**PEGGY HYLAND'S PERIL**

**Stands by Church Window Blown in by an Invading Army's Shell**

While thrill after thrill marks the action in Commodore J. Stuart Blackton's soul-stirring patriotic spectacle, "Womanhood, The Glory of a Nation," which is the attraction at the Majestic theatre all this week. One of the most startling is when Peggy Hyland, among Vitagraph's greatest stars, appears to be injured during the bombardment of a church in which she is acting as a Red Cross nurse. The window is blown in with a crash and she falls, to be picked up unconscious out of the debris in a following scene. Of course there was a blast, but not so severe as the picture presents, and there was real danger. Few girls in the films would care to go through the ordeal. Miss Hyland consenting to play Alice Renfrow was greatly appreciated by Mr. Blackton since she has that sweet beauty most appropriate to the particular type of womanhood that hastens to perform deeds of mercy near the battle front.

Although this scene lasts but five seconds on the screen, it required elaborate machinery to produce and cost a great deal of money. A multitude of just such painstaking details make up the entire production.—Adv.

**THE DAYS GONE BY**

**Fifteen Years Ago Today**  
 About five hundred University men met the returning Nebraska debating team that had defeated Missouri and drew them from the station through the streets in a carriage.

**Thirteen Years Ago Today**  
 The sophomores succeeded in getting possession of the freshmen caps before they were distributed, and burned them at the corner of Eleventh and R streets.

**Twelve Years Ago Today**  
 The senior class decided to abolish "Sneak day" and instead observed an annual May outing.

**Nine Years Ago Today**  
 The Cornhusker track team defeated Kansas in a dual track meet by a score of 68 to 49. Collins of Nebraska won first place in each of the three weight events.

**Eight Years Ago Today**  
 After a hot election fight William Chaloupka, D. C. Mitchell, H. O. Perry, C. E. Elliott and R. M. Carroll were chosen members of the University athletic board.

Alpha Chi Sigma the professional chemistry fraternity was installed at Nebraska.

**Five Years Ago Today**  
 The University cadets boarded a Burlington train at noon for Crete for the annual encampment. Over two hundred high school students were registered in the annual high school fete day track meet.

 And an All-Star VITAGRAPH CAST

The picture is a direct answer to the pacifist group and the anti-American foreigners in this country. It is the reply which the American woman makes to those who would betray or despoil her flag. It portrays the three great loves of a woman's life, the love of a maid for a man, the love of a mother for her child, the love of a woman for her country.

**THE UKULELE**

**THE languorous charm of the Hawaiian native instruments—so moving in appeal, so observably in vogue—is strikingly characteristic of the Ukulele. Its tone possesses that curiously beautiful timbre, that exotic charm of tonal quality which has made these instruments so sensationally popular.**

The Ukulele has a pleasing grace of form. The finer models are made of genuine Hawaiian Koa wood. It is much in request today among the smarter college and other musical organizations.

It is easy to learn. Its price includes an Instruction Book.

**Hawaiian Steel Guitar**  
 Every chord struck upon this typically representative Hawaiian instrument is marked by a weird, plaintive harmony and strangely beautiful qualities of tone. It brings, to any music, qualities full of vivid color and varied charm.  
 Price \$8.00 and upwards, including Steel and Set of Three Thumbes for playing, and Instruction Book.

**Lyon & Healy "Washburn" Ukuleles, \$15.00; Leonardo Nones genuine Hawaiian make, \$7.50; Mauna Loa brand, \$4. May be had of 12,000 leading music dealers. Write for name of the nearest dealer.**

**VENUS 10c PENCIL**

No matter what course you're taking you need this famous pencil!

**BECAUSE** of the superlative quality of material and workmanship, VENUS is admittedly the finest pencil it is possible to make.

If you like a thick soft lead that marks so that you can read the writing half way across the room, choose the soft degrees 6B—5B—4B.

For short-hand notes or easy writing 3B—2B—B (medium soft) are popular.

For sketching, general writing purposes, etc., HB—F—H—2H (medium) will prove desirable.

For drafting, a medium hard pencil gives the best results and you'll like 3H—4H—5H—6H.

For very thin, narrow lines for extremely accurate graphical charts, maps, details, etc., 7H—8H—9H are available.

Look for the distinctive water mark finish on each of the 17 black degrees and hard and medium copying.

Your professors will confirm these statements as to the merits of VENUS pencils.
