PRICE FIVE CENTS

TWO HUNDRED CO-EDS WORK FOR RED CROSS

Make Bandages in Nebraska Hall and Masonic Temple

CHORUS MEMBERS HELP

Rooms Open All Day and Girls Are Urged to Give Every Hour They Can Spare

Over 200 girls worked at the University Red Cross rooms yesterday. This is a big increase over Monday and Tuesday but it is hoped that even more will come in.

The statement in yesterday's Nebraskan that only fifty girls had turned out for the Red Cross work in Nebraska hall was somewhat misleading since those in charge have announced that many worked Monday and Tuesday at the city Red Cross rooms at the Masonic Temple. Many who cannot find time to work during the day can give a part at least of their evening to this work. The University rooms are open until 5 o'clock.

The girls are engaged chiefly in making two-by-two surgical dressings. Eleven hundred were made by the fifty girls who worked on Monday. Men are wanted for this work as well as co-eds though none of them have appeared as yet. The dressings are easy to make and the work is pleasant. Those who cannot work a long time are requested to come anyway as they can accomplish much in a short time.

The Red Cross rooms in N-202, are open from 9 until 5 o'clock every day. The city Red Cross rooms at the Masonic Temple are also open in the evening until 9 o'clock.

Mrs. Carrie Raymond has asked the chorus to report at Nebraska hall 202 Friday to do Red Cross work instead of practicing as usual.

Credits at Harvard

All students at Harvard, who are entering the training camps, or other branches of government service, are to be allowed to take their mid-year examinations early in order that they may not sacrifice their college credit. Since the war began the enrollment has fallen off more than 65 per cent.

SPRINGER IS BUSINESS MANAGER OF NEBRASKAN

Publication Board Made Choice Yesterday to Fill Vacancy Left by George Driver

M. L. Springer, '19, was elected business manager of The Daily Nebraskan for the remainder of the semester, yesterday noon at a meeting of the publication board. C. E. Joanson, '19, was appointed assistant business manager. The selection of a new staff at this time was occasioned by the enlistment of George Driver, '19, in the University base hospital unit.

Driver will remain in the University until he is called by the government, and it is possible that he will be able to finish the semester. Driver is giving up his work on the Y. M. C. A. employment bureau and on The Nebraskan, at the advice of Dean Engberg, who has deemed it necessary for all men of the University that are going into the army, to give up all outside work and devote all their time to school studies.

Merrill Vanderpool resigned from his position as business manager of the Cornhusker last week. Vanderpool has already left school. Applications for the business management of the Cornhusker will be received from now until 10 o'clock next Monday. The publication board will meet on Monday noon and choose.

John L. Clark, '05 Visits University

Second Lieutenant John L. Clark, '05, of New York, visited the University yesterday on his way to Leon Springs, Texas. He was commissioned at the Plattsburg, N. Y., Reserve Officers' Training camp in the infantry division of the national army. Mr. Clark, whose home was in Lincoln, has been practicing law in New York, since his graduation from the Harvard law school in 1909. He was

on the University's debating team against Washington university in 1904. His avocation is chess. He won the Nebraska state championship three years in succession; was chess champion of the Boston Chess club, and he was on the Harvard teams against Yale and on the Harvard-Princeton cable team that competed with Oxford and Cambridge universities, England, ex-1907.

Defense Council Proposes Oath for Foreign Born

The state council of defense is very earnestly urging upon the foreign-born citizens of Nebraska the loyal support of the government of their adoption. The following oath which they took when they were admitted into the family of citizens of the United States places large responsibility upon those who have assumed the obligations which are covered by it. We ask the weekly press of Nebraska to carry on their pages this oath and to urge upon their readers the absolute necessity of strict fidelity to the government:

"I hereby declare on oath that I absolutely and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state or sovereignty and particularly to..... of whom I have heretofore been a subject; that I will support and defend the constitution and laws of the United States of America against all enemies, foreign and domestic; and that I will bear true faith and allegiance to the same."

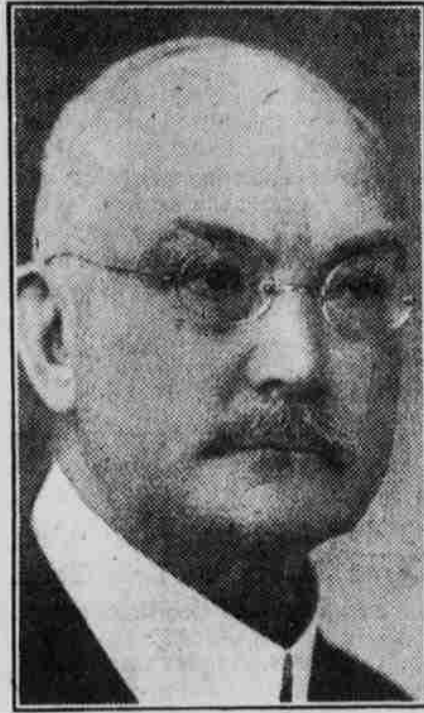

NEBRASKA STATE COUNCIL OF DEFENSE.

George Coupland,
Vice Chairman.

NATIONAL CONGREGATIONAL SECRETARY TO SPEAK HERE

Dr. H. C. Herring at Special Pilgrims' Convocation Monday Forenoon

At 11 o'clock next Monday morning, in the Temple theatre, a special convocation will be held to commemorate

DR. H. C. HERRING

the landing of the Pilgrims at Plymouth, 297 years ago. Dr. H. C. Herring will be the speaker. (Continued on page three.)

Telegraph Courses at Texas

Courses in radio telegraphy and military signaling will be given at the University of Texas for the benefit of all men who are subject to the draft and who expect to be called into service soon. The work is given at the request of the government to fill the need for 15,000 men with signal and radio experience.

DEAN FREDERICK KELLEY OF KANSAS COLLEGE EDUCATION VISITS TEACHERS' COLLEGE

Dean Frederick Kelley of the college of education of the University of Kansas has just made a visit to the teachers' college of this University where he made a careful study of the plans in operation for practical training school. Dean Kelley is establishing in the teachers' college demonstrating a training school in the University of Kansas on the same plan as the one that is in operation now.

French Table at Colorado

One table in the girls' dancing hall at Colorado college will be set aside as a French table. Nothing but French will be spoken and only those who have had more than one year of the language will be allowed to eat at that table.

Texas Women to Debate

Women students in the University of Texas have formed a debating organization, and will hold a series of formal debates in the near future. The members of this debating society hope to have two or three intercollegiate debates with women students representing Baylor and Southwestern next spring.

VARSITY AND FRESHMAN. CONTINUE SCRIMMAGES

Several Places Still Open on Basketball Squad

WRESTLERS START WORK

Coach Otoupalik Preparing Mat Artists for Meets with Iowa, Ames and Kansas

The freshmen continued to make hard work for the varsity in the third scrimmage between the two teams in last night's basketball practice. Although considerably outweighed, the first-year men succeeded in breaking up not a few of the varsity's formations, and in pulling off a few clever plays themselves.

There is still a great demand for candidates for the varsity and freshman teams. Last night there were only about twenty-five men on the floor. Coach Stewart wants over twice that number out. There are some men in school who have a place on the regular squad awaiting them, if they will only get out and practice regularly. The freshman squad is also badly in need of men. The prospects for a successful team this year are not particularly bright, under any conditions, and such a team will be an impossibility if more men are not out for regular practice.

The varsity players last night were Thomas, Jackson, Gerhart and McMahon at forward, Hubka and Munn at center, and Schroeder, Anthes, Strohmmer and Eldridge at guard. Bekins and Neumann did the best work for the freshmen.

Wrestling Work Begins

While Coach Stewart is at work on the basketball squad, Hugo Otoupalik, last year all-western wrestler in the 175-pound class, is developing the wrestling squad for this year. So far about thirty men are on the squad, but over twenty more are expected out soon. Some good material has been uncovered, and the team is expected to hang up a good record for the season. The schedule for this year is now being arranged, and will include matches with Iowa, Ames, Kansas and possibly other schools. The all-western meet this year will be held at Chicago.

CHRISTMAS PARTY COMMITTEE HOOVERIZES

Nuts and Apples Instead of Candy for Refreshments Saturday Evening

Not candy, but nuts, apples and other "Christmas" refreshments will be given away at the All-University Christmas party Saturday evening. The committee decided that there would not be candy for every one as formerly because of the conservation of food this year. There is, however, a surprise in store for every one.

Only the chapel is to be decorated. It will be filled with Christmas greens and there will be a couple of Christmas trees. Everything will show the Christmas spirit.

The committees are planning on one of the largest crowds of any All-University party this year and there will be an entertainment to suit the taste of everyone.

CONVOCATION

Prof. Edouard Hesselberg of the University school of music, will give a piano recital at convocation this morning at 11 o'clock in the Temple theatre. Professor Hesselberg has been in Lincoln, instructor of piano at the school of music, for only the last few months.

Besides two selections written by Professor Hesselberg, his program includes the Sonata Appassionata by Beethoven and two selections from Chopin.

The program:
