## WOMEN'S PAGE

Published Weekly Jan. 6, 1916  
Doris Slater ..... Editor

This page is precisely for girls, as you will see. It is a new diversion, the success of which depends, girls, mainly upon your use of it. Do you want it? It is the page where only your news items and advertisements for you will appear. Hand in whatever news you would like to see printed once a week. If you have any suggestions for this page, we would be only too glad to consider them, for we are only experimenting.

It would seem rather early to remind you of the Girls' Club convention coming here in May, but a good and worthy thing can never be made too much of. What is your organization planning for that crowd of girls? How are you going to help entertain them and impress upon them that this is not an institution in the midst of Indians and no civilization? Let us all plan to give these girls a royal good time and to instill in them some of our Nebraska enthusiasm and democracy which we so often boast.

There is a problem among us which we do hope to solve in the near future. It is that of Student Government and of adopting the Point and Honor Systems. Do you want them? Do you think they are advisable? Think about them and be ready to express your opinion.

## BASKETBALL CENTER OF ATTRACTION

MANY GIRLS TRY OUT FOR THE DIFFERENT TEAMS

### MISS CAMILLE KOCK RETURNS

Sophomores Feel Confident of Success with Her Assistance—The Seniors Have Twice Won Honors

Basketball is the center of attraction in the Women's Physical Education Department at the present time. A large number of girls are trying out for the teams and judging from the enthusiasm displayed there promises to be an interesting tournament in the near future.

The Sophomores are elated over the return of Camille Kock and feel confident of the championship with her as their leader. The present Senior class, however, has twice carried off the honors, once as Freshmen and again as Sophomores, and are determined to regain the ground lost last year.

### BLACK MASQUES ENTERTAIN

Other Inter-Sorority Societies Will Be Guests at the House of Jeannette Finney

The Black Masques will entertain members of the Mystic Fish, of Xi Delta and of Silver Serpent at the home of Jeannette Finney, 2315 South Seventeenth street, on Saturday afternoon from 3 to 5 o'clock.

The party will be a kensington besides a very good opportunity for getting acquainted. Some problems confronting the girls are going to be discussed. Among them are the Point System and the need of a new room for girls' organizations, where some schedule could be made for meetings.

### New Year's Resolutions

The Y. W. C. A. has had excellent success the last year. With the beginning of the New Year, it starts out by having for the first Vesper service Dr. R. A. Waite, who speaks on "New Year's Resolutions."

With all committees and individual members the New Year spirit is shown. It is expected that the missionary campaign for Miss Grace Coppock, of China, and the membership list will have untold success.

## PERSONAL
