## FRESHMEN WIN ANNUAL OLYMPICS

TURN TABLES ON THE SOPHOMORE CLASS

## HEAVYWEIGHT BOXING DRAW

Sophomores Win the Tug-of-War—  
Freshmen Score 57½ Points—  
Sophomores Score 42½—Event  
Held on Salt Creek Bottoms

The Freshmen triumphed over the Sophomores in the Olympics on the Salt Creek Bottoms Saturday, by a score of 57½ points to 42½ points, which makes the second defeat in Olympics for the present Sophomore class. Guy C. Chambers, president of the Innocents, declared there was "more real 'pep' displayed" in this contest than in any he had ever seen.

About 250 Freshmen and 100 Sophomores enjoyed the mud, salt water and other natural advantages of the Salt Creek Bottoms. In the big class rush the Sophomores were easy victims of the Freshmen. One by one the reluctant "Sops" were pulled across the salt flats and thrown headlong into the water, from which they would emerge encased in mud and spitting out the briny water. Each Sophomore would land with the "proverbial dull thud" which made the contest appeal to the ear as well as to the eye. But the Sophomores were not the only ones to enjoy the saline baths. The tug-of-war was so arranged that the vanquished would be pulled into a mud-hole of slough, and this rare privilege fell to the lot of the Freshmen.

In the single events the second-year men had a decided edge on the neophytes. The Freshmen won only the heavyweight wrestling, in which John Pickett, of Scottsbluff, defeated Max O. Paul, of Lincoln. The heavyweight boxing event, Parks vs. Miller was declared a draw, each side being awarded 2½ points. For the Sophomores, Adrian Brian, of Columbus, won the lightweight boxing and lightweight wrestling events from J. Bryan Fletcher, of Bancroft, and Fulton Jack, of Beatrice, respectively. The relay race was won by Sturm, Wiley, O'Brian and Owen, with Doran, Beckord, Warner and Bryan as their Freshmen opponents.

The Freshmen protested against against some of the Sophomore representatives in the single events. The Innocents are not going to take the matter in hand, as the first-year men won by a decisive margin and without dispute.

The following are the events won by the Sophomores:

|                       |    |        |

## DRAMATIC CLUB PLAY CHOSEN

Miss Howell Will Repeat Play Given Last Spring—Elsie Jones and Maurice Clark in Leading Roles

Maurice Clark appears again in Ibsen's great show, "Ghosts." It was with no slight misgiving that "Ghosts" was presented to the University public last spring. There was no doubt that Mr. Clark and Miss Jones could interpret Ibsen well, but "Ghosts" has a message so strong that few audiences are willing to accept it. The play met with such success and the demand has been so insistent for the repetition of the play that Miss Alice Howell has chosen it for the opening, Wednesday evening, No. 3, of the University dramatic season.

The cast will be the same as that of last year, except that Miss Ella Williams will play the part taken by Miss Dobbs, who is not in school this year. The cast follows:  
Elsie Jones.....Mrs. Alving  
Maurice Clark.....Oswald Alving  
Ella Williams.....Regina Engstrand  
Carlisle Jones.....  
.....the crippled carpenter, Engstrand  
Harold Campbell.....Pastor Manders

The Dramatic department is undertaking to present to the University public and the public at large some of the best plays of all times at as reasonable a cost as possible. Nothing that will be essential to the play will be sacrificed in giving the low prices which will be announced later. The hope of Miss Howell is that the University students may become acquainted with the great artists of the drama world.

## Girls' Swimming Class

The committee controlling affairs in the city Y. M. C. A. has refused to give the pool to the University girls for the number of hours stipulated in the original contract. Tickets were sold with the understanding that the hours were from 10 o'clock to 1 o'clock on Tuesday. Now the change made must crowd the period earlier in the morning, making it from 9 to 12:15 o'clock. This may allow more to register for the earlier hours, and some may have to ask for a refund because of the shortened period at the noon hour. Tickets will be sold at the pool tomorrow or at Miss Ina Gittings' office today.

## NEBRASKA WINS FROM CATHOLICS

COMES BACK IN FINAL HALF AND DEFEATS NOTRE DAME, 20-19

## CHAMBERLAIN IS THE STAR

Big Half Backbone of Husker Attack and Breaks up Catholic Offense Consistently—Irishmen Narrowly Miss Tying Score

Nebraska, 20; Notre Dame, 19.

Captain Fitzgerald and his band of Irishmen, displaying a dazzling offense and a spirited defense, waged a desperate battle with the Huskers on Nebraska field Saturday afternoon, when the two schools met for the first time in their history, but Nebraska spirit asserted its supremacy and the Catholics were beaten by the narrow margin of 1 point. The game was remarkable for the fight which dominated the play of both elevens. With the first half 13 to 7 against them, the Huskers came back and scored two touchdowns during the second period and kicked one goal. In the closing moments of the contest, Notre Dame rallied and succeeded in registering another touchdown, but the attempt at goal was unsuccessful.

The Catholics were quick to make known their intentions, for soon after the opening whistle blew Bergman crossed the Husker line for the first touchdown of the game. Stephan missed goal. The Notre Dame backfield sifted through the Nebraska line with ease during the first quarter, but Nebraska showed an equally powerful offense.

Chamberlain was the backbone of the Husker attack, scoring two of Nebraska's three touchdowns. The first score came in the opening moments of the second half, when the husky end, after the ball had been worked by forward passes and tackles around to the Catholic's 25-yard line, went past the opposing wing the remaining distance. Again in the third period, Chamberlain made a wonderful spurt through the Catholic line for nineteen yards and a touchdown.

Neither team gained consistently through the line, but depended upon complicated plays and forward passes for the necessary distance. The Husker line did not play up to usual form, however, and failure to hold at critical moments was responsible for two of the Catholic's tallies. The exhibition of open field play put on by both elevens surpassed anything ever seen at Nebraska. Long and beautiful passes made possible every one of the Husker touchdowns, and Notre Dame also used the forward flip to advantage.

Nebraska's third touchdown came at a moment when things looked particularly dark for the Huskers. Corey failed to kick goal after Chamberlain's tally in the third quarter, and the score was tied, 12-12. At the beginning of the final period, Nebraska worked the ball up to Notre Dame's 30-yard line, when Reese was thrown for a 7-yard loss, and Nebraska was penalized fifteen yards for holding. With the ball about in the center of the field, Chamberlain slipped a beautiful pass to Reese, which brought the ball to the Catholic's 36-yard line, and, with fourth down and six yards to go, Caley threw a long pass into the wait

## POSTER URGES EDUCATION

Department of Interior Proposes to Educate Foreigner—Printed in Several Languages

The following article was received by Dean G. W. A. Lucky of the Graduate College of Education from the Department of the Interior, Bureau of Education:

"The Department of the Interior, through its Bureau of Education, has issued a lithographed poster, 30x20 inches in size, which is being sent to the various postoffices, public schools and industrial establishments of the country, urging immigrants to educate themselves for American citizenship.

"In the foreground of the poster, 'Uncle Sam' is represented as grasping the hand of an immigrant workman, while in the background is seen a residence, a public school and a naturalization judge handing 'citizen's papers' to an immigrant.

"Under the bold-faced title, 'America First,' are urgent invitations to attend night school, learn English and soon become citizens. These invitations, with brief sentences setting forth the advantages of such action, are given in English and six immigrant languages, viz.: Italian, Polish, Yiddish, Lithuanian, Bohemian and Hungarian.

"Investigation has shown that there are in this country 3,000,000 foreign-born whites, 10 years and over, who are unable to read or even speak English. More than one-half of these immigrants are unable to read or write in any language.

"As the posters will be hung in conspicuous places, it is to be hoped that by means of this pictorial and written invitation immigrants will have their attention called to the night schools of their communities; and that where there is any considerable number of immigrants and no night schools the poster may inspire the authorities in these communities to establish such schools. This is a part of a more comprehensive plan for preparing immigrants for American life and citizenship."

## HUGG STARTS BASKETBALL

Preliminary basketball practice has been going on for the past three weeks. The work will be in charge of Captain Hugg until the close of the football season, when Coach Stiehm will take the squad in hand. About twenty men have reported to date. Good physical condition and facility in handling the ball are the things being worked for in the preliminary training.

## TO VOICE BUILDING PLANS

Prof. Caldwell to Receive Suggestions Relating to Art's College Building

In order to expedite the preparation of plans for the new building to house Political Science, Economics, History and other departments of the Arts College, I have asked Prof. Caldwell to act as chairman of a committee consisting of all members of the faculty in the departments concerned. As chairman, Prof. Caldwell will confer with his colleagues and communicate their requirements to the architects. This will, of course, not prevent anyone from writing directly to Coolidge & Hodgdon, Corn Exchange Bank building, Chicago, or from taking up any matters directly with my office in case they see fit.

## NEBRASKA SECURES PI KAPPA PHI

SEVEN CHARTER MEMBERS RECEIVE THEIR INITIATION

## INSTALLATION HELD FRIDAY

Grand President John D. Carroll, of Columbia, S. C., Officiated—Received Charter in Month of July

The Nu chapter of Pi Kappa Phi, founded in 1904 at the College of Charleston, South Carolina, has been established at Nebraska. There are seven charter members: George A. Odgers, '16, Davenport, Wash.; Edwin M. Partridge, '16, Omaha; Henning F. Nelson, '16, Fort Calhoun; Harold E. Gribble, '17, Dakota City; Vern C. Catterton, '18, Sutton; Leland G. Landers, '18, Norfolk, and Emmett B. Catterton, '18, Sutton.

The installation of the chapter was held Friday night, the grand president, John D. Carroll, of Columbia, S. C., officiating. The members are men who have belonged to the local organization of Pi Gamma Theta. The grant was received late in July and the members have been perfecting their organization since that time. The announcement quells many rumors circulated concerning the efforts of a stranger Greek to locate here.

John D. Carroll, the grand president, came to Lincoln Friday afternoon after a visit at the University of Cincinnati and an inspection of the University of Indiana. A banquet at the Lincoln hotel in his honor and the installation at the new chapter house, the Sizer home at 1740 D street, was the program that night.

Saturday evening the formal banquet was held at the Lindell hotel. Covers were laid for sixteen, with gold and white decorations and red roses, the fraternity's colors and flower. George A. Odgers acted as toastmaster and the following toasts were responded to: "Brotherhood," Prof. Fredrick A. Stuff; "To Pi Kappa Phi and Her Ideals," John D. Carroll; "Loyalty," Edwin M. Partridge. The telegrams of congratulation and welcome from the other chapters were read.

Pi Kappa Phi has a board of visitors, who are to be "big brothers" to the chapter. They are Messrs. B. L. Paine; Fredrick A. Stuff, Phil. A. Sommerlad, James D. Hoffman, Myron H. Swenk, all of Lincoln.

Pi Kappa Phi is a conservative organization founded in the south in 1904 and limited almost entirely to the south. It has about 1,000 members, active and alumni, located in thirteen colleges: College of Charleston; Presbyterian College of South Carolina; University of South Carolina; Wofford College, S. C.; University of California; Davidson College, N. C.; Emory College, Ga.; University of Georgia; Georgia Polytechnical Institute; University of North Carolina; Trinity College, N. C.; University of Cincinnati. They have two papers, "The Star and Lamp" and the "Fokromix."

The fraternity will be at home at 1740 D street after November 15.
