CORNHUSKERS READY FOR DIS-

TRIBUTION AFTER SOME DELAY

in Detail

Distribution of the 1917 Cornhusker

will commence at 1 o'clock today at

the student activities office.

## OPENS CAMPAIGN FOR RED CROSS

CAUSE IS SET FORTH AT CONVO-CATION YESTERDAY

W. E. Hardy, A. E. Burton, Organizer, and Professor Pugsley, Outline Plan for Student Help

The campaign for membership in the American Red Cross in the University opened yesterday with a special Convocation. Representing the society were one of Nebraska's former students, W. E. Hardy, chairman of the Lincoln chapter, and A. E. Burton, national organizer of Denver. Prof. C. W. Pugsley, director of the department of extension, explained the food situation over the country and made an appeal for economy.

Mr. Hardy, the first speaker, expressed confidence that the University would respond liberally to the request of the Red Cross. "It is just as patriotic, as essential to good citizenship, for the girls of the University to buy a Red Cross button and wear it, as it is for the men who can, to enlist,"

DANCING AND INDIAN CLUB SWINGING MEET IN GYMNASIUM TOMORROW

An aesthetic dancing and Indian club swinging meet will be held in the MISSOURI VALLEY CONFERENCE gymnaisum tomorrow afternoon at 3 o'clock under the auspices of the physical education department. The meet is open to all interested. Entries in the contest will be re

ceived until tonight. Participation will count 50 points toward membership in the woman's athletic association.

FIRST JOURNEY OF TRAINER WITH TRACKMEN SINCE 1909

Nebraska's Chances Not Considered Rosy in Valley Meet, Although Little Is Conceded

Jack Best, Nebraska's veteran trainer is to make the trip to Ames with the track team tomorrow. This will bour that the conference will take no he declared. "Nothing is so essential be the first trip Jack has taken with definite action on the question, but to the welfare of our Nebraska boys the track team since 1909, the year will postpone it until future develop- his students." on the field as the Red Cross. QUESTION OF FALL ATHLETICS IS UP AT 1 O'CLOCK TODAY

WILL DECIDE IT AT AMES

Nebraska Stands for Continuation of Book Compares Favorably With Those of Recent Years-is Complete Relations so Far as Condi-

#### tions Permit

The question of the continuation of athletics in the Missouri valley conference next fall is one of the things which is expected to come up at the annual meeting of the conference at Ames Friday.

Prof. Grove E. Barber, Nebraska's representative, who leaves tomorrow for Ames, will take from Nebraska a stand unqualifiedly for the continuation of all athletics so far as possible. Dr. E. J. Stewart, director of athletics, and members of the athletic board have expressed their endorsement of athletics in war-time and their belief that every effort should be made

## Expects no Definite Action

to keep the system intact.

It is the opinion of Professor Baruniversities and colleges next fall may be better or worse than they are right

Individual institutions may take some action on their schedules, Provalley colleges have been hard hit by enlistment and may see fit to drop their schedules. Nebraska, however, will never do this, it is believed.

The present situation in eastern colleges, where athletic heads are lamenting their hasty action in abandoning intercollegiate contests, is taken at Nebraska to be an example of what the weakening of the system of ath-

required event in Big Nine meets.

elapsed since it began active operation, the newly created state labor bureau with headquarters at the college of agriculture has already organized local labor bureaus in 60 Nebraska towns. Organization of additional towns is in full swing, and it is hoped that every county seat in the state may be provided with a labor bureau in a short time. The force of men who are actively promoting the organization consists of fifteen special food agents of the Burlington railroad, nine county agricultural agents working under the direction of the agricultural extension service and the United States departemnt of agriculture, and six members of the regular force of the extension service.

In some cases, mayors of towns have as others have not been: in it are the local labor bureau; and in others, comsecretaries have been given extra pay for conducting a labor bureau in addi- TWELVE MEN AMONG 275 REGItion to their regular work.

## **REGULAR ARMY WILL OFFER COMMISSIONS**

PRICE FIVE CENTS

WAR DEPARTMENT MAKES SPE-CIAL PROVISION FOR COLLEGIANS

Those Not Called to Fort Snelling May Take Examination for Provisional Second Lieutenant

Students who failed to get the call to report at Fort Snelling still have a -chance for commissions, according to a letter to Chancellor Avery from Captain James F. McKinley, of the Omaha recruiting station. By a recent ruling of the war department, it is possible for college graduates or a student in a recognized college to take the examination for a commission as provisional second lieutenant in the regular army immediately upon enlistment or any time thereafter. Heretoice was necessary.

The mental examinations differ, depending upon whether the applicant is a graduate or student, and are divided into two groups, as follows:

Group 1. U. S. history and constitution; English grammar and composition; geography; general history, arithmetic; algebra; geometry, plane; trigonometry, plane.

Group 2. English and American literature; French, German, Spanish; analytical geometry; minor tactics and field engineering; surveying.

### The Requirements

All candidates who are not graduates will in general be required to take all of group one and any one subject of group two. Graduates are exempt from group one, but will take two subjects in group two, not more than one of which may be a foreign language.

STERED FOR COURSES

Eleven Laboratories Will Be Employed This Evening-Class List Posted in Library

Two hundred sixty-three co-eds and twelve men are registered for the course in canning which will be given at the state farm beginning today. Eleven laboratories will be used by the class this evening. Three of them will be in the homes of faculty members, five in the home economics building, two in the stock judging pavilion and one in the soils laboratory. The laboratory work will begin promptly at 7:30 o'clock.

A complete class list, showing the laboratory to which each student has been assigned is posted in the library. The canning campaign is general over the state and all state schools will offer courses at the places where they are located. Teachers from the Lincoln city schools, and from Wesleyan will be among instructors who will have charge of the work at the farm. It is planned to have 29 of these classes over the state in the next two weeks, beginning with Wesleyan next week.

All students enrolled in this course will be given an opportunity before the end of the session to register for summer service, in which they will teach others what they have learned
