UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY, DECEMBER 7, 1915.

PRICE 5 CENTS.

## GOVERNOR MOREHEAD PRESIDES AT DEBATE

HIS ACCEPTANCE OF PROFESSOR FOGG'S OFFER ANNOUNCED

## THIRD JUDGE IS UNSELECTED

The Two Judges Secured Are Professor Brink, of K. A. C., and Professor Griffiths, of William Jewell College

Governor John H. Morehead has accepted the invitation of Prof. M. M. Fogg to preside at the Kansas-Nebraska debate in the Temple theatre, Friday evening. No word has been received as to who will officiate at the Lawrence end.

Judges for the verbal combat Friday have been difficult to get. Two have been secured for the contest here, Prof. Paul F. Beck, professor of history, Iowa college, Grinnell, and Judge C. G. Lee, Ames, Iowa. Twelve declinations have been received in trying to get the third judge, most of them Iowa judges and law professors. Neutrality has never been definitely expressed as a basis for their refusals.

At Kansas the same difficulty in getting the third man has also caused some trouble. The two already secured are Prof. Carl M. Brink, Department of English Literature, Kansas Agricultural college, and Prof. E. E. Griffiths, History, Political Science and Debating college, William Jewell college, Liberty, Mo.

Public interest in the dual debate transcends that shown in former years when Nebraska met such opponents as Wisconsin, Illinois and Chicago, due, among other things, to the importance of the question and the curiosity of the student body as to whether Kansas really will "stage a comeback."

Delegations are expected from many high schools in the Nebraska Debating league, which is arguing the same question, particularly Lincoln high school. Business Manager Lane announces that the sale of tickets is indicative of increased interest.

## ARRANGE FOR FOOTBALL LIST

Professor Barber Has Been in St. Louis as a Member of the Athletic Board

At this time, when the third all-successful football season has closed and has been celebrated in various ways with true Nebraska spirit, hopes for coming conquests begin to take form and the attention of all football enthusiasts is turned to those who "take thought for the future" and determine the time and place of the battles for the next war.

Among these is numbered Prof. G. E. Barber, president and veteran member of the Athletic board. He has just been in St. Louis assisting in the arrangement of next year's schedule. It is said that Prof. Barber has not missed a single game for ten years, and is thoroughly acquainted with the material and ability of the teams of all the schools in the middle west. It is to be expected then that there will be a worth-while schedule next year.

Prof. Grove E. Barber

## ARRANGE SCHOOL GARDENS

Professor Pugsley Goes to Grand Island Upon the Invitation of the School Board

Mr. C. W. Pugsley, director of the Agricultural Extension Service of the College of Agriculture, left Monday for Grand Island to talk over the matter of school garden work there, upon the invitation of the Grand Island school board.

Gardening and canning societies were to be formed in co-operation with the state societies. A part of the regular scholastic course would be taken up by this subject, and one credit point given for the work. The instructor of agriculture in the schools would be relieved of enough work so that he could take direct supervision of the gardens. He would be kept all summer and help on all phases of the work.

The School of Agriculture would send out experts who would take charge of the marketing of the produce, give lectures on special subjects and give practical demonstrations.

Mr. Pugsley spoke at Holdrege, Friday, to school children, teachers and parents on the plans and scope of the school garden work.

## Players Receive Sweaters

A carnival was given by the students of the School of Agriculture Friday evening, under the auspices of the Y. M. C. A., at which \$76 was raised for the purchase of football sweaters for the School of Agriculture football team. The boys who will receive their "A" sweaters this year are Erwin Carpenter, headquarters; James Griffith, Walthill; Harry Johnson, Lincoln; A. W. Kreuger, Steinauer; Ben Love, Valparaiso; Charles Mockett, Normal; Harry Nelson, Walnut; Roy Phillips, Walthill; Lewis Osborne, Broken Bow; Charles Stretten, Lincoln; Alfred Thomsen, Florence; Charles Wheeler, Lincoln; Carl Liebers, Minden; Horace Culbertson, Dakota City.

## Talks on Modern Development

Prof. C. L. Dean will speak to the student section of A. S. M. E. on "The Modern Development" this evening, at 7:15 o'clock in M. E. 206.

## CONVOCATION

Today, 11 a. m.  
Dean W. G. Hastings "DEBATING"  
Thursday, 11 a. m.  
Beethoven's Kreutzer Sonata  
Pianaforte and Violin  
Mr. Alois Kremer  
Mr. August Molzer  
Temple Theatre

## TEACH YOUR FRIEND HOW TO SLIDE

GRIDIRON WILL BE TURNED INTO A SKATING RINK

## ICE HOCKEY IS FASHIONABLE

University Students Given Chance to Learn the "Pigeon Wing"—The Field Will Be Ready for Ice Man in a Few Days

The work of transforming the athletic field into a skating rink has been begun and in a few days the only thing which will be lacking towards a first class sliding place will be an evening's visit from Jack Frost.

The establishment of a skating rink for lovers of the "figure eight" and "pigeon wing" is a new experiment on the part of the athletic managers, and it is expected to rub off the rough edges and teach blundering University students not only how to slide through life, but also to endure the hard knocks and bumps they are bound to encounter when they go out into the world.

Students who are fond of ice hockey will find this a pleasing innovation.

## MILITARY BALL IN JANUARY

Price of Tickets Has Been Reduced to Two Dollars—Will Be a Formal Affair

The Military ball, given by the members of the Officers' club of University Cadet Regiment, promises to be one of the "best ever." The committee in charge are already at work trying to make this dance a big feature of the year's formal season.

In the first place, the tickets are going to cost \$2, whereas all other formal dances have cost \$3. Nothing, however, such as programs, orchestra or refreshments are going to be sacrificed in this reduction. The tickets are first to be sold to members of the Military department, then those remaining will be placed on sale for the other students.

The dance, which is to be held at the Lincoln January 21, is an annual event, in which all officers appear in full dress uniform and is distinctly military in all its features.

## Vesper Speakers Announced

The Y. W. C. A. Vesper service today will be in the nature of a Christmas prologue. The speakers are: Mary Haller, Ruth Whitmore, Hazel McCartney, Eva Miller and Miss Fannie Drake. There will be a Christmas tree and a surprise for everyone. All girls, whether members of the organization or not, are urged to come and enjoy this meeting.

Tuesday of next week the Vesper program will be a song recital by Mrs. Lillian Helms Polly.

## Belgians Express Gratitude

Prof. Louise Pound of the Department of English Literature, recently received a lithographed document from the Commission for Relief in Belgium, expressing "for the people of Belgium their deep appreciation and lasting gratitude" for her services in raising funds, to a considerable sum, for their assistance, last year.

The Freshman girls of the Delta Gamma sorority entertained the Freshmen members of other University sororities Saturday afternoon at an informal tea at the Delta Gamma chapter house.

## STUDENT VOLUNTEERS MET IN FREMONT

OVER 100 DELEGATES FROM THE COLLEGES OF NEBRASKA

## DISCUSSES MISSIONARY FIELD

Largest Presbyterian Church in the World Is in Africa—Many Students Have Gone There as Missionaries

The annual meeting of the State Students' Volunteer association was held in Fremont December 3 to 5. There were 125 delegates from the different colleges and universities in Nebraska present. The University of Nebraska sent twenty-six men and women.

Mr. P. A. Reichel, traveling secretary of the Students' Volunteer Movement with headquarters in New York, presided at the sessions.

Mr. A. C. Hull Y. M. C. A. secretary from South America, spoke on "The Challenge of South America."

Mrs. McCleary, Presbyterian missionary to Africa, told about the largest Presbyterian church in the world. It is in Africa, and has a seating capacity of 5,000 and a membership of 3,000. When Mrs. McCleary went to this mission, thirteen years ago, she found six Christians. Last spring, on the Sabbath before she left for America, there were over 8,000 Christians in the town.

Dr. G. W. Taft, president of the Grand Island college, spoke on "The Message from the Orient," and "The King's Call." Mrs. E. A. Raynor, of University Place, described "The Work in the Philippines."

The Student Volunteer Movement was started at Mt. Herman, Mass., in 1886. Over 6,000 student volunteers have actually sailed to foreign countries. Nebraska has thirty-five graduates in active work at the present time.

Fourteen students from the University attended the meetings in Fremont last week. Included in the party were: Glenn Everts, Harold Campbell, Paul Fouts, Will Urbach, J. B. Watson, L. D. Gordon, Steele Holcombe, T. R. Pier, Brooks Harding, Ernest Lundeen, Ray Bigelow, Vaughn Russon, Mr. Mayer and F. M. Hall.

## THE CATHOLIC STUDENTS MET

Last Gathering of the Club Before Christmas Holidays Is Addressed by Bishop Tihen

The Catholic Students' club met Sunday afternoon in the Music hall. Bishop Tihen, in an instructive address, dwelt upon the power of religion and the value of righteousness. He compared the voice of conscience to strains of soft music—the sound being crushed when violent noise is heard.

After the address by the bishop, a short musical program and a reading followed. In the business session it was decided to hold a dance some time in January, and to give a club play, if possible. Father O'Loughlin wished all the students present a merry Christmas.

The next meeting of the club will be January 9.
