BEATRICE HIGH WINS STATE TITLE

DEFEATS FAST CRETE TEAM IN TOURNAMENT FINALS, 15-11

Minden Beats Arlington for Class B Honors—Class C Cup Goes to Humboldt

Spurred on by the sight of three large silver cups, prominently displayed, six high school basketball teams battled for honors in the auditorium Saturday night. The building was jammed with wild fans.

The Class B championship was settled first. Minden defeated Arlington, 19-8. The Minden team led throughout and the game was not close.

Dunbar and Humboldt played a seesaw game, Humboldt winning, 22-20. The Humboldt team led in the scoring in the first half, but Dunbar took a brace and acquired a six point lead. With but four minutes to play, the Humboldt men braced and won the game, 22 to 20, and with it the Class C title.

Crete failed to display the form shown against Lincoln on Friday night, and the heavier Beatrice team pulled out the victors, 15 to 11. The Crete five was outweighed but played a better passing game. The Beatrice forwards and center shot baskets with great accuracy. Ward and Shellenberg were the Beatrice scoring machine and Hubka's close guarding failed to give the Crete forwards many shots. Clarence Frundell was the only Crete man to play true to form. The long baskets that were Lincoln's downfall, were noticeably absent.

By defeating all comers in the tournament, Beatrice high won the undisputed state basketball title.

The semi-finals of the high school tournament at the city auditorium Friday night, completely upset the dope that Omaha would find her way into the finals and probably win the tournament. The boys from the Missouri river town were completely out-

classed by Beatrice, who played as she had at no previous time in the tournament. The final score of 17 to 7 tells the relative merits of the two teams as they faced each other Friday night.

Lincoln's defeat at the hands of Crete was not so unexpected, although the Capital City youths had won from their opponents at Crete. The Frundell brothers for Crete proved that they possessed an amazing ability to shy the ball into the ring from any part of the floor. The final score was 14 to 3.

NEBRASKA AND IOWA WRESTLE TO DRAW

(Continued from page 1)

fans in the second half of the match by the persistence of Otoupalik to clinch. He would squat on the mat and allow his heavier opponent to take his hold. This, however, never aided Barron, as Otoupalik invariably wriggled out of all dangerous holds.

Although Barron was unable to turn Otoupalik on his back he was given the decision at the end of 23 minutes. This tied the final score.

The Armory was crowded during the matches, proving that the mat game is rather popular at the university. Not a little pep was displayed during the intermissions. The Nebraska yell urged the team to victory.

Dr. R. G. Clapp was the timekeeper, and Mr. McVay of the Kansas City Athletic club, the referee.

MISS BOLES, ATHLETE

Miss Laura M. Boles, of Greenwich, Conn., recently made a score of 117 out of a possible 175 with the shotgun. That would be a good score for most men. She also bowls, swims, dives and plays tennis better than the run of masculine athletes. What a bully chum for a family of small boys a woman of such accomplishments would be.—Exchange.

Convocation Notices

Prof. G. E. Howard will speak on "The Challenge of the New Humanism" in convocation Tuesday morn-

ing, March 14. This lecture was given at the mid-winter commencement and is repeated by the special request of the faculty, in order that the general student body may get its benefit.

NOTICE

The expense of setting up the news part of The Daily Nebraskan ran \$75 higher during the first month of this semester than it ever has before. This is due to the attempted improvement in the manner of presenting the news, and the extra features added in the effort to make this semester's Nebraskan the best the university has ever had.

But this cannot continue under the present circumstances. It will be impossible to run the material in the future in the way it has been run in the past without an increased circulation. Our expenses are too heavy at present for the size of the subscription list. The

editorial and news staffs have much of greater interest than before to submit to the students. New features in the news line, and new things of interest in the editorial line are waiting in the office to be given to the students. But these things cannot be properly presented to the public in the proper form unless we have the means.

Do you believe the present Nebraskan an improvement over other years? If so, do you approve? Do you want it to continue? The improvement cannot continue unless the subscription list is increased.

Think it over, and try to do your part.

If Smoking

interferes with your business don't give up either—it simply means that you're not smoking the right tobacco.

Now, Tuxedo is heavily charged with just the spunk, sparkle and pep you need to fit you to walk right up to your business cares and dispose of 'em like a curly w c f disposes of a lamb.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the right brand for the man who wants the full flavor and rich relish of Burley leaf—and that brisk, quick-step animation you puff through a pipe stem when "Tux" is in the bowl.

And it's the right brand for the man who wants to smoke oftener than once in a while. Go as far as you like with "Tux"—smoke it all day—the original "Tuxedo Process," used only in Tuxedo, takes all the bite and parch out of the leaf and leaves it mild, smooth and pleasant.
