## SENIORS PLAN TO MAKE IVY DAY MOST NOTABLE UNIVERSITY HOLIDAY

### LOCAL AMUSEMENT RESORT TO BE SECURED FOR ALL DAY PROGRAM

#### Crowning of May Queen; Tapping of Black Masques and Innocents; Picnic Dinner and Cotillion Planned

The senior class proposes to make Ivy Day the most notable of all university holidays. President Scott announced a special committee yesterday to handle the entire affair. The tentative plans call for a big campus program in the morning, which will be featured by the Maypole dance, the Ivy Day Oration, planting of ivy by the class presidents, and other events in keeping with the traditions of the day. In the afternoon it is proposed to have a celebration at one of the nearby summer resorts, in which athletic contests, the tapping of the Black Masques and the Innocents, and a picnic dinner will be the main forms of entertainment.

#### Evening Program

The climax will be reached in the evening, with a special open air theatre program of the vaudeville nature, headed by a band concert. A real spring cotillion dance will be held later in the evening for the benefit of the social whirlers. The plan at present seems to be to make something novel in the way of student entertainment out of the open air show and spring cotillion. University booths and side attractions have also been suggested as possibilities for the program.

Definite negotiations have not as yet been made with any of the local park companies, but the general committee has interviewed the proper authorities and indications are that a satisfactory agreement can be reached whereby the university students will be given complete control of a park for that day.

#### Admission Low

The main aim of the committee will be to make it an All-University affair and the matter of admission prices will be made as low as possible in order that all can be induced to participate.

As the committee expressed them-

selves yesterday, "Nebraska traditions are not as strong and as numerous as they should be. We want to make Ivy Day one that will never be forgotten by the students and one that they will look forward to with pleasure."

The Ivy Day Festival committee is made up of both seniors and juniors, the latter being appointed by President Holtz. No provision is made for the Ivy Day committees appointed by the freshman and sophomore class presidents, but the committee in charge announces that they will be given special work and will be kept busy.

President Scott's committees are as follows:

## ALPHA TAU OMEGA WINS DAILY'S PRIZE

Alpha Delta Pi, Second; Kappa Alpha Theta, Third

Alpha Tau Omega, with 52 per cent of its membership paid-up subscribers to The Daily Nebraskan, wins the prize of a Cornhusker offered by The Nebraskan staff to the fraternity or sorority having the highest percentage of subscribers by February 25. Alpha Delta Pi, with 45.4 per cent; Kappa Alpha Theta, with 34 per cent, are second and third.

As a result of the contest, 18 per cent of the sorority members became subscribers to The Nebraskan and 13 per cent of the fraternity members bought subscriptions. The result reflects the greatest credit upon the members of the three highest Greek letter societies for their loyal response to the campaign.

The comparatively pitiful condition of the single lone subscriber at the Delta Chi, Sig Alph and Delta Tau houses calls up rather humorous visions. It has been suggested that perhaps the members of these fraternities have numbers so that there is no confusion as to the order in which the paper is read. Perchance, again,

## The Single Tax Outlined

AMOUNT: \$6.00 PER YEAR; \$3.00 PER SEMESTER

Distribution—	Per cent of tax	Amount	Part of \$6.00 fee
Athletics .....	.62 1/2	\$9,375	\$3.75
Daily Nebraskan .....	.20	3,000	1.20

Dramatics .....	4	600	.24
Mixers .....	6	900	.36
Ivy Day .....	1 1/2	225	.09
Incidental .....	2	300	.12

The above estimates are based on a campus attendance of 2,500, or a total of \$15,000.

**Who will pay?:** All students registering for twelve or more hours will be forced to pay this tax, unless excused as hereinafter provided. All those taking less than twelve hours will have their choice of paying the tax and receiving the privileges, or not paying the tax and not receiving the privileges.

**Collection:** The Tax will be collected by the University Treasurer as the ordinary fees of registration are now collected.

**Excuses:** Upon proof that the student is not financially able to pay this tax, and will receive no benefit from its objects, he may be excused therefrom. The sole judges of his reasons shall be such persons as the board of regents shall appoint.

**Athletics:** The above named sum will be apportioned to both the men's and the women's athletics. Any student who is duly registered and has paid the Single Tax will be admitted to all athletic exhibitions free.

**Daily Nebraskan:** This money will be distributed by the publication board, or someone selected by the regents. It will be used in making a better and more representative paper. Each student will be entitled to a copy of each issue of The Daily Nebraskan.

**Debate:** This sum will be in the hands of the debating board, or anyone whom the regents may select. All students will be admitted to the debates free.

**University Night:** This amount will assure two performances of the program, thus permitting all students to have a seat free of charge, and without waiting for hours in the line in the Temple.

**Dramatics:** This sum will be turned over to the School of Drama, not the Dramatic club. It will assure to each student a free performance of each and every play that the School of Drama presents publicly.

**Mixers:** The Single Tax will permit a proper number of mixers during the year, given to the students free of charge.

**Ivy Day:** The sum appropriated to this occasion will mean a successful all-university celebration free of charge.

**Incidental:** This sum is set aside for rallies and emergencies that may arise from time to time.

**Alteration of these rules:** These rules may be altered from time to time by the regents or anyone to whom they may delegate the power. It is understood that such alteration will not fundamentally change the plan above outlined.

#### GIRLS' CLUB MEETING

## MISS HOFF TELLS OF GIRLS' OPPORTUNITIES

Speaks on Home and Foreign Missionary Work at Vespers

"Where was it that we got the first idea of social service?" asked Miss Olga E. Hoff at Y. W. C. A. vespers yesterday. "It was through the church and the church teachings. We become spiritual and then go out and help men." Missionaries cannot have a true uplifting influence without true spiritual influence.

Miss Hoff said there were opportunities for girls in Sunday schools, Christian Endeavors, Westminster guilds, Luther leagues, whatever organizations one's individual church may have. All these are benefited by
