 Wertz, who always plays a strong guarding game, will be at his regular position. Ted Riddell will start the game at the other guard position.  
 This series is especially interesting

at present the Tigers would have no trouble in disposing of the Iowa quintet.

**VENUS 10c PENCIL**

No matter what course you're taking you need this famous pencil!

**BECAUSE** of the superlative quality of material and workmanship, VENUS is admittedly the finest pencil it is possible to make.  
 If you like a thick soft lead that marks so that you can read the writing half way across the room, choose the soft degrees 6B—5B—4B.  
 For short-hand notes or easy writing 3B—2B—B (medium soft) are popular.  
 For sketching, general writing purposes, etc., HB—F—H—2H (medium) will prove desirable.  
 For drafting, a medium hard pencil gives the best results and you'll like 3H—4H—5H—6H.  
 For very thin, narrow lines for extremely accurate graphical charts, maps, details, etc., 7H—8H—9H are available.  
 Look for the distinctive water mark finish on each of the 17 black degrees and hard and medium copying.  
 Your professors will confirm these statements as to the merits of VENUS pencils.
