### BRIEF BITS OF NEWS

**Superintendents Here.**—Supt. W. T. Davis of McCook and Supt. J. F. Duncan of Osceola visited the Teachers' college yesterday for the purpose of selecting high school teachers for next year.

**Schofield Judges Debate.**—Charles E. Schofield, 17, Lincoln, was the sole judge of the Schuyler-North Bend debate in the high school debating league, at Schuyler, Wednesday night, in which Schuyler was given the decision.

**Professor Chatburn Chairman.**—Prof. George Chatburn, head of the department of applied mechanics and machine design, is chairman of the building committee which had charge of the erection of the Scottish Rite cathedral being dedicated this week.

**Art Students Make Posters.**—The students in the department of Fine Arts who are working for their degree of B. F. A. are making posters for the play "Alice in Wonderland," to be given by the dramatic department, Saturday, February 24, in the Temple theater.

**Is To Teach Political Science** 2.—J. P. Senning, instructor in the department of American history has taken charge of one section of Political science 2, a course on state government formerly given by Prof. L. E. Aylesworth of the political science department. The heavy enrollment in the course has necessitated this division of Prof. Aylesworth's class.

### NINETY-NINE ARE ALREADY ENTERED

Nebraska Schools Returning Entry Blanks for Annual Basketball Tournament—130 Expected

The high school basketball tournament is gradually taking on definite shape as the time for the start draws near. So far there have been ninety-nine of the entry blanks returned, accompanied by the fee. With so many actual entries at such an early date, Manager Reed expects as many as 130 before the entries are closed.

An executive committee will be chosen by Rutherford and Reed Monday. This committee will have charge of the actual running of the tournament and entertaining the athletes.

As a means of identifying the high school men, Manager Reed has had printed two thousand cards, decorated so as to resemble basketballs, with places for the names and towns of the wearers.

Classification of the teams will start Tuesday. There will probably be three classes this year, although a large increase in the number of entries will make four classes necessary.

### KAISER'S PLAYMATES

According to the McGill Daily, Poultny Bigelow, who was a playmate of Kaiser Wilhelm in former days, is going to address students there. Mr. Bigelow is an American, but was reared in Berlin. He was chosen as one of the few who were playmates of the prince, who later became Wilhelm. He says that even in those days the Kaiser enjoyed no game that did not suggest war, and took great delight in taking the part of a blood-thirsty Indian.—Ex.

# THE UKULELE

THE languorous charm of the Hawaiian native instruments—so moving in appeal, so observably in vogue—is strikingly characteristic of the Ukulele. Its tone possesses that curiously beautiful timbre, that exotic charm of tonal quality which has made these instruments so sensationally popular.

The Ukulele has a pleasing grace of form. The finer models are made of genuine Hawaiian Koa wood. It is much in request today among the smarter college and other musical organizations.

It is easy to learn. Its price includes an Instruction Book.

### Hawaiian Steel Guitar

Every chord struck upon this typically representative Hawaiian instrument is marked by a weird, plaintive harmony and strangely beautiful qualities of tone. It brings, to any music, qualities full of vivid color and varied charm.

Price \$2.00 and upwards, including Steel and Set of Three Thumbes for playing, and Instruction Book.

Catalogs on application.

Lyon & Healy "Washburn" Ukuleles, \$15.00; Leonardo Nunes genuine Hawaiian make, \$7.50; Mauna Loa brand, \$4. May be had of 12,000 leading music dealers. Write for name of the nearest dealer.
