**OFFICIAL ORDERS TO OLD  
REGISTRANTS**

All men who registered before Sep-  
tember 12 and have subsequently been  
placed in class 1, will not be allowed  
to enlist in the S. A. T. C. However,  
the question is not fully decided. It  
appears that Washington is not clear  
on the matter. One order from Cap-  
tain MacIvor says one thing and an-  
other received by Chancellor Hastings  
on the same day seem to contradict it.  
Here are the orders:  
Commanding Officer of the S. A. T. C.  
issues the following:  
To clear up status of men who reg-  
istered in June, 1917, June, 1918, and  
August 24, 1918, all such men who de-  
sire induction into the S. A. T. C.  
are notified that any registrant of the  
above dates who was put in Class 1  
and certified for general military ser-  
vice will not be eligible for induction  
into the S. A. T. C.  
The following is a response to a  
telegram sent by Acting Chancellor
