Like a soft-leaded easy  
marking pencil? Take the  
higher numbered B's such as  
3B, 4B, 5B. For the extreme  
limit of softness 6B is with-  
out an equal and is used by  
many as being the ideal of all  
pencils.

Medium degree is HB. H's  
are the harder grades, 2H or  
3H being medium hard, and  
6H, etc., being used for thin,  
clear, fine lines of detailings.

**TO FIGHT LES DARCY**

**Mike Gibbons Would Be Man to  
Face Australian Crack.**

Recent Victory of St. Paul Fighter  
Stamps Him as Best of Middle-  
weights and Light-Heavy-  
weights in United States.

The recent victory of Mike Gibbons  
over Jack Dillon in St. Paul proves  
that Mike is the best of the Ameri-  
can middleweights and light-heavy-  
weights without a doubt. Dillon is  
no easy prey for any fighter in the  
business, big or small, but Gibbons  
gave Hoosier Jack a boxing lesson.

In only one of the ten chapters was  
Dillon able to gain the lead and that  
was in the tenth session, after Mike  
had slowed down a trifle after setting  
a whirlwind pace for nearly a half  
hour.

Dillon's strong finish will be used  
to his favor in the arguments as to  
what would happen in a longer fight.  
Mike went in to win and win he did.  
He showered Jack's face with that

Les Darcy.

tantalizing left of his and he kept  
shooting across a right hook and up-  
percut, and only for the fact that Dil-  
lon kept his chin well covered some-  
thing sensational might have hap-  
pened.

Gibbons' victory proves the St. Paul  
boxer is America's best bet in the  
hope of competition with any foreign  
fighter and according to the declara-  
tions of Gibbons and his manager, he  
will fight Les Darcy as soon as the  
Australian can get over to America.

Mike Gibbons.

There is also a plan on foot to get  
Mike to go to Australia and box the  
sensational Darcy there, but so far the  
proper inducements have not been of-  
fered and Mike is waiting for some-  
thing to happen. If the right kind of  
offer is made, insuring Mike of a good-  
ly sum, and that he will have no trou-  
ble getting away after the fight, he  
will go to Australia and fight Darcy.

**NO HARVARD SWIMMING POOL**

On Account of Increased Cost of Con-  
struction, Proposition Has Been  
Dropped for Present.

Plans for the construction of a new  
swimming pool at Harvard this fall  
miscarried. The new pool was to have  
cost \$15,000 under the original plans  
and \$10,000 had been raised for the  
purpose. But costs of construction  
have so increased that recent esti-  
mates raised the probable cost to \$25-  
300, and instead of attempting fur-  
ther solicitation of funds the proposi-  
tion for the pool has been dropped for  
the present.

**KANSAS HONORS  
MAN WHO SCORED  
AGAINST HUSKERS**

Lawrence, Kas., Dec. 16.—Harry  
Nielsen, the Kansas fullback, who on  
November 18, carried the pigskin  
across the Nebraska goal line for the  
first touchdown made by a Kansas  
team against Nebraska in seven years,  
has been elected captain of the 1917  
Jayhawk football team.

The announcement was made at the  
annual football banquet at which the  
team and coaches were the guests.

Nielsen, though never a brilliant  
player, is a good line smasher for short  
gains, and toward the end of the  
season he became an expert on the  
receiving end of forward passes.

**"DRY" ORATORICAL  
CONTEST COMING**

National Prohibition and Law Enforce-  
ment the Questions to be  
Discussed

The annual intercollegiate oratorical  
contest will be held during the latter  
part of January or the middle of Feb-  
ruary. This notice is given so that  
the students who wish to compete may  
use some of their Christmas vacation  
in preparing. This contest is open to  
all University students and a large  
number compete each year for the  
prize which is offered by the Francis  
Willard organization.

Last year the first prize of \$25 was  
won by Lloyd Foster, '16; the second  
prize of \$15, by L. W. Kline, '19, and  
the third prize of \$10, by Robert B.  
Waring, '17.

The subjects of this year's orations  
are to be along the general lines of  
national prohibition and the law en-  
forcement of prohibition. A great deal  
of interest is centered in these phases  
of the question and a great deal of  
material will be available. The Uni-  
versity library has a number of the  
latest books, as has also the city li-  
brary. Both the W. C. T. U. with  
headquarters in the Fraternity build-  
ing and the Francis Willard organiza-  
tion have material on this question  
and will be glad to offer assistance to  
any one who is interested. Any further  
information may be obtained from L.  
W. Kline, president of the association.
