FOOTBALL MEN PLAN TO BRIBE WEATHER MAN

Hope for a Few Warm Days to Display New Sweaters

Football men are praying for warm weather for the next few days. No, they do not want to practice the gridiron game, it is merely because the new sweaters have come and they will want to wear their coats wide open so that all their friends can see the big "N" in the middle.

Sophomore members of the team will be excused for the next few days if they seem a little self-important and fail to recognize their old friends. Their conduct will be easily explained by the presence of the honor emblem glaring from their "manly breasts."

Coach Stewart delivered a lecture to most of the men who entered his office yesterday to ask for their sweaters. "You fellows don't realize the meaning of these sweaters at all. Believe me if I won one of these I would wear it without my coat if the weather permitted. Go ahead and wear them around the campus without coats, that's what you got them for. If your ashamed of them we'll not have any next year."

When one of the gridiron warriors stepped into the office and shouted: "I hear the football sweaters have come, Doc, where are they?" the coach replied without a smile: "Yes, there here alright, but they're only meant for the football players."

Night School for Art Students to Begin Soon

The night are school, open to the general public, will begin the first of January. Classes will meet three evenings each week, on Mondays, Tuesdays and Thursdays, at 8 o'clock. Prof. Blanche C. Grant, associate professor of drawing and painting, will direct classes. Dwight Kirsch, '19, will assist Professor Grant.

The course will continue for three months. The fee is \$4. Last year a similar course was offered by Professor Grant and the work proved so popular that the department has decided to continue it this year. Anyone who wishes to draw may register for the course. Registration may be made by a card or letter to the art department.

Tegner Society Entertained at Home of Dean C. C. Engberg

The Tegner society had a very delightful Christmas program at the home of Dean Carl C. Engberg, Saturday evening, December 15. The following program was rendered:
Christmas in Denmark.....
Cornet SoloHazel Nelson
Christmas in Norway..Ann Knutzen
..... Caroline Nielson
Christmas in Sweden...Edna Stowell
After the social hour typical Swedish refreshments were served. A beautiful "smorgasbord" loaded with various kinds of "ost," "sill," "korf," "salat," etc., graced the center of the dining room.
Before the meeting closed the Christmas tree was lighted, and little Charlotte Engberg sang "Silent Night" in Swedish.

Bradley
KNIT WEAR

"Cum Laude" Sweaters

Funny how ubiquitous a sweater is. From matriculation to graduation its uses are multitudinous, its paths devious. And how nomadic, too. The athlete's luxurious shaker, proudly alphabetted, migrates from "stude" to co-ed, from frat house to girl's dorm. If it's a Bradley, it abides there. Ask for them at the best shops. Write for the Bradley Style Booklet.
