

## ASSOCIATION CLOSE TO CITY'S BOY LIFE

EXTRA CAMPUS ACTIVITIES TOUCHED 130 BOYS A WEEK

During the year students have taken an active part in the leadership of boys and have taken charge of various activities concerned with them. University men have been secured as leaders of boys in Sunday school classes, Boy Scout organizations, boy's clubs, and game rooms.

Boys' classes have been taught by George D. Driver, '19, J. R. Jewell, '18, and Carl Heath, '20. Ray Bigelow, '17, Dana Harper, '20, Floyd Rogers, '19, Paul E. Armstrong, '19, and David Diefenderfer, '19, have served as scoutmasters of troops in the city churches. Clubs have been under the direction of Walter Judd, '20, Ray Cowen, '19, and Glenn Snapp, '18, while W. V. McElhaney, '20, led the play of a group in one of the grade schools of the city. It is estimated that 130 boys have been touched weekly in the meetings of the organizations.

Students have likewise shown interest by enrolling in classes concerned with boy life and methods of working with boys. A class was conducted on "Boyology," by Dr. R. A. Waite, formerly of the international committee on boys' work, and a second group was led in a discussion of "Boy Life and Problems." During the first semester twenty-five students enrolled in a scout masters' class under the direction of F. E. King, boys' secretary for scout leadership both among the boys of Lincoln and with the boys over the state in view.

Marguerite Munson, '19, went to Aurora Saturday.

### Y. M. C. A. Leaders Tell of its Work

"If the oft-quoted statement, 'two per cent of the world's population and sixty per cent of the world's leaders are college trained men,' is true, and in all probability it is a fair estimate, the economic worth of the college man may be approximated. Add to this the fact that the ideals held by the world's leaders are reflected to a large degree by those coming in touch with their influence; then add to this the fact that the Young Men's Christian association is founded upon the highest ideals of morals and faith, and estimate for yourself the real value of the association in a university community. The University of Nebraska association stands before you without apology. It asks your assistance and co-operation in the great work. If you believe there is a work to do and that the association is endeavoring to do that work, then you are the man to jump in with all your energy and help to do a bigger and better work than has ever been accomplished."—J. D. Hoffman, chairman, advisory board.

"Among the organizations of our University, the one which is most worthy of existence is that one which has for its objective and which de-

votes its entire energy to the aid of its members in attaining that objective. It can easily be said that the Young Men's Christian association is such an organization and I hope that it may ever keep this position."

—C. S. Holcombe, President '16-'17.  
"The University Y. M. C. A. stands for the highest and best things which life affords. It seeks to further the greatest cause on earth—the bringing of men into fellowship with the life of Him whose influence has ever been, and will always be, a most powerful factor in the attaining of true success and happiness. The association desires to serve University men, and feels that the ideals which it strives to represent should more and more become inherent in the life of every man."—Ray Cowen, President, '17-'18.

## OLUS SHIRTS

**TURN YOUR SHIRT-TAILS INTO DRAWERS**  
What good is a Shirt-tail anyway?

**IN OLUS the outside shirt and underdrawers are one garment.**

This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "stay put," to say nothing of the comfort and economy of saving a garment. OLUS is cost cut, opens all the way down—closed crotch, closed back. See illustration.

For golf, tennis and field wear, we recommend the special attached collar OLUS with regular or short sleeves. Extra sizes for very tall or stout men. All shirt fabrics, in smart designs, including silks—\$1.50 to \$10.00.

OLUS one-piece PAJAMAS for lounging, resting and comfortable sleep. Made on the same principle as OLUS shirts—cost cut, closed back, closed crotch. No strings to tighten or come loose. \$1.50 to \$8.50.

Ask your dealer for OLUS. Booklet on request.
