## HUSKERS HAVE A WALK AWAY

LISTLESS CROWD WATCH CORN-HUSKERS SWAMP VISITORS

## WESLEYAN UNABLE TO SCORE

Hot Weather Makes the Game Slow—Huskies Pile up Total of Thirty Points to None for Wesleyan

Johnny Cook generated the Huskers during the first period of the game and showed class 1 form in running back punts and driving his team. "Mike" Seltzer filled the mighty Husker's captain's shoes at left half and busted through for substantial gains whenever called upon.

Wesleyan held the Huskers for downs several times, but the playing was slow and they were unable to break away on offensive plays. Corey punted 65 yards on a kickoff for a touchback and it was said that the ball went over the crossbar, but the authority is doubtful and we wish to warn our readers against believing that "Tim" has that much power.

With Dr. Maxey, in his new fall hat occupying a prominent seat in the south bleachers, and a bright sun soaking them in the back of the neck, the Huskers plowed their way through the Wesleyan Coyotes for a score of 30 to the visitors' 0, Saturday afternoon.

A listless crowd of rooters on the south bleachers swapped jokes and ate peanuts while a noisy gentleman led the Wesleyan rooting in the north grandstand, and threatened to bring their basketball team down as soon as winter sets in and show the Corn-huskies up.

## PLAYWRITER IS IN LIMELIGHT

Nebraska Graduate Gains National Recognition—Tickets Sold Eight Weeks in Advance

Frederick Ballard, '07, another Nebraska graduate who has made good in his work, to the extent of gaining national recognition and who wrote "Believe Me, Xantippe," to be played by the Dramatic club November 19, is pictured in the current issue of the Theatre. He is the author of "Young America," now running at the Gayety in New York, and it may be said to his credit that tickets are being sold eight weeks in advance.

Mr. Ballard was born in Lincoln, and obtained much of his education here. It was his earliest ambition to be a playwright, but he gained the impression from Shakespeare's works that all drama was written in blank verse. When, however, he had learned from studying Ibsen that they may be prose also he took courage, and after spending two years as a property man in Chicago, a ranchman and other occupations, from which he gained many life experiences, he went to Harvard and took a course in playwriting. While there he won the John Craig prize with his play, "Believe Me, Xantippe," a bright little comedy of western life.

This play will be staged by the University School of Drama on November 19, a famous Nebraska playwright's drama played by Nebraska players. A capable cast has been chosen and is being trained by Miss Alice Howell.

## SCOTTISH FOLK SONGS PLEASED

WRITE-UP DELAYED THROUGH AN OVERSIGHT

## DREW VERY LARGE AUDIENCE

Hope Expressed that Such Programs Will Be Continued—Dr. Hyde, Miss Kirkwood and Mr. Young Interpreted Folk-Songs

Through an oversight, the write-up of last Thursday's convocation was omitted. The Daily Nebraskan stands corrected.

The Public was greatly pleased with the Scottish folk-songs at the last convocation hour. These seem to be the favorite kind of program, and many have expressed their hopes that they will be continued throughout the year. The convocation Thursday attracted almost as many students as a most successful football rally would have done.

Dr. Winifred Hyde, Miss Kirkwood and Mr. Roy Young gave all the enthusiasm and movement characteristic of the Scottish folk-songs.

Mrs. Carrie B. Raymond's full and well trained chorus rendered the other numbers.

## FINANCIAL EXAMINATION MADE

State Accountant Makes a Report to the Governor—Declares System Is Complete

In a lengthy report to the governor on his examination of the state university finances for six months ending May 31, 1915, State Accountant De France compliments the system of accounting in use at the institution. He declares that it is complete in every respect and provides many checks and tests to guard against errors.

One-third of all the money appropriated by the state goes to maintain the university and its branches, Mr. De France says. In the six months' period covered by the report approximately three quarters of a million dollars was expended. Mr. De France believes that the results of this outlay upon the 4,589 students enrolled will be worth tenfold the expenditure. All university appropriations for this biennium, the accountant states, will aggregate \$3,200,000. Cash fund collections during the six months have amounted to \$115,499.

## Commercial Seminar Met

The Commercial Seminar met Friday night, when Prof. G. O. Virtue gave a review of Norman Angell's theories of pessimism as shown in his book, "The Great Illusion."

Miss Libbie Breuer, graduate college, and Miss Hedne Provaznik, '16, attended the State Teachers' association at Omaha last week.

## SOPHOMORES WIN INTERCLASS MEET

SCORE THIRTY-FIVE OUT OF A POSSIBLE SEVENTY-ONE

## OWEN, WILEY, SPRINT STARS

Grau and Reed Display Good Form in the Distance Events—Other Events Will Take Place Next Wednesday

The Sophomores had a complete walkaway at the interclass track meet Friday afternoon, when they piled up 35 points against 3 points for the Seniors, 7 points for the Juniors, and 16 points for the Freshmen. Seventy-one athletes participated in the meet.

Exceptional time, considering the slowness of the track, was made in some of the shorter dashes, when Wiley made the 100-yard dash in ten seconds flat, and Owen, the 220-yard dash in 23.15 seconds. Reed and Grau displayed good form in the long distance runs.

In the five-mile cross-country run, the first five men came in in close succession, Garrison, Gribble, Ricker, Pascale and Kratz finishing in the order named. As the time was not exceptional the athletic board will first consider the advisability of sending these five men to represent Nebraska at the Missouri valley track meet at Lawrence next Saturday at the time of the Kansas-Nebraska football game. The low hurdles, high jump, pole vault and interclass relay will be run Wednesday afternoon, being postponed on account of darkness. Coach Reed expressed himself as well pleased with the showing made:

The following were the events:  
100-yard dash—First, Wiley; second, Scott; third, Beckard. Time, 10 seconds.

220-yard dash (first heat)—First, Bolton; second, Byrns; third, Hennis. Time, 24.35 seconds.

220-yard dash (second heat)—First, Owen; second, Warner; third, Bolton. Time, 23.15 seconds.

440-yard dash—First, Owen; second, Townsend; third, Byrns. Time, 56 seconds.

880-yard dash—First, Grau; second, Overman; third, Jackson. Time, 2:10.  
120-yard high hurdles—First, Bolton; second, Warner; third, Beckard. Time, 18 seconds.

1 mile—First, Reed; second, Anthes; third, Stephens. Time, 5:07.

5 mile—First, Garrison; second, Gribble; third, Ricker; fourth, Pascale; fifth, Kratz; sixth, Scott. Time, 28:30.

Broad jump—First, Wiley; second, Flint. Distance, 21 feet, 10 1/2 inches.
