## DR. CLAPP ANNOUNCES MEN'S GYM PROGRAM

### TWO HUNDRED MEN ARE TO PARTICIPATE

Dumb Bell Drill, Apparatus and Bar Work to Be Demonstrated

Dr. Clapp, head of the physical education department, has given out the program for the men's share of the annual gymnastic exhibition, to be given Friday night. The men will demonstrate every phase of the year's work:

#### Dumb Bell Drill

This drill is a combination of arm, leg and trunk movement, planned for this exhibition and to demonstrate the nature of the general body building work as arranged for the regular university classes. It will be put on by the first year men's gymnastic class, or as many as we can place on the floor, which will be approximately 125, under the direction of Mr. Silvester, the floor instructor.

#### Class Apparatus Work

The entire first year men's class will be divided into eight squads, who will work on different pieces of gymnastic apparatus. This work reminds one of an eight-ring circus and is planned to demonstrate the type of heavy gymnastics taught in the regular classes.

The exhibition work on the horizontal and parallel bars, tumbling and flying rings by members of the gymnastic team is put on to show the figures that will be done by the members of the gymnastic team in the Western Intercollegiate Gymnastic association meet at the University of Minnesota next month.

The exhibition of electric club swinging will be one of the most spectacular numbers on the program, showing the possibility of combining complicated movements in fancy club swinging with colored electric lights.

#### GUTBERLET THROWS VOSE; GOES TO AMES MEET

Edward L. Gutberlet pinned Leonard

Vose's shoulders to the mat in three minutes in the gymnasium yesterday. This victory insures Gutberlet the place in the 145-pound class that will meet the Iowa state agricultural college wrestlers at Ames next Saturday. The only other places insured on the team are Captain Otoupalik, 175 pounds; Rutherford, 158 pounds, and Bowman, 135 pounds.

#### FRAT CHAMPIONSHIP BASKETBALL TONIGHT

Delta Tau Delta to Play Sigma Alpha Epsilon

The championship of the interfraternity basketball tournament will be decided tonight, when Sigma Alpha Epsilon plays Delta Tau Delta in the Armory. The games this year have been particularly clean. Sixteen fraternities have taken part in the tournament and the scores have been close.

The Delta Taus won in the first division by defeating the Acacia, Alpha Theta Chi and Alpha Tau Omega fraternities. The Sig Alphas won in the second division by defeating the Sigma Nus, Phi Gamma Delta and Sigma Phi Epsilon.

## Suppose You Were Hungry and Had No Way of Getting Food! Suppose You Were Scantily Clad and Homeless in the Midst of Winter!

Wouldn't you be grateful to some generous-hearted friend who would come to you with wholesome food, warm clothing and show you the way to a haven of refuge?

## THERE ARE THOUSANDS OF WOMEN, CHILDREN AND AGED PEOPLE WHO TODAY ARE HUNGRY, HOMELESS AND HELPLESS

They Are the Refugees from Invaded and Devastated

# SERBIA

Forced to flee for very life itself, these refugees found their way into Albania, Montenegro and Northern Greece. Hundreds of them have died from starvation and exposure.

Thomas Nelson Page, American Ambassador at Rome, has cabled that "the conditions are frightful."

Dr. Edward Ryan, of the American Red Cross, said in a recent cable message:

"The suffering in places visited is beyond description. People are dying by the hundreds and must be removed. I have seen myself hundreds lying by the roadside, and human life is of no more value than the dust in the street. Consider we are the only people who can relieve the situation by transporting the refugees."

### A Way Has Been Opened for the Rescue of These People

The American Relief Clearing House in Paris has chartered a vessel to transport the Serbian refugees to the island of Corfu. The French Government has endorsed this plan and agreed to provide a safe convoy. The work of transferring the refugees has been in progress since the last week in January.

But funds are urgently needed to carry on the work; the Allied Nations are not in a position to bear the entire expense of caring for these refugees.

As Dr Ryan says: "we are the only people who can relieve the situation."

## Won't You Help These Helpless Sufferers?

WON'T YOU MAKE A GENEROUS CONTRIBUTION?

It will mean food and clothing and save them from persecution and death

Every dollar contributed will be devoted to this purpose, no deductions being made for expenses.

The National Allied Relief Committee appeals to you for funds for the Serbian refugees.

All money received will be turned over to the War Relief Clearing House for France and Her Allies, which will purchase supplies or send cash under instructions from the American Relief Clearing House in Paris.
