## ALPHA SIGMA PHI

### BOWLING CHAMPS

Win from Phi Gamma Delta in Two  
 Straight Games

Alpha Sigma Phi won the interfraternity bowling championship again this year by defeating Phi Gamma Delta in two straight games Tuesday night at the Y. M. C. A. alleys.

The Delta Tau Deltas won from the Phi Deltas and lost to the Phi Gams. Kappa Sigma lost to Delta Upsilon. ## IVY DAY'LL GET YOU IF YOU DON'T WATCH OUT

Better save your pennies,  
 For the tenth of May,  
 You'll need a lot of sodder,  
 For that is Ivy Day.

The fellers that are running it,  
 Say it's going to be a lark,  
 For they're going to put on a  
 big show  
 Out at Electric park.

Popcorn and peanuts  
 And confetti everywhere;  
 Everyone's a-going,  
 So it's sure to be some fair.

Now don't forget all this;  
 Hoard up your little sum;  
 Be sure to get your lady friend,  
 And everybody come.

## ATHLETIC BOARD ELECTION MAY 8

Five Student Members to Be Chosen  
 at That Time

The annual election of the five student members of the athletic board will be held May 8, and would-be candidates are invited to announce themselves now. Anyone who is eligible to vote in the election, that is a male student in good standing with twelve hours of completed work, is eligible to run for a place on the board.

The board is composed of the five student members, four faculty members of professional rank, appointed by the university senate, one alumnus elected at the annual meeting of the Alumni association, the head of the department of physical education, and the director of athletics of the university.

## GRID WARRIORS CAPER AT PRACTICE

Coach and Captain Put the Men  
 Through Stiff Workouts

The fourth spring football practice on Nebraska field yesterday afternoon brought out twenty-nine men, who, under Captain Corey and Coach Rutherford, spent two hours capering around the field in a way that dis-

pelled all doubts as to the success of next fall's team.

Shoving a beam around the field in football fashion, running through the signals and finally a run around the field was the program of the afternoon. It was hard work and the men were well tired out when they went to the gym.

The track men were out in force, too, and one could see the dust fly as they nimbly tore around the cinder path. Later the pole vaulters, high jumpers and discus throwers mixed with the football players and track men and provided a spice of variety for the few spectators that dared the threatening clouds to come and watch the practice.

## SCIENTISTS TO SPEND DAY IN FONTENELLE FOREST

After the Nebraska Academy of Sciences has held its business meeting in Lincoln, May 12, an adjournment will be taken to the Fontenelle forest near Bellevue, and all day of May 12 will be spent there. The forest is one of the most beautiful bits of woodland in the state. It contains the buried homes of prehistoric men, the

site of the first permanent white settlement in the state, and the largest area of primeval forest. Steps have been taken to preserve the forest for the public and it is said that enough money has been donated for the purchase of the land.

# Are You Ready for the Easter Promenade?

Of course you want to look your best on Easter Sunday. Every woman who takes pride in her appearance (and that, by the way, includes practically the entire sex) enjoys the time honored custom of appearing on Easter attired from head to foot in the accepted styles of the new season.

This year the custom will be observed more generally than usual because Easter comes so late in the season. The majority of well-groomed women have already selected their Suits, Coats, Gowns, Waists, Hats, Gloves, Hosiery, Neckwear, Footwear, etc.—and are therefore fully prepared for the Easter Fashion promenade.

To those who are not yet ready, however, let us say that we are prepared now as never before with everything that will be the vogue for the coming season.

There are captivating models in Suits, Coats, Dresses and Millinery—never more fetching or delightfully picturesque, never more smart in colorings. These are the products of gifted makers whose skill and superior good taste pass unquestioned in the world of women's dress.

In assembling these splendid stocks we have been careful to secure only the most trustworthy qualities, and you will find that in all departments the economical prices justify the Herpolsheimer reputation of THE STORE OF GREATER VALUES.

To appreciate the superiority of these great displays of spring apparel you really must see them. This we invite you to do Friday or Saturday. There is still time for you to make your selections and have your Easter attire properly fitted before Sunday.
