Notice

There will be no football practice this afternoon on account of the girls' track meet.
