

SAMMIES TELL OF WAR EXPERIENCES

(Continued from Page One)

of life in the trenches and camps was mixed subtly with the great tragedies of life, leaving most of the listeners with greatly changed conceptions of the men who are fighting "over there." Sergeants Stephens and Haven will be in the state for two weeks, while they will speak at patriotic gatherings throughout the country. So far Professor Fogg has received requests for their services from 191 towns. Only about half that number can be accommodated. Today they will leave for Seward and Weeping Water to start their campaigns. It is expected that as they speak at the different towns the demand for them will be even greater than now.
