A NEW FRATERNITY

FARM HOUSE MADE A NATIONAL ORGANIZATION

THREE CHAPTERS ADMITTED

Organized at Nebraska in 1911—Missouri, Illinois and Nebraska Chapters Compose New Organization

The Farm House fraternity was made a national organization as a result of a joint meeting of representatives from similar organizations, in the University of Illinois and Missouri, with the local chapter.

J. S. Kleinschmidt of Missouri, L. Rehling of Illinois, and O. W. Sjogren of Nebraska, represented the houses in a meeting held at the Nebraska Farm House on April 5, when a national constitution was drafted. The constitution has been adopted by the three chapters and the following national officers have been elected: President, H. P. Rusk; secretary-treasurer, R. E. Holland.

The Farm House was organized at Nebraska in 1911, when a group of students in the College of Agriculture, with the help of eight members of the faculty in the College of Agriculture, organized and leased a house. The purpose of the organization was to furnish a home for the men and to promote the interests of Agriculture.

A similar organization was founded in Missouri in 1905.

Through the efforts of alumni members from Nebraska and Missouri, a Farm House was organized at Illinois this year.

These houses are now linked together in a national fraternity.

Active members of the Farm House at Nebraska are:

- O. W. Sjogren.
- R. J. Posson.
- F. W. Gentleman.
- G. B. Rice.
- A. V. Kjelson.

SHORT COURSE BEING HELD AT IMPERIAL

Boys and Girls Course in Agriculture—Planned by County Superintendent of Schools

A short course in Agriculture for the boys and girls of the community is being held this week at Imperial. Instruction is being offered by Miss Hulda Peterson, state leader in charge of boys' and girls' clubs; L. T. Skinner, Miss Mary Rokahr, and J. G. McMillan, extension specialists of the college of agriculture. The course was planned by the county superintendent of schools.

COMMERCIAL CLUB BANQUET SENIORS

Business Men Will Entertain Graduates Next Saturday Night—Large Attendance Expected

The Senior class will be entertained by the Commercial Club at a banquet next Saturday night, May 29. It will be informal and the guests may come alone or in groups as they prefer.

This is an annual affair and is always keenly anticipated by those invited. It seems to be but another of the many ways in which interest is shown by the Commercial Club toward the University students. This is greatly appreciated by the student body in general and it is to be hoped that they will never have cause to feel that what they do is without beneficial results.

May "Agriculture" Out

The May issue of the "Agriculture" is an unusually good paper, in which many interesting articles appear. Professor Erwin Hopt's article on "Lights and Shadows of the Great Plains," is one of the best of these campus gleanings and alumni notes are devoted to personals relating to farm students. The Domestic Science Department contains an instructive article on oriental rugs. The magazine has several cuts of prize animals and improved farm buildings.

Graduate in Extension Work

E. H. Hoppert, a graduate of the University of Wisconsin, has been hired by the Agricultural Extension Service, to be the specialist in horticulture. P. L. Gaddis is expected to take a similar position in the agronomy work of the Extension Department early in the fall.

NEBRASKAN ALUMNUS ADVERTISES PAGEANT

Innovation From Standard Type—Letter of Welcome From Chancellor Avery

The latest number of The Nebraska Alumnus is an innovation from the standard type. It is known as the "cartoon number," and its primary purpose is to advertise Alumni Day and the University Pageant, June 4-5.

The magazine consists of a letter of welcome from Chancellor Avery and a program of the two days, June 4-5. It has also the picture and a short sketch of the Alumni Day orator, Madison Bentley, '95, together with the plot and caste of the Senior Class play. A synopsis of the Pageant of Lincoln is given, followed by a brief notice to the alumni of each of the various classes informing them of picnics, reunions and dinners.

Along the top of the pages of the book, run a series of cartoons representing a parade of the alumni of the various classes, headed by Father Time and a U. of N. Graduate Band. The frontispiece entitled "When Dreams Come True," represents the dreams of an alumnus on his way to celebrate the occasion. The back cover consists of the caricature of the alumni class mascots. The whole book is cleverly written up and from the enthusiasm so far displayed by those who have seen it, there can be no doubt but that it will make a decided "hit" everywhere.

The Alpha Phi sorority planned a picnic for Saturday evening, but owing to the uncertainty of the weather, gave a house dance instead. Twenty-five couples were present chaperoned by Mrs. C. E. Holland.

SQUAD TO COLUMBIA

ENTER DASHES, POLE VAULT AND RELAYS

FIVE TRACK MEN ARE CHOSEN

Coach Reed Decided to Send Only a Selected Number of Sprinters and Vaulters to the Valley Meet

Five men make up Nebraska's delegation to the valley track meet at Columbia Saturday. A squad of eighteen athletes was originally announced, but Coach Guy Reed later decided to cut the number down still more, and only Zumwinkle, Bates, Scott, Irwin, and Reavis will be sent.

Scott and Irwin are entered in the one hundred and twenty; Zumwinkle and Bates in the four forty; and Reavis in the pole vault. Zummie, Scott, Bates and Irwin will also compete in the half-mile relay. Advance reports issuing from Columbia predict that Reavis will win the pole vault. He has a real rival for first place however, in Floyd of Missouri, who cleared the bar at twelve feet on the same day that Reavis rose to that height in the Ames meet. The reports also mention Zumwinkle and Irwin for places in the sprints.

Missouri is selected as the probable winner of this year's meet, with Ames in second place. The Cyclones are handicapped by weak weight material, and in a lesser degree, by weakness in all the field events. The Tigers, on the other hand, are not only strong in field events; they have a well balanced team which includes a lightning bunch of sprinters and strong distance men. Next to Missouri and Ames, Kansas and Drake are mentioned as strong contenders.

COMMANDANT REFUSES TO MAKE STATEMENT

Declines to Comment on "Forum" Article Appearing in Daily Nebraskan—No Suit Filed

Some lively discussion has been occasioned by certain articles published in the Forum of the Daily Nebraskan relative to the military department. Yesterday appeared an article calling for an apology by the Nebraskan to the military department and the readers of the Nebraskan for the article published on Thursday. When interviewed by a reporter yesterday afternoon, the Commandant refused to comment in any way upon the article asking for an apology, saying: "I will not comment upon it."

Oratorical Results

The annual Oratorical Contest was held last evening at the Law College. The four contestants ranked as follows:

- First—Orville Chatt.
- Second—Effe Cover.
- Third—Clinton L. Ross.
- Fourth—V. E. Skipton.

BRADFORD DELIVERS MANY ADDRESSES

Principal of the University School of Agriculture Will Give Commencement Addresses

H. E. Bradford, principal of the University School of Agriculture is delivering Commencement addresses at a number of the high schools of the state this week. On Monday night he speaks at Bennet, Tuesday at Mead, Thursday at Palmer, and Friday at Homer. On May 19 he delivered the commencement address at the Atlanta High School and on May 20, he delivered the commencement address at the Moorefield High School.

Mrs. H. Horner of Beatrice spent Sunday with her daughter Grace, who is attending the University.

Seemed Necessary

"Mother," said little Mabel, "do missionaries go to heaven?"

"Why, of course, dear," her mother replied.

"Do cannibals?"

"No, I am afraid they don't."

"But mother," the little girl insisted, "if a cannibal eats a missionary he'll have to go to heaven?" —Kansas State Collegian.

Sigma Chi gave a picnic and was entertained at a number of parties at Plattsmouth Saturday and Sunday. Saturday evening the party was entertained at dinner at the Hotel Riley and a dance was given in the evening. After the dance a buffet luncheon was given at the Charles C. Parmele home. Sunday noon the Sigma Chis were entertained at the home of Mr. and Mrs. Henry Herold.

AFTER "SOOR OWL" EDITORS

Students Connected With K. U. Scandal Paper Will be Punished

Lawrence, Kas., May 23.—The recent publication of a scandal paper called the Sour Owl may result in the expulsion of students connected with it, although the fact that the university printing office printed it may cause the penalty to be lighter than it otherwise would. A disciplinary committee of the faculty has the case under consideration and probably will report early in the week.

The Sour Owl is a paper printed twice a year by a junior class secret society. The publication spreads gossip of questionable character about the men and women students of the university.

Articles are written in a satirical vein and attempts at humor are frequent. In the last issue, which appeared a week ago, several articles cast reflections on the character of co-eds, several of whose names were mentioned.

The publication is edited by a small group of men who do not represent the student body of the university. Few students have any sympathy with the publication as at present conducted and numerous protests have been made concerning it.

The Daily Kansan, the student newspaper published at the university, has protested against the Sour Owl, saying that it is an ungentlemanly and cowardly attack upon the women of the university and misrepresents the students as a whole. The committee which has the case under consideration is composed of Prof. Carl Becker, chairman; Prof. J. W. Van de Vries and Prof. George Putnam. It is expected they will be severe in their action.

FIFTEEN GIRLS CAMP AT CRETE

Members of Physical Education Department Spend Three Days at Crete—Delightful Outing

Fifteen normal girls of the physical education department accompanied by Miss Bessie Park and Miss Jessie Beghtol, spent Friday, Saturday and Sunday at Crete on a camping trip.

Baseball, rowing on the Blue, tramps around that part of the country and camp fires filled the time completely. The girls came back worn out but are already making plans for another camp next year.
