THE UKULELE

THE languorous charm of the
 Hawaiian native instruments—so
 moving in appeal, so observably
 in vogue—is strikingly characteristic
 of the Ukulele. Its tone possesses that
 curiously beautiful timbre, that exotic
 charm of tonal quality which has
 made these instruments so sensation-
 ally popular.

The Ukulele has a pleasing grace of
 form. The finer models are made
 of genuine Hawaiian Koa wood. It
 is much in request today among the
 smarter college and other musical
 organizations.

It is easy to learn. Its price includes an
 instruction book.

Hawaiian Steel Guitar

Every chord struck upon this typically rep-
 resentative Hawaiian instrument is marked
 by a weird, plaintive harmony and strangely
 beautiful qualities of tone. It brings, to any
 music, qualities full of vivid color and var-
 ied charm.

Price \$2.00 and upwards, including Steel and Set of Three
 Thumbes for playing, and instruction book.

Catalogs on application.

 Nunes genuine Hawaiian make,
