## CO-EDS WILL PLAY FINAL SOCCER GAME TOMORROW

### Upper and Lower Classmen to Meet To Decide Season's Championship

The final game of the girls' soccer series between the upper and lower classmen will be played tomorrow morning on the athletic field. This is the third and final game and will decide the championship as both former games resulted in a tie.

This is the first year that soccer has been tried in the Physical Education department, and has proved to be a great success. Unusual interest and enthusiasm has been displayed by the girls and the sport leaders hope to continue the work in the spring.

The game tomorrow morning completes the soccer season and the basketball season will begin the day after Thanksgiving.

The lineup for Wednesday's game is, Upperclassmen—Forwards: Betty Doyle, Camille Koch, Beatrice Dierks, Blanche Higgins, Madeline Girard.

Halfbacks: Lula Mann, Helen Hewitt, Margarette Lonam.  
 Fullbacks: Edna White, Valentine Minford.

Goal Keeper: Grace Nichols.  
 Lowerclassmen—Forwards: Martha Hellner, Fay Breese, Lillian Storie, Pansy Read, Ruth McKenny.

Halfbacks: Irene Springer, Ruth and Ruby Swenson.  
 Fullbacks: Marjorie Barston, Patricia Maloney.

Goal Keeper: Jeanette Thornton.

## ALUMNI NEWS

Celia Harris, '09, is working in the publicity department of the Red Cross in New York City. Miss Harris was a prominent member of the English club of the University of Nebraska.

W. C. Chapin, '16, who is working on the Bureau Standard, Washington, D. C., visited the alumni office Monday. He was on his way to Washington state to visit his mother.

Donald Gallagher, formerly a student at Nebraska, is now attending Cornell University. In his letter to the alumni secretary he states that his brother, Edward M. Gallagher, '13, Yale, '15, is now balloon pilot in the government school at San Antonio. He also states that he has seen Syracuse play football several times and that they have a wonderful team, but he predicts a Nebraska victory.

J. Harry Winstrom, '16, writes that he is now superintendent of the public schools in Farragut, Iowa. He said that their school held the three first places in a county essay contest on Food Conservation, and that he feels justly proud of their schools.

## ACHIEVEMENT

Twenty-five years ago the General Electric Company was founded.

Since then, electricity has sent its thrill through the whole structure of life.

Eager to turn wheels, to lift and carry, to banish dark, to gather heat, to hurl voices and thoughts across space, to give the world new tools for its work—electricity has bent to man's will.

Throughout this period the General Electric Company has held the great responsibilities and high ideals of leadership.

It has set free the spirit of research.

It has given tangible form to invention, in apparatus of infinite precision and gigantic power.

And it has gone forth, co-operating with every industry, to command this unseen force and fetch it far to serve all people.

By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

## THE UKULELE

THE languorous charm of the Hawaiian native instruments—so moving in appeal, so observably in vogue—is strikingly characteristic of the Ukulele. Its tone possesses that curiously beautiful timbre, that exotic charm of tonal quality which has made these instruments so sensationally popular.

The Ukulele has a pleasing grace of form. The finer models are made of genuine Hawaiian Koa wood. It is much in request today among the smarter college and other musical organizations.

It is easy to learn. Its price includes an Instruction Book.

### Hawaiian Steel Guitar

Every chord struck upon this typically representative Hawaiian instrument is marked by a weird, plaintive harmony and strangely beautiful qualities of tone. It brings, to any music, qualities full of vivid color and varied charm.

Price \$8.00 and upwards, including Steel and set of Three Thumbies for playing, and Instruction Book.

Catalog on application.
