## SENIORS CHAMPIONS OF CLASS FOOTBALL

CLOSE AND INTERESTING GAME ENDS 7 TO 3

## ROCKEY MAKES A STAR KICK

Folsom and Flansburg Receive Cheers  
—“Bob” Talbot Makes Senior Touchdown—Good Crowd Witnesses Event

A large crowd gathered on the Nebraska athletic field about 2:30 p. m. to witness the championship football game between the Seniors and Freshmen. The Seniors had a clean slate, as did the Freshmen, neither having been defeated this year.

The crowd was kept waiting until 3:50 o'clock on account of the “rag chewing” on eligibility. Finally, the “Frosh” were allowed to play their men. The spectators crowded on the sidelines and field and everybody had their “say.” A few stayed in the grandstand to protect the three women there.

For the benefit of the audience, it would be as well if a committee was appointed and a set of rules adopted and printed. The betting at first was 5 to 4 in favor of the Seniors, but after the report that “Thirsty” Morris would not be in the lineup, the betting changed to 7 to 5 in favor of the Seniors.

The players displayed a conglomeration of colors in the uniforms(?) Wilson's suit resembled Joseph's coat of many colors. On exhibition drop kicking, “Ruse” Israel kicked goals from the 45-yard line. “Bob” Talbot entertained the visitors with a very neat exhibition of forward passing. Everybody was in good spirits. “Fox,” the Phi Psi's latest pledge, made friends with everybody in the crowd, including the Freshmen players.

At 3:30 the teams lined up. They looked about equal in beef, but if the Seniors had had a common sized man in their line in place of “Bill” Folsom, the Freshmen would have outweighed them.

The Freshmen kicked off to the Seniors. Freshmen were penalized five yards. Seniors made their downs on straight line bucks. Bowman made fifteen yards around left end. Israel failed to gain. Stone made the downs.

## Gym Team Try-Outs Shortly

The first of the gym team try-outs will be held shortly after vacation in the exercises on the horizontal and parallel bars.

This year the heavy gymnasium class is larger than ever before, having about thirty members. The increased interest is probably the result of the Western Collegiate Gym meet, which was held here last year. The abundance of good material here makes the prospects bright for a prize gym team.

## TO START FRAT ATHLETICS

Board Will Meet and Elect Officers—Plans for Bowling Tournament Being Considered

The Interfraternity Athletic board met yesterday at 11 o'clock in Prof. R. G. Clapp's office. The main purpose of the meeting which was to elect officers was postponed until the next meetin, the following week at the same hour. Arthur Ballis was elected temporary chairman.

The same board voted to reserve the afternoon and evening of February 26 for the Interfraternity Athletic meet. The meet will be held in the afternoon and a dance in the evening. It is the intention of the board to make this much more of a social affair than it has been in past years.

Other business of the meeting consisted in appointing a committee of D. Stevens, “Tim” Corey and Kenneth Craig to look into the possibility of organizing an Interfraternity bowling tournament. This committee will report at the meeting next week. The board will also make arrangements for the Interfraternity basketball schedule at this time.

## Request Armament Lecture

A petition signed by the members of the 4 o'clock division of American History III was presented to Dr. H. W. Caldwell, requesting that he give his lecture on “Armament” before the class.

## THE HOLIDAY FETE PLANS TAKE FORM

PURPOSE WILL BE TO MAKE IT “GET TOGETHER” MEETING

## TO HAVE A CHRISTMAS TREE

Various Small Booths Will Be Arranged on Second Floor—A Real “Mixer” Is Hoped For—Presents for All

“The all-inclusive ‘get to know each other’ Christmas party, under the auspices of the Y. M. and Y. W. C. A., is not going to disappoint anyone,” says the committee force. Neither do the committee think anything but a large crowd will be present. Although they admitted at first that they were somewhat skeptical as to the outcome of any evening of amusement without dancing, they now wonder whether or not their preparations will be adequate to provide for those who have thus far said they were coming.

“Something will be going on all the while,” is the essence of the report. On both floors will be found worth while amusements. The hearth fires in the Y. M. and Y. W. rooms will be ablaze and the blaze will not be merely for effect either. Clever ways of getting acquainted have been arranged. “Mixers” as a rule don't mix and realizing this, unusual efforts and methods will be exerted to bring the different constituents together. Then the “broiling pot,” as it were, will be on the first floor. A homogeneous mixture is hoped for.

On the second floor various small booths will be found, each one representing a holiday, hence the name of this affair—“Holiday Fete.” Something of interest and amusement will be found in connection with each booth.

About an hour and a half before Sunday morning the “children” will all get to see the big Christmas tree and then Santa Claus will appear in all his Arctic array with a pack of presents on his back and each good “little boy and girl” will get one.

## Harvey Hess Judges Debate

Harvey W. Hess, of the Rhetoric department, served as judge of a debate at the Capitol school a few days ago. After the debate he spoke to the debaters and students.

## Union Christmas Party

Union will hold its annual Christmas party at a closed meeting, Friday evening. The place will be 1740 D street. Will everyone please bring a small gift for the tree.

## Plan Science Meeting

At a meeting of the American Association for the advancement of science last winter in Philadelphia, a committee was appointed to plan for an organization of an American Ecological society. Prof. Robert Wolcott is a member of this committee and, after talking over his plans with Prof. Raymond Pool has proposed a scheme of organization, which will be presented at a meeting at Columbus, Ohio, the week after Christmas.

The Board of Regents held a meeting in the office of Chancellor Avery yesterday afternoon.

## STILL TALK GIRLS' PARTY

All Excitement Has Not Yet Subsided—Chancellor Censors Newspaper

Talk concerning the Girls' Cornhusker party is still heard on the campus. The Lincoln Daily News contained the following article yesterday:

Four co-eds lay claim to discovering George De Ford, the young man who attended the girls' party at the University the other night in a feminine costume, and assert that they were instrumental in driving him from the room.

According to their story, one of them had been watching De Ford part of the evening. She knew him, because he had been in one of her classes. She told her companions and the four followed him around until they had him in a corner. De Ford then knew he had been discovered and fled through the front door before the girls could catch him. It was known that evening to a number at the party that a man had been present.

Chancellor Avery did not indicate Tuesday morning whether or not anything would be done about the case. He did indicate, however, that he was quite incensed that newspapers should publish pictures of men in dresses and that sort of thing. He said he thought it was “pretty low” when such high class papers as the Daily News stooped to put such a thing on the first page. Chancellor Avery was not in his accustomed good humor, and showed that he was quite irritated about the whole business.

Student sentiment is being aired as a result of the incident. The young lady who was instrumental in discovering De Ford, said: “I do not think that in general the girls take the matter seriously except possibly a few who wore abbreviated costumes.”

## TO AWARD CONTRACTS SOON

Hospital Building in Omaha and the Chemistry Building Here Are Under Consideration

It was expected that the Board of Regents would pave the way for the letting of the contracts for the new University hospital building at Omaha and the new Chemistry building at a meeting, Tuesday afternoon. Bids are now being advertised for these buildings. The board probably will direct a committee to award the contracts for these buildings. The social science building plans are now practically complete and it is thought that the board may take some action toward letting the contract for that building in the spring. No steps have yet been taken to clear the site at Twelfth and R streets.

Charles Hodgdon, the special architect engaged by the University, arrived in the city from Chicago Tuesday morning. He was closeted with the regents during Tuesday afternoon.

## Senior Hop Tickets on Sale

Tickets are on sale today for \$1.25, for the Senior Hop which will be held at the Lincoln on January 14. Only eighty tickets are validated, so as to assure of plenty of elbow room for everybody. Scott's orchestra will furnish the music and refreshments will be served between the dances.

## TEAM WILL LEAVE FRIDAY MORNING

NEBRASKA NEGATIVE DEBATERS GO VIA UNION PACIFIC

## THE THIRD JUDGE SELECTED

Professor Van Der Zee Is the Third Member of Lincoln Judges—Much Spirit Shown in the Contest

The Nebraska team which will debate the negative side of the armament question against Kansas at Lawrence, Friday, will leave for the enemy's country over the Union Pacific tomorrow morning at 7 o'clock, and arrive in Lawrence at 3:45 p. m. The men making the trip are: Charles L. Schofield, '17, Lincoln; Guy C. Chambers, Law '16, Sidney, and Harold J. Schwab, '16, Law '18, McCook.

News from Lawrence is to the effect that the three debaters on the hospital list last week have been removed from the sick ward and are working zealously with their teammates on the arguments to be used against Nebraska. The students of the Jayhawker college are looking for a double victory Friday night, and a great deal of interest has been aroused in preparation for a Kansas triumph.

The third judge, lacking both for the Lawrence and Lincoln ends of the dual debate has been secured. Prof. Jacob Van Der Zee, Department of Political Science, Iowa university, completes the trio of officials for the Lincoln contest, and ex-Mayor Darius Brown of Kansas City, for the Lawrence contest.

Lots of spirit will characterize the local debate. Cheer leaders will be on hand to lead a “pep” meeting before the battle of words begins. Both the Kansas and Nebraska teams are confident of being able to out-argue their opponents, and a stirring verbal combat is assured.

A larger attendance by far than has turned out to previous debates is predicted by Business Manager Darrel Lane. Delegations will be sent from different high schools and colleges over the state arguing the same question. Different fraternities and sororities are also considering attending together.

## A PLAY AT TEMPLE THEATRE

To Be Given for the Benefit of the Athletic Board of the Temple High School

A “stunt” play of the Orpheum type will be produced by the Herbert-Gantt players at the Temple theatre, December 14. Admission 25 cents.

The production which is being directed by Walter Herbert, '18, and Robert Gantt, the football coach of Temple high school, will be given for the benefit of the athletic fund. A part of the proceeds will be spent for sweaters for the football team. The exact nature of the show has not been disclosed as yet, but it is well known that Walter Herbert himself is an amateur bordering on the professional, who will be well worth the price of admission alone. Everyone is invited to come.
