A BELATED TORNADO

KANSAS TOWN VISITED BY NO-
VEMBER WINDS.

FRANCE TO BE HEAVY BUYER

Money Once Sent to Germany Will
Come to America—Score of
Americans Lost on
Ancona.

Western Newspaper Union News Service.
Great Bend, Kan.—Twelve persons
at least were killed and more than
one hundred injured, many of them se-
riously, in a tornado which swept
through the residence section of Great
Bend at 7:30 Wednesday night.
The property loss is estimated at
half a million dollars. The city water
plant, a laundry, three flouring mills,
the Santa Fe depot and fifty resi-
dences were demolished. A path
three-quarters of a mile long and
several blocks wide was cut through
the residence district. Here the
heaviest toll of life was exacted.

Fire broke out in several of the
houses, and as the city was without
fire protection they burned to the
ground.

Among the towns in which buildings
were reported destroyed were Clifton,
Hoisington, and Larned.

Several thousand sheep were killed,
the animals being hurled into the air
as the storm struck their feeding
place.

Americans Lost on Ancona.

Washington.—About twenty-seven
Americans are believed to have been
lost with the torpedoed Italian liner
Ancona, according to a cable to the
state department from Ambassador
Page at Rome.

The ambassador said the probable
American victims of the tragedy were
Alexander Patattivo, his wife and four
children of New York and Mrs. Fran-
ces Mascolo Lamura and about twenty
unnamed third class passengers.

Mrs. Cecil L. Greil (first reported
Grey) was named as the one known
American survivor among the pas-
sengers.

Ambassador Page and American con-
suls through Italy have been instruct-
ed by Secretary Lansing to cable im-
mediately all information available
concerning the torpedoing of the Ital-
ian liner, Ancona, and to ascertain
particularly whether other Americans
were lost.

London.—A dispatch to Lloyds from
Bizetra says that 300 persons on the
Ancona were drowned. Most of the
lost, the message says, were women
and children emigrants.

FRANCE TO BE HEAVY BUYER

Millions for Machinery, Once Spent
in Germany, Will Come to
United States.

New York.—France will be a heavy
buyer of American machinery at the
close of the war, Maurice D'Amour,
head of a French commercial and in-
dustrial commission which has just
arrived here, asserted.

"Heretofore we have spent \$160,-
000,000 a year in Germany for machin-
ery alone," said D'Amour, who was
formerly French consul at New Or-
leans and is now secretary of the
commission on appropriations in the
French chamber of deputies.

"That money will go to the United
States."

Business Section Destroyed by Fire.

Miller, Neb.—The business portion
of this town is in ruins as the result
of a fire, from unknown origin, which
started at 4 o'clock Tuesday morning.
The loss is estimated at \$50,000 and
practically all the business section of
the city is destroyed. Among the
heavier losers were Clyde M. Maddox,
hardware store; C. M. Houston, gen-
eral merchandise; Bank of Miller;
Miller postoffice; Mrs. Walker's res-
taurant; the Norcross Drug company;
Stickel's lodge hall; Joe Dean's shoe
shop.

Appeals for Further Loan.

Paris.—The Greek government is re-
ported to have appealed to the allies
for further financial assistance.
