HERE'S the yell master of them all—the campus favorite with college colors in stripes across the breast and sleeves. There never was a more attractive design—never a better made, a better styled, or a better wearing shaker sweater. It's a

"THE FAKER"

Perhaps you are tired of this preachin' I've done.  
But this bit comes by request—  
From a prof., Lord love 'em, who thinks 'aint half  
Of us differs are doin' our best.

Remember the guy with the dickey and false teeth.  
And hair slicked back from his face.  
Who traveled and peddled a worthless sort  
Of a remedy, place to place?

He was foolin' us folks, but we've grown up now,  
And can see the kinks in the road,  
And point out the geek who's playin' ace high.  
Our luggin' a fakin' load.

Maybe it's you and maybe it's I,  
But that question belongs to us;  
We may be fakin' our way thru school,  
But fakin' in life's all a muss.

For it's always the man or the woman that finally  
Falls in the final run.  
Who has offered fake goods, a false face to the world,  
And considers the job well done.
