Louise Enochs, '19, of Sheridan, Wyo., was elected president of the University of Nebraska Home Economics club at its meeting last week. Rhoda McBride, '20, was elected vice-president; Meda Eigenbroadt, '21, was elected treasurer. The secretary will be selected next fall from the class of '22.

Kate Helzer, '18, is the retiring president of the club. The club has accomplished at its monthly meetings a number of things. About fifty dresses have been made for the war orphans.

Since then, electricity has sent its thrill through the whole structure of life.

Eager to turn wheels, to lift and carry, to banish dark, to gather heat, to hurl voices and thoughts across space, to give the world new tools for its work—electricity has bent to man's will.

Throughout this period the General Electric Company has held the great responsibilities and high ideals of leadership.

It has set free the spirit of research.

It has given tangible form to invention, in apparatus of infinite precision and gigantic power.

And it has gone forth, co-operating with every industry, to command this unseen, force and fetch it far to serve all people.

By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

Bradley
KNIT WEAR

"Cum Laude" Sweaters

Funny how ubiquitous a sweater is. From matriculation to graduation its uses are multitudinous, its paths devious. And how nomadic, too. The athlete's luxurious shaker, proudly alphabetized, migrates from "stude" to co-ed, from frat house to girl's dorm. If it's a Bradley, it abides there.

Ask for them at the best shops. Write for the Bradley Style Booklet.
