BRIEF BITS OF NEWS

Major Boydon Visits—Major Boydon, who is in charge of the depart-

ment of military information of the United States, was on the university campus yesterday in conference with the conservation of soil survey. Their work was to plan the mapping and other field work relating to the military information of Nebraska, the

gathering of which is in this department.

Dress Up For the Formals

The self-imposed ban on Dress Clothes is automatically off! Dress up for the Formals! That old Dress Suit has been packed away in the trunk for a long time. Get it out and inspect it. Perhaps it's moth-eaten; perhaps way out of style. Don't be caught the last minute before the important event without suitable and becoming Dress Clothes.

Our Dress Cloth Department has been renewed with an entirely new stock of

KUPPENHEIMER DRESS CLOTHES

The styles for this season are beautiful—trim waistlines, close-fitting trousers—an air of distinction in every suit.

Also a new and complete variety of Vests, Dress Shirts, Ties, Collars, Studs, Cuff Links, Canes, Hats, and other dress accessories.

FOR RENTAL PURPOSES

We have just received a quantity of suits of new styling. You don't need to wear those loosely fitting garments—all ours are neat, trim suits, modeled on slender lines.

Make your reservations early—1.50 per night
