When you buy a shoe you have it fitted and you take it because it looks well and feels comfortable.

But a careful selection of your corset is much more important.

You must feel comfortable—and your corset must form a fashionable smooth base for your gown.

## Redfern Corsets

Back Lace Front Lace are designed with infinite care for every type of figure, and naturally the best of fabrics, boning and other materials is used in their design, for they are high class corsets.

But a Redfern is not an indulgence. It is a healthful safeguard. You will find it all you expect the best corset to be—comfortable, fashionable and serviceable.

## VENUS 10¢ PENCIL

No matter what course you're taking you need this famous pencil!

BECAUSE of the superlative quality of material and workmanship, VENUS is admittedly the finest pencil it is possible to make.

If you like a thick soft lead that marks so that you can read the writing half way across

the room, choose the soft degrees 6B—5B—4B.

For short-hand notes or easy writing 3B—2B—B (medium soft) are popular.

For sketching, general writing purposes, etc., HB—F—H—2H (medium) will prove desirable.

For drafting, a medium hard pencil gives the best results and you'll like 3H—4H—5H—6H.

For very thin, narrow lines for extremely accurate graphical charts, maps, details, etc., 7H—8H—9H are available.

Look for the distinctive water mark finish on each of the 17 black degrees and hard and medium copying.

Your professors will confirm these statements as to the merits of VENUS pencils.
