**Nautical Astronomy**

All students wishing to take a course in nautical astronomy are asked to meet for a few moments at the observatory on Thursday at eleven o'clock to agree upon a class hour, since the hour first selected proves not available. Any who wish to take the course, but are unable to be present at the time stated will need to see Professor Swezey before that time, and to leave with him their schedule for the week.

The course will be for a two hour credit: plane trigonometry prerequisite. It includes the use of the sextant and other nautical instruments for finding one's place at sea.

**Convocation Postponed**

Convocation will not be held Thursday because of the epidemic of influenza.

**BRIEF BITS OF NEWS**

An exhibition of drawing by Dwight P. Kirsh, a senior in the Art department, has been placed in the art gallery.

Includes a number of drawings reproduced in the Cornhusker last year. The greater part of the work was done during the past summer in colored crayon. Two plates were done by Kirsh at the state fair. A model was posed in the university pavilion and the drawings made from life.

Kirsh has succeeded in producing vivid landscapes with very vibrant colors.

The painting by Augustus W. Dunbier, which have been on exhibition in the art gallery for the past month, have been returned.

**Bachelor of Atrocities**

**I**N THE vicious guttural language of Kultur, the degree A. B. means Bachelor of Atrocities. Are you going to let the Prussian Python strike at your Alma Mater, as it struck at the University of Louvain?

The Hohenzollern fang strikes at every element of decency and culture and taste that your college stands for. It leaves a track so terrible that only whispered fragments may be recounted. It has ripped all the world-old romance out of war, and reduced it to the dead, black depths of muck, and hate, and bitterness.

You may soon be called to fight. But you are called upon right now to buy Liberty Bonds. You are called upon to economize in every way. It is sometimes harder to live nobly than to die nobly. The supreme sacrifice of life may come easier than the petty sacrifices of comforts and luxuries. You are called to exercise stern

self-discipline. Upon this the Allied Success depends.

Set aside every possible dollar for the purchase of Liberty Bonds. Do it relentlessly. Kill every wasteful impulse that America may live. Every bond you buy fires point-blank at Prussian Terrorism.
