

THE DAILY NEBRASKAN

VOL. XVIII. NO. 80

UNIVERSITY OF NEBRASKA, LINCOLN, FRIDAY, JANUARY 24, 1919

PRICE FIVE CENTS

EVENING OF MIRTH FOR TWENTY CENTS

Annual University Night Show Will Provide Round of Wholesome Fun

Evening Shun News Hounds Scour Campus for Choice Bits of Scandal

Cornhuskers must dig down in their pockets for an extra dime this year in order to attend the annual university night performance. A fee of \$100 for the use of the city auditorium has increased expenses so that the committee has found it necessary to boost the admission price to twenty cents. This will pay for the most complete and original entertainment course ever given to university students and for the Evening Shun.

University night will be March 15 instead of March 8, on account of the appearance of Efreim Zimbalist in Lincoln at that time. It was thought that many of the students would desire to hear the famous violinist so the big entertainment evening was put off for another week.

Skits in By February 1

Work on skits is coming along as fast as could be expected. Several more are still wanted, however. They must be submitted at the student activities' office before the first of February.

Members of Sigma Delta Chi have been dispatched by the editor of the Shun, Mr. I. Giffa Dam, in an effort to pick up the choicest scandal that is to be had. Don't be surprised if you see some keen-eyed news hound pulling out his pencil and paper when you begin to tell your best friend about the wildest thing you ever did.

The committee for the affairs has been working out the plans for the evening. Everything is being arranged so that no faculty member can get away without being found out.

FENCING TO FORM PART OF PHYSICAL EXERCISE

The department of physical education will conduct a class in fencing next semester. There will be three thirty-minute periods a week and one hour credit will be given. This is the first time that this work has been given here and unusual interest is being shown in it. If sufficient ability is developed a fencing match will be included in the minor-sports contest next spring.

"Come A Runnin' Boys" Sounds The Cornhusker Banquet Call

"Come a runnin' boys, don't you hear that noise, like the thunder in the sky?" This is the resounding reville that is echoing and re-echoing throughout campus dominions, calling to arms all loyal, faithful, and enthusiastic Cornhuskers, for the great feast and joythriller that is scheduled for next Thursday evening at the Lincoln Commercial Club. The Cornhusker banquet has again come into its own and carefree abandon will once more hold sway upon this night of nights; an abandon, however, which will have the touch of dignity, and which will be free from the once prevalent abandon of rosyism.

Mayor John E. Miller has been secured to head the toast list for the evening, and will be followed by a series of notables from university and community circles. The toastmaster has not yet been chosen, but as soon as it is known who will fill this place, the name will be announced in the city papers. Prominent men of the university will no doubt be called upon to give an account of themselves, and not the least among these will be the members of the 1918 football squad. Following the toasts, the evening will

NEED FOR GYMNASIUM INSTRUCTORS IS GREAT

Instructors in physical education are becoming more and more in demand now that the war is over and compulsory physical education is expected to take the place of universal military training. More than one hundred calls, less than half of which could be supplied, have been received by the department of physical education since last May.

Good paying positions are open to both men and women who have had this training and the work is more than ordinarily pleasant. It is especially recommended by the physical education that those taking up the work enter the department the second semester as it is a particularly convenient time to work off requirements in that department.

USE OF SWIMMING POOL SECURED FOR UNI GIRLS

Physical Education Department Obtains Y. M. C. A. Facilities For Period of Six Weeks

The physical education department has succeeded in obtaining the use of the city Y. M. C. A. swimming pool for a period of six weeks. At the end of that time the high school pool will be ready for use and the remainder of the swimming will be done there.

To pay the rent for the pool it will be necessary to enroll sixty girls at four dollars each; eighty girls at three dollars each; or one hundred girls at two dollars and forty cents each. There will be thirty-two periods during the term of sixteen weeks and one hour credit will be allowed. During the time that the Y. M. C. A. pool is used the swimming periods will be from nine until eleven forty-five on Tuesday and Thursday mornings. When the high school pool is ready the periods will probably be Thursday evenings and Saturday mornings as it was last year.

A swimming meet will be held next spring under the auspices of the Woman's Athletic association and teams from each of the four classes will be chosen for competition. The meet last year was particularly interesting and the sophomores carried off the honors. The swimmers this year will be even better trained and the match will be close. Every girl in college is eligible for these teams and (Continued on page 4)

ROOSEVELT HELD NEBRASKA DEGREE

Honorary Titles Conferred Upon Former President and General Pershing in 1917

Valued by Great American As One of the Greatest Honors Bestowed Upon Him

The letter of acceptance which the late Colonel Roosevelt sent in reply to the request that he accept the honorary degree of Doctor of Civil Law has been made public by Chancellor Avery. It is valued as the acceptance of perhaps the greatest man upon whom a degree from the University of Nebraska has been conferred.

On the 26th of May, 1917, Chancellor Avery wrote Colonel Roosevelt asking him if he would be willing to receive from the University of Nebraska the honorary degree of Doctor of Civil Law, explaining that General Pershing had consented to accept the same degree. It was understood that the degrees would be conferred in absentia the day preceding Colonel Roosevelt's arrival in Lincoln to deliver the Statehood address. In reply the following letter was received, which is quoted verbatim except that two sentences are omitted which relate only to the entertainment of Colonel Roosevelt while in Lincoln.

METROPOLITAN
432 Fourth Avenue, New York
Office of
Theodore Roosevelt

June 1st, 1917.

My Dear Chancellor Avery:
In the first place I wish to assure you that I shall value the honorary degree from the University of Nebraska, given under these circumstances, more than any degree I have received from any university at home or abroad. Your giving me the degree is a recognition that the university authorities and I are trying to stand shoulder to shoulder for great principles at a time when those principles are menaced. Under these circumstances I value the degree even more than I do the degrees I received from Oxford and Cambridge, Sorbonne, Leipzig and Berlin. I shall reach Lincoln at 8:40 a. m. on the 14th and leave Lincoln at 11:30 p. m. that evening, and am at your disposition throughout my stay.

Faithfully yours,
(SIGNED) Theodore Roosevelt,
Chancellor S. Avery,
University of Nebraska,
Lincoln, Nebr.

GYMNASIUM CLASSES TO BE RESUMED NEXT TERM

Wide Variety of Physical Exercise Courses Offered by the Department

Regular physical education classes which were cancelled this semester because of the S. A. T. C. will be resumed as usual next semester. Every student in the university needs some form of exercise if he or she expects to retain good health and accomplish the best results in scholastic work. A wide variety of physical work will be offered men for the coming semester. The regular first year gymnasium classes which are open to all young men in the university regardless of previous experience or inexperience will include general body work, calisthenics, gymnastic apparatus work, boxing, wrestling, basketball, indoor and outdoor baseball, volley ball and three forms of war camp sports and games as conducted in this country and in France. There will be special classes in wrestling, track athletics, advanced and fancy gymnastics and also special classes in boxing, swimming and fencing if there is sufficient registration to warrant offering the (Continued on page 2)

SILVER SERPENTS WILL GIVE PARTY FOR JUNIORS

Silver Serpent will entertain all junior girls in the university at an unusually novel party Saturday afternoon, February 8, in the Women's hall. This will be exclusively for junior girls, in order that members of the class may become better acquainted. Some attractive decorations are planned, and clever ideas are to be worked out for the entertainment of the guests.

The committee in charge announces that this party will far eclipse all others of its kind, in that it is to be something entirely different. It will be well worth while to be present, as this party will be one of the big affairs of the year. Later on in the semester, another party, to include all junior and sophomore girls will be given.

HUSKER MAT PROSPECTS APPEAR TO BE BRIGHT

Wrestling Candidates Working Out But Coaches Want More Lightweight Material

The Cornhusker wrestling outlook is becoming more luminous every day and the dozen or more candidates are forging into shape with every bump on the mat. The one black spot is the lack of heavy weights, for only one husky has enrolled in this class. He is a whizzer named Tuoschlick and hails from the same community as Joe Stecker, at one time wearer of the world's championship belt. He has worked out with the Dodge marvel and should slam his way to high honors next year when he becomes eligible for university athletics. He is a freshman this year.

More mat artists are wanted in all the other classes and recruiting is open at any time. Wade Munn, Cornhusker football player, and Edward Hoyt, also from the gridiron squad, and Pickwell and Dobson keep things lively in the 175 pound corner of the mat. Withers, Fuchs and Gibbs are the only men who have reported so far in the 168 pound division. Fuchs is going like a million.

Slater and Hinze are registered in (Continued on page 2)

University Week

Applications will be received at the Students Activities' Office for the position of business manager of University Week. The applicant must be a member of the senior class.

Applications will also be considered for two assistant business managers. Applicants must be from the junior class.

All applications for the positions must be in by twelve o'clock, Monday noon, of examination week.

Is She a Doll Or a Real Woman? See Her In Dramatic Club Play

The hero is ill and needs money, but he does not dare to borrow it. Can he trust his "society doll" wife to pull him out of this hole? In other words, if one marries a doll, must she remain always an ornament or can she be a real woman? "A Dolls' House" deals with these questions in all seriousness. Torvald Helmer wanted a plaything, so he made one out of his wife. Then comes the crucial test when he finds out whether a plaything is capable of being a wife and taking care of her children. Leonard Woolen in the role of Torvald Helmer has a difficult time in working out the situation.

Nora Helmer, the unfortunate doll, is an innocent girl who is always expecting the "miracle of miracles" to happen. Lea Lipsey, as Nora, makes things exciting by her schemes of em-

BRILLIANT PASSING WINS FOR HUSKERS

Trim Grinnell Basket Tossers By The Safe Margin of 24 to 14

Nebraska Now Stands at Head of Missouri Valley Conference Teams

(Special to The Nebraskan)

Standing of the Teams			
	W	L	Pct.
Nebraska	2	0	1.000
Missouri	4	0	1.000
Kansas	1	1	.500
Ames	1	3	.250
Grinnell	0	1	.000
Drake	0	1	.000
Washington	0	2	.000

GRINNELL, Iowa, Jan. 23.—Grinnell university, the baby member of the Missouri valley conference family, went down to defeat at the hands of the Nebraska Cornhuskers in the Grinnell gymnasium here this afternoon by a score of 24 to 15. The game was fast and the Grinnell players made a good showing against their more experienced opponents.

The Cornhuskers with Captain Jackson Gillilan and Schellenberg playing the star roles, flashed a clever brand of passing which was responsible for the victory. Jackson had the ball at his finger tips and proved to be the scoring champion of the fray with seven goals to his credit. Gillilan, who played a minor part in the victory over Drake last night, came through with three shots through the basket and Schellenberg, who headed the list with six goals against the Bulldogs Wednesday, caged two baskets.

Places Huskers at Top
The victory over Grinnell gives the Cornhuskers a tighter grip on the top place in the conference standing where (Continued on page 2)

STUDENTS PREPARE FOR REGISTRATION MONDAY

The time cards for registration will be issued Monday morning at the registrar's office, and cannot be secured earlier. The office will open at nine. Letters, which answer all questions which have puzzled the students about the coming semester, were sent to all students Thursday. The letter explains the distribution of tickets, and advises the students how to register with the least congestion possible. It is important that every student present himself at the hours named on the ticket. Class schedules will also be ready Monday.

The remainder of the cast is as follows:
Mr. Krogstad.....Mark Johnson
Dr. Rank.....Alfred Hinze
Mrs. Linden.....Irma Wolfe
Anne.....Genevieve Addleman
Ellen.....Stella Mae Lewellen
The tickets will be for sale on Monday and Tuesday after examinations and may be reserved at the College Book store on Wednesday and Thursday. About 250 choice seats in the Temple will be reserved at this time. The sale of tickets and the reservations are in the charge of Glen Foe, business manager of the Dramatic club.
Professor P. H. Grammann, assisted by Gladys Appleman, Miss Ethel Hartley, and Miss Alma Maryott, is coaching the play.
