Four Years Ago Today

The first University Week was planned for spring vacation.

Three Years Ago Today

Black Masques and Silver Serpents refuse the request to select the twenty most beautiful university girls for an honor section of the Cornhusker. They contended that the worth of a woman does not depend upon her beauty.

Two Years Ago Today

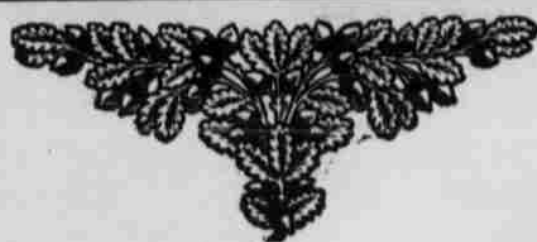

Shaw, Rhodes, Schellenberg, Cook and Dobson were chosen for the first all-Missouri Valley team.

Each of us is bound to make the little circle in which he lives better and happier; each of us is bound to see that out of that small circle the widest good may flow.
