

THE DAILY NEBRASKAN

VOL. XVII, NO. 124.

UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY, APRIL 9, 1918.

PRICE FIVE CENTS

URGENT CALL SENT NEBRASKA WOMEN

Red Cross Asks for Volunteers
for Foreign Service

A LARGE FIELD 'OPENED

Will Send Nurses in Three Branches
of Service to France, Belgium and Italy

An urgent demand for women volunteers for foreign Red Cross service has been received from Washington by state headquarters at Omaha and the plea has been sent on to the University women by the state director. There are three branches of the service that are open—the canteen service, the social service and the clerical service, and the volunteers will be sent either to France, Belgium or Italy.

The state office points out that there are undoubtedly some young women in the University who would be more than glad to render some service of the above character and asks that any of those who so wish address the Nebraska state office, Wead Building, Eighteenth and Farnam streets, at once. Statements of the qualifications for the various branches of the service are listed below. The women must be in good physical condition and able to withstand any hardships which they may meet abroad. It should be noted that no women can be accepted who have husband, father or brother in the service of the army either in this country or abroad.

Representative at Omaha
Mrs. Joseph M. Cudahy of the central division of the American Red Cross will be at the state office Wednesday, April 10, and should any applicant desire to meet and discuss the matter with her they may do so at that time. Or if not convenient to make the trip, the application may be forwarded to the office and will be considered by Mrs. Cudahy.

Following are the qualifications for the various branches of service.
Requirements for Applicants for Clerical Service in Europe
Must be between 25 and 40 years of age.

Must have robust health, certified to after examination by a physician designated by Red Cross.

Must be free from all German or Austrian connections, by birth and marriage.

Must not have a husband, brother, father or son in U. S. service either here or abroad.

CO-EDS HOLD MINOR

SPORT CONTESTS TODAY

Eight are Entered in Dancing
Event and Six Will Compete
for Indian Club Title

The W. A. A. minor sports contests, contests in aesthetic dancing and Indian club swinging, will be held at 3 o'clock this afternoon in the large gymnasium. There are eight entries for the dancing contest, which will include the Indian swinging club contest.

The judges for the dancing are: Mrs. R. D. Scott, Elois Hills, of Boston, now connected with the city Y. W. C. A., and one other not secured definitely last evening. Dr. R. G. Clapp will judge the club swinging.

The patronesses are Professor Marguerite McPhee, Dr. Louise Pound, Mrs. R. G. Clapp, Mrs. E. J. Stewart, Mrs. J. N. Gerard and Mrs. T. J. Doyle.

Students are invited to attend the contests.
Admission will be free.

ME YUNG TING HAS GOOD WORD FOR NEBRASKA

The following is a part of a letter written by Miss Me Yung Ting, who visited here during the Nebraska-China campaign, to a friend in Minneapolis:

"Dear Friends,
"I just came away from Nebraska University. How I wish that you

could have been there to share the inspiration that I received on March the twentieth. This was called Nebraska-to-China Day. I left Nebraska University with a firmer determination and a high ambition, a nobler purpose and a more elevated soul, because the women students of that great institution of learning are laboring for the welfare of my sisters across the waters. Some gave energy and ability, others gave material gifts. All gave toward one cause, namely, that of sharing their abundant life with their less-fortunate sisters."

"Girls and Industry" Is Vesper Subject

Miss Helen Avery, industrial secretary of the city Y. W. C. A., will speak at Vespers Tuesday afternoon at 5 o'clock in Y. W. C. A. rooms in the Temple. Her subject will be "Girls and Industry." Eleanor Fogg will preside. There will be special music.

TROENDLEY TO ENTER NATIONAL TOURNEY

Will Be Nebraska's Only Representative
in Wrestling Meet
at Chicago April 12

Nebraska is to have at least one representative in the big national amateur wrestling tournament which will be held under the auspices of the Chicago Athletic Association in that city April 12 and 13. Harry Troendley will make the trip and is entered in the 125 pound class. He will leave Lincoln for the Windy City tomorrow and will stop off at Des Moines, where he will pick up Hugo Otonpalik, who is with the Nebraska Base Hospital Unit, and who is entered in the 175 pound class. "Otte" however does not go as the representative of Nebraska, but will be sent from the Y. M. C. A. of Gary, where he holds the title in his class.

Troendley made a very creditable showing at the dual meet with Ames a few weeks ago, and easily won his class in the all-University meet here. He is in excellent physical condition and is pinning all his hopes on winning the big honors at Chicago.

XI DELTA ANNOUNCES ANNUAL PLEDGE LIST

One Member Now Chosen
From Student Body in Addition
to Former Members

Xi Delta, women's honorary sophomore society corresponding to Iron Sphinx, the men's sophomore society, now has an annual membership of seventeen instead of sixteen as formerly. Before this year there has been a representative from each sorority and the Palladian and Union literary societies. Beginning this year there will be a girl representing the student body as a whole.

As announced Saturday the pledges are:

Helen Neiman, Delta Gamma.
Florence Wilcox, Pi Beta Phi.
Sadie Rothholtz, Delta Zeta.
Agnes Bigger, Delta Delta Delta.
Marguerite Burton, Alpha Delta Pi.
Margaret Carnaby, Alpha Omicron Pi.

Betty Sturdevant, Alpha Phi.
Dorothy Hippie, Kappa Kappa Gamma.

Helen Larsen, Alpha Xi Delta.
Lillian Anderson, Union Literary Society.

Reah Nelson, Chi Omega.
Marion Mote, Achuth.

Mabel Twarliff, Palladian Literary Society.
Jeannette Miller, Kappa Alpha Theta.

Marguerite Smith, Gamma Phi Beta.
Nellie Schwab, Alpha Chi Omega.
Ruth Swenson, student body.

General Electric Man Interviews Engineers

Mr. G. H. Pheif a representative of the General Electric Company of Schenectady, N. Y., interviewed electrical engineering seniors Monday in regard to opportunities for employment offered by his company. He is also making a proposition to juniors who want work during the three months' summer vacation. This company has been employing Nebraska University engineers for the past fifteen or twenty years.

UNIVERSITY PLAYS BIG PART IN DRIVE

Student and Faculty Division
Marches in Monster Parade

LEROSSIGNOL MAKES PLEA

Campus Campaign Begins Today—
Committees Appointed to Handle
Subscriptions From Bldg.

Lincoln marched 15,000 strong in the biggest parade in its history last Saturday, on the first anniversary of America's entrance into the war and launched the third liberty loan campaign with a burst of enthusiasm. Never have so many people of Lincoln been lined up in a single procession before. From little tots in the kindergarten to old Civil war veterans, from University sorority girls to members of the labor unions, and the Boys Scouts and R. O. T. C. cadets marched, all fired with the same patriotic enthusiasm which spread to the throngs packing the sidewalks on both sides.

Working like clockwork, everything went off on schedule time. The various divisions began to form as early as 9 o'clock and at 10 the leaders got under way, with the rest falling in as their turns came. From 11th and J streets, the parade went north to N street and turned west to Ninth, then north again to O and finally in all its glory swung down the main street to Fifteenth.

Many Unique Features

Little Warren Pershing, seven-year-old son of Major General Pershing, was in the Prescott school unit, dressed in regular army uniform with leather leggings and cartridge belt. A little fellow dressed in a sailor suit marched with his father in the line. Mothers and sisters of men in the service marched in a division and many other features stood out for special recognition. Cotner University had the goddess of liberty in a float with the devil and the kaiser in meek submission trailing along behind. What stood out the most conspicuous in the procession was the well drilled University regiment of R. O. T. C. cadets. With fixed bayonets and in regular army uniforms the three battalions, headed by the commanding officers and the band made a line three blocks long. It was a thrilling sight to see so many soldiers in perfect step march by, and that division caused much comment among the crowd.

Behind the soldiers came the Red Cross workers in a body of 200 with white and red head dress. The leaders carried a huge banner "University Red Cross Unit," and other banners appeared.

BOARD OF REGENTS ACT ON BUDGETS TODAY

Among Others Things Will Act
Upon Request of Students for
Three New Tennis Courts

"To be, or not to be—that is the question." The board of regents' meeting this morning at 11 o'clock to act on the University budget for the coming year will decide this question in the case of several propositions and plans of different departments of the University.

For some time every department of the University has been working on its budget, getting an estimate on its expenses for the coming year. Some have hopes of enlarging extensively, some call for a decrease in appropriation this year, some will remain about the same. These estimates or department budgets have been examined and checked over by the finance department and the chancellor, and today are placed in the hands of the board of regents for final action.

Among other things the proposition of new tennis courts will come up in the meeting for action.

WAR POSTERS ARE NOW
OF UNUSUAL INTEREST
See the war posters. In Art
Hall until Thursday. Sent from
Washington and Paris direct to
Prof. Blanche Grant. No admission
charge.

Scientific Program Given at Union

Union Literary Society enjoyed a very interesting meeting last Saturday night. The program was along scientific lines and the following numbers were given:

Violin Solo—C. Larson accompanied by Harold Lewis.

Chemistry and the War—Prof. O. P. Lambert of Cotner.

Sketch—"Romance of the Fair Ethyl Alcohol"—Ralph Jacobsen, Fred Jensen, J. P. Peterson, Gladysce Rohrbach.

Vocal Solo—Leota Girkins.
Reading—"The Crisis"—Frieda Egenberger.

Next Friday there will be a joint meeting of Palladian and Union societies. This will be a closed meeting.

WOMEN OF UNIVERSITY PETITION REGENTS

Five Hundred Signers Ask
Refusal to Accept Resignation
of Mrs. J. B. Lee

In protest to the resignation of Mrs. Jessie Behtol Lee, instructor of women's athletics, University of Nebraska, a petition signed by the majority of the women students of the University will be presented to the board of regents. The petition last evening had over five hundred signatures and a number of women had not had an opportunity of signing.

Mrs. Lee's resignation was made at the request of Dr. Clapp, head of the department of physical education, as the result of disagreement over the expenditure of money in the treasury of the W. A. A.

The petition follows:
"The Board of Regents,
University of Nebraska,

"We, the undersigned do respectfully petition the Board of Regents of the University of Nebraska that they do not accept the resignation of Mrs. Jessie Behtol Lee as instructor in the Department of Physical Education and that the true state of affairs in the department of Physical Education be looked into."

WINNING OF WAR IS END OF AGRICULTURE—BROWN

Regent of University Tells
Farm Graduates of War's
Compensations

"There is but one aim of agriculture today and that is to help win the war," said Regent E. P. Brown addressing the graduating class of the Nebraska School of Agriculture Friday evening. "The war and its interests was his excuse for not speaking on agriculture as has been the custom for some years at the commencement exercises.

"Some Compensation of War," was his subject. Among these he listed equal rights of men and women, modern co-operation and representative government. One of the greatest achievements of the war is the federation of twenty-three allied powers to paint one of the grandest pages of history, he said. The music was furnished by Mrs. C. E. Matson.

There were sixty-six students in the class, fourteen of the girls receiving the teacher's certificate and fourteen men receiving military commissions. This is the smallest class that has been graduated for some years due to the war. The program Friday night was the culmination of a week of gaiety for the class.

Swimming Tryouts to Be Held Thursday

Tryouts for the annual girls' swimming meet will be held at the regular swimming classes Thursday evening and Saturday afternoon this week. The classes meet in the Lincoln high school building. Eleanor Frampton, '18, is sports leader for the swimming.

The events are: running forward dive, standing forward dive, side stroke, breast stroke, Australian crawl, back stroke, two races, one the length of the pool and the other a relay race, and some fancy diving. Girls who wish to take part in the annual meet must try out this week.

DOPE SHEET GETS UPSET IN TRYOUTS

New Track Artists Give Veterans
Close Races

SECOND TRYOUT SATURDAY

Coach to be Careful in Selection of
Men for Drake Trip—Chance
for Other Men.

Notwithstanding the fact that there was a very muddy track and a strong west wind about twenty aspiring track artists donned the flappers and spikes last Saturday afternoon and took part in the first of a series of tryouts for the purpose of picking the team which will represent Nebraska at the Drake relay carnival on April 20. In spite of the fact that the track was muddy and that there was a strong wind blowing, the men made very good time and under normal conditions would in all probability have set up some pretty fast marks.

The dope for the mile was all spilled to the winds when a new man on the squad, Kretzler, stepped in and ran the distance in 4 min. and 57 sec., coming in only 5 seconds behind Graf and the star miler of the team. Byron McMahon also pulled somewhat of a surprise by walking away with the 440. Townsend easily won the 220 and Ellersback took the 880. Several of Coaca Hagar's Lincoln High athletes were on the job, trying to gain a little benefit by competition with the varsity men, and this added a little zest to the work of the team.

May Have Another Tryout

Coach Stewart is planning on a couple of more tryouts in order that he may get a good idea of the men. One of them will be held the last of this week and the other probably sometime next week as the team will leave the last of next week for Des Moines.

Coach Stewart also says that there is still plenty of room on the squad for more men and urges that every one who can will get out. Due to the fact that the military department has the athletic field from 5 to 6 o'clock every night, he requests that as many as can get out between 3 and 4 o'clock, and assures the men that they will be dismissed in time for drill.

The summary of the tryouts last Saturday follows:

100 yard dash—Finney (first); Shellenberg (second); time—10:3.

220 yard dash—Townsend (first); Stromer (second); Newman (third);

(Continued on page four)

GREEKS PLAY SERIES OF BASEBALL PRELIMINARIES

Kappa Sigma, Alpha Tau
Omega and Sigma Alpha
Epsilon are Winners

Several games of the preliminary round of the inter-frat baseball series have been run off while the men are waiting for the final schedule. The Kappa Sigs brought the Delta Taus into port by beating them in a seven inning match by a score of 5 to 3. Brown, the Kappa Sig pitcher, pulled some big league stuff by striking out about ten of the Deltas. The batteries for this affair were Brown and Hansen for the Kappa Sigs and Hubka and Thomas for the Delta Taus.

The most one-sided game was that between Alpha Tau Omegas and Phi Delta Theta when the latter were trimmed to the tune of 10 to 0. Bally and Shaw composed the staff for the Alpha Tau Omegas and Musselman, Clark and Koehler officiated for the Phi Deltas.

The other game was played between the Sig Alpha and the Phi Psis. Peterson pitched exceptional ball for the Sig Alpha, allowing his opponents to get in but two runs. DuTeau caught. For the Phi Psis the batteries were Kellogg and Thorpe.
