ACHIEVEMENT

Twenty-five years ago the General Electric Company was founded. It has set free the spirit of research. It has given tangible form to invention, in apparatus of infinite precision and gigantic power. And it has gone forth, co-operating with every industry, to command this unseen force and fetch it far to serve all people. By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

KNIT WEAR

"Cum Laude"
Sweaters

Funny how ubiquitous a sweater is. From matriculation to graduation its uses are multitudinous, its paths devious. And how nomadic, too. The athlete's luxurious shaker, proudly alphabetted, migrates from "stude" to co-ed, from frat house to girl's dorm. If it's a Bradley, it abides there. Ask for them at the best shops. Write for the Bradley Style Booklet.
