

THE DAILY NEBRASKAN

VOL. XVII, NO. 72.

UNIVERSITY OF NEBRASKA, LINCOLN, WEDNESDAY, JANUARY 2, 1918.

PRICE FIVE CENTS

SECRETARY LANE WILL SPEAK IN LINCOLN

Is One on Program at the War Conference January 18-19

SECURE EMINENT BRITON

Sir Frederick Smith, Attorney General of England, Will Address the Mass Meeting.

The program of the Nebraska War Conference, and the convention of the Nebraska Four Minute Men will be held in Lincoln at St. Paul's church, January 18 and 19, being arranged by the bureau of speakers and publicity of the Nebraska State council of defense, of which Professor M. M. Fogg is the director.

Secretary Franklin K. Lane, of the United States Department of Interior, has been secured by Professor Fogg to speak at the convention. It is a difficult matter at this time to get members of the cabinet away from their many duties at the capitol, and the opportunity of hearing Secretary Lane, who is considered by many to be one of the most influential men at Washington, is a great privilege to the people of Lincoln. Sir Frederick E. Smith, attorney general of England, and recently arrived in America with the British War Mission, is the second renowned speaker obtained by Professor Fogg to address the mass meeting at St. Paul's church, Friday evening, January 18.

Two other eminent speakers, whose names have not yet been made public, will be sent from Washington to speak at the main meeting of the convention, to be held on Saturday, January 19, 1918. Several section meetings during the two days are being arranged by the bureau associated with which is the state committee. The names of the speakers will be published tomorrow.

Prof. Grumann Discusses Teaching of German

An article on "Problems of the Elementary German Course," by Professor P. H. Grumann, director of the school of fine arts and professor of German here, appears in the last December issue of The Modern Language Journal. This journal is published monthly by the federation of modern language teachers' association.

Professor Grumann points out in his article the fact that the old prescribed curriculum, with its Latin and Greek, is being gradually abandoned and that as a result the modern languages must supply the classical instruction formerly received through the Latin and Greek. Professor Grumann also advocates the correlating of German with Latin and English, instead of isolating it as many teachers do.

TELEGRAPH SCHOOL SENDS FOUR MEN INTO SERVICE

Department Receives Additional Equipment—Enrollments Increase Daily

Four recent enlistments by students in the University telegraph school, have been reported by Mr. W. M. Herbert, director. In another week four more men will be ready.

The enlisted men are as follows: D. J. Hileman, enlisted at the balloon school, Omaha.

Paul H. Hogman, enlisted at Fort Logan, Colorado.

Arthur Walker, enlisted at the Great Lakes Naval Training school.

Walter S. Beeman, enlisted, and will be called soon.

Since December 15, there has been an increase of twelve new students in the school, making a total enrollment of 68 students. New supplies which have been ordered for some time, and which are expected to arrive any day, will make it possible to accommodate a much larger number of students, than are at present taking the course.

The supplies include new buzzers and radio equipment.

Mr. Arnold Klug, who has been added to the teaching staff is giving lectures on radio equipment, construction, and operation. The staff is now composed of four instructors, and the work is being carried on with great speed and efficiency.

William Randall, '14, and Florence Hill were married in Lincoln last Saturday. Randall, who is now practicing law in Omaha, was twice president of his class at the University. He was a member of the Kosmet club. Miss Hill, who also attended the University, is a member of the Chi Omega sorority. Mr. Randall is a member of the Sigma Nu fraternity.

WHISKBROOM PROMISES A KNOCK FOR EVERYONE

New Girls' Magazine to Be Ready for Students in Short Time

Brickbat or bouquet—either way it strikes people they will want a "Whiskbroom" to remove cobwebs lurking here and there in self-satisfied corners of their cranial cavities. All the choicest bits of gossip—will be printed and it is predicted that quite a cloud of dust will be raised.

John will get a copy because it makes his hat a size larger, Helen will get one because it dwells on the besetting sin of her best enemy, Mildred will get one to send to Dick at camp, and Betty will buy one because, although it steps on her toes pretty hard, she has a good sense of humor.

The day "Whiskbroom" comes out, the first part of February, will resemble April Fool's day—half the school scowling over how they have been joked with and the other half laughing at them.

This publication, the Girls' Book, which is gotten out by the members of Theta Sigma Phi, the journalistic sorority, is distinctly a local magazine, containing poetry, prose and blank verse. It will be sold for 50c and subscriptions may be given to the members of Theta Sigma Phi or left at The Daily Nebraskan office.

PATRIOTIC LEAGUE PLANS "WAR DINNER" FOR FRIDAY

All Faculty Members Urged to Attend—Will Discuss Peace Proposals

The faculty division of the Patriotic League of the University will give a "War Dinner" at the Temple on Friday evening, January 4, 1918, at 6:15 o'clock. All members of the faculty and administrative force, with wives and husbands, are invited to be present, whether members of the league or not.

Peace proposals will be the topic of the after dinner discussion. The price of the dinner will be fifty cents a plate. Tickets to the "dinner" must be secured at the Students' Activities office, or from Allen R. Beach at the Farm finance office, by Thursday noon.

DRAFTED MEN MAY ENLIST IN NAVY

The following instructions issued to the local exemption boards from the office of the Provost Marshall allows drafted men of Class 1 to enlist in the Navy at the present time.

1. Section 151, S. S. R., does not prevent registrants who may be placed in Class 1 from enlisting in the Navy or Marine Corps, after December 15, 1917.

2. A registrant who has been classified in Class 1 may enlist in the Navy if his liability order number is such that he is not within the current quota of his Local Board under a present call.

3. "All officers and enlisted men of the Naval Militia, Naval Reserve," etc., are in the Naval Service of the United States. See Note 3 to Rule XII. at page 40, S. S. R.

The provision of sub-paragraph (a) Section 151, S. S. R., means that any registrant may enlist in the Navy or Marine Corps after December 15, 1917, upon the presentation of a Recruiting Officer of a certificate showing that his order number is so low (whether he may be in Class 1 or in a deferred class), that he is not within the cur-

rent quota of his local board under a present and existing call. (From opinion rendered December 6, 1917, by J. S. Easby-Smith, Major J. A., Assistant Executive Officer, War Department, Office of the Provost Marshall General, Washington, D. C.)

Alpha Sigma Phi announces the pledging of Byron Hunter, '19, of Fremont.

E. H. Dunnaway of Ogden, Utah, is spending a few days at the Alpha Sigma Phi house before leaving for the Third Officers Training camp.

Sergeant Forrest Larson, ex-'19, now stationed at Camp Pike, is visiting at the Sigma Nu house.

ODELL TO SPEAK AT DAIRY CLUB MEETING

Interesting Series of Programs Planned for the Rest of the Year

The first of a series of meetings of the Dairy club which have been arranged for the first Thursday evening in every month, will be held January 3 in the Dairy auditorium. Mr. Frank G. Odell, president of the Farmers Loan Bank at Omaha, will give a talk on "The Relation of Farm Loans to Agricultural Students."

A very instructive program has been outlined by the University Dairy club for the meetings for the remainder of the school year. It is the plan of the club to make Thursday evening of each month "Dairy Club Night."

The meeting Thursday evening is open to the public, and an especial invitation is issued to students who are interested.

At the last meeting of the Dairy club it was decided to purchase a service flag, to be hung in the Dairy Industry building. There will be fifteen stars, to commemorate the members who are now in the service.

The Christian Science society will meet in Music hall, Temple, Thursday evening at 7:30 o'clock. Students and faculty are invited to attend.

HUSKER BASKETBALL IS LOOKING UP

Cripples Back in Game at First Session After Recess

FRESHMEN BEST IN YEARS

First Year Squad Shows Remarkable Form in Scrimmages with the Varsity Squad

With the resumption of basketball practice after the holiday vacation, Nebraska stock has taken a slight rise. More men are out, some of the cripples are getting back into the game, and candidates are showing a little more form than previously.

At yesterday's practice there were more men out than at any other session this year. Coach Stewart had material enough to form three varsity and two freshman teams, and for the first time was able to give the squad the proper kind of a workout. Schellenberg's injured foot has healed, and he will be out for practice regularly. Schroeder, one of the most promising candidates, who was thought to be out of the game for some time to come, was on the floor again, although he did not participate in any scrimmage.

The freshmen continue to have the edge on the varsity in scrimmage. The first-year men have one of the best freshman teams in the history of the school, and are drubbing the varsity consistently. Friday night of this week they will go to Crete to play Doane academy, in accordance with the new ruling of the Missouri Valley conference to the effect that freshman teams be allowed to make out regular schedules. While little is known of the strength of the Doane team this year, it is believed that the Nebraska freshmen will be able to give a good account of themselves.

The men who were played on the first varsity team yesterday afternoon were Jackson and Schellenberg at forward, Hubka at center, and Adkins and Kellogg at guard.

FOUR-MINUTE MEN WILL HAVE CONVENTION JAN. 19

The convention of the Nebraska division of Four Minute Men of the United States committee on public information has been called by Professor M. M. Fogg, state director, to be held in Lincoln at the time of the War Conference, January 19, 1918.

At this time there are 161 Nebraska cities and towns organized under the supervision of Professor Fogg. These official Nebraska speakers of the government, in moving picture theaters, number at present over 1,000 men. In the entire country there are 19,000 speakers. Nebraska has one-nineteenth of the speakers of the whole country. It is forecasted that when the next official report of the head council at Washington is issued, Nebraska will stand first in the number of Four Minute Men in the field.

A representative of the division will be sent by Washington to speak at the conference to be held January 18 and 19.

CAMP PICKS COOK AND RASMUSSEN

Cook Named Among Quarterbacks of Season—Rasmussen on First Service Team

Johnny Cook of this year's Cornhuskers is the Nebraskan whose claim for recognition reached the ears of Walter Camp, traditional chooser of "All-American" football eleven. He is mentioned among the leading quarterbacks of the season in an article in Collier's for January 5.

Camp picked no official college eleven, but selects three service eleven instead, listing on them former college stars in the training camps. Johnny Rasmussen, a Cornhusker substitute, of '15, is placed at end on the first eleven.

In place of his first, second and third "All-American" eleven Camp compiled a list of players who had received especial mention in their own sections, arranging them under their positions. Cook is the only Missouri Valley man on the roll.

University of Nebraska's Roll of Honor

Nebraska's Honor Roll today contains the "N" and "O" names and a part of those beginning with "P" Anyone knowing of men who are not listed here or of whom the University has had no previous record will leave their names with Miss Annis Chaikin, alumni secretary. Be sure to give the complete name, address and the year in the University at the time of the persons withdrawal.

Neal G. H., 356th Infantry Ambulance company, Camp Funston, Kas.
