PRICE FIVE CENTS

HUSKERS STRIDE TOWARD VICTORY

Cop Two Hard Fought Battles From the Missouri Tigers on Nebraska Floor.

Final Battle Results 28 to 26, Friday's Game 21 to 14 in Hot Scramble.

Nebraska's careering Cornhuskers, having caught a whiff of the Missouri Valley championship, knocked the tilters from under the conference leaders last Friday and Saturday evenings by scooping both numbers of a double bill from the Missouri Tigers and showing them down the flag pole to third place. Missouri had been heading the procession with six victories and nary a setback and the Cornhuskers were tearing along in third place with six wins and two defeats when the two contenders met on the Armory floor Friday evening.

The Friday battle which the Huskers copped by a score of 21 to 14 was Nebraska's from the tip-off but the Saturday collision was anybody's game up until the final whistle. Missouri started the scoring and quickly maintained a 5 to 2 lead. The Cornhusker basketekers started an attack and shot the score up to 14 to 5 before the visitors could recover their equilibrium. Each team then added one more goal to their records and then the Tigers called a halt to the Nebraska charge and held them at 16 points while they gathered momentum and ran their tally up to 22. Jackson, Reynolds and Gillilan caked a trio of baskets in quick succession and tied the count at 22 to 22. With only eight minutes left to play, the battle then began to seethe and ferment and the crowd which packed the old gym to its capacity went wild.

Tight Fight All the Way

Browning committed a double foul and Patty, who was rushed in for Reynolds, tossed two clean free throws, but one was disallowed on some technical point and the score stood 23 to 22. Scott flipped a goal and Ruby followed with another which placed the Tigers 26 to 23 over Nebraska and then Schellenberg came through with one more basket for the scarlet and cream. A double foul was called by Referee Jones and both Vogt and Patty missed the loop on their free throws. Pickett was substituted for Gillilan and with some beautiful team work, the Huskers worked the ball to Jackson. The blond captain arched it through the ring and planted his team again in the lead, 27 to 26. The Missourians made a frantic effort to forge in ahead, but the game ended just as Patty threw another free goal after Coffey had been called for a personal foul.

Captain Jackson of the Huskers and Scott of Missouri hung up the record scores for their respective teams, Jackson looping five field goals and four free throws for a total of fourteen points and Scott throwing four field goals and four free bas-

MISS HOWELL SEEKS EXTENSION OF LEAVE

A letter from Miss Alice Howell, head of the department of elocution, who was granted a year's leave of absence from the university to do canteen work in France, states that she spent the first two months of her service as librarian in the medical division. The majority of her time, however, has been spent in canteens very near the front.

Miss Howell reports that she has met with varied and interesting experiences, while working at top speed. As she thinks it will be impossible for her to get back before September, she asks for an extension of her leave.

kets, amounting to twelve points. These men are the two highest point-makers in the Valley conference. Before they met Friday evening Scott was leading the conference with a total of 73 points and Jackson was second with 69. In the two games last week Jackson accumulated 20 and Scott 17 additional points and now the Missouri forward is leading the Nebraska captain by a margin of one point, the record showing 90 for Scott and 89 for Jackson.

Jackson and Vogt Star

Jackson and Vogt, the Tiger pivot man, were also tied for individual records in throwing floor goals and during the last two games Jackson caged eight baskets from the field and Vogt managed to sneak five through the iron circle, giving Jackson an advantage of three goals over his nearest rival.

Getting back to the Saturday game, Schellenberg and Gillilan rang up four points each and Bailey, Reynolds and Patty annexed two points apiece. The indomitable fight displayed by the Cornhuskers and intermittent flashes of brilliant team play are worthy of special note.

Gillilan's goal which knotted the count was preceded by a long dash through the entire Bengal country by Schellenberg, who flipped the ball to "Gilly," and into the basket. Schelly also winged a beauty from near the middle of the floor which flitted

In a final effort to make the student body 100 per cent in their support of The Daily Nebraskan "Rag" Tag Day will vie with the second semester election in holding student interest tomorrow.

Tuesday's drive will close the campaign which has been in progress on the campus for several weeks. One thousand tags have been printed and will be ready for distribution tomorrow. Subscribers may receive them by applying at Station "A" or by presenting their receipts. Others may secure them for one dollar which pays for this semester.

DEGREES GRANTED TO 28 GRADUATES

Regents and Faculty Recommend Diplomas to Those Finishing Work First Semester.

College of Commerce Approved at Meeting—University By-Laws Amended.

Twenty-eight students, on recommendation of the faculty and Board of Regents, will receive degrees this semester, although the annual mid-winter commencement exercises were abolished this year. This action was decided upon by the board at their meeting at 2 o'clock Saturday afternoon at the Chancellor's office. All the regents were present except Regent Landis, who was detained by failure of his train to arrive on time.

Dr. Stewart submitted the football schedule, which was approved by all. The Chancellor was directed to see if the consent of the governing boards of the institutions in the Missouri Valley Conference could be obtained for a game on November 25 at Omaha.

The board also amended its by-law and received the report of the faculty women in relation to a hospital. A more careful study of the hospital situation was thought desirable and it was ordered that copies be sent to all the regents. The board adopted the following:

1.—Hereafter no new courses of study shall be published in the catalog, announced as offered or given, until the same have been adopted by the faculty of the school or college primarily concerned.

2.—The deans of the several colleges are directed to make, through the faculty committees on courses of study, careful scrutiny of all courses now offered, to see where elimination can be affected without detriment to the institution.

Requests from various commercial organizations for the erection of the School of Commerce into a College of Commerce were received by the board. All the members expressed themselves as favorable to such action on the part of the legislature.

The request of the war department for drilling space was referred to the property committee. If this request is granted it will involve the immediate clearing up of a great number of the old buildings on the new campus grounds.

The resignation of J. W. Rovner, assistant professor of dairy husbandry, was accepted by the board, and the following degrees were granted:

Bachelor of Arts

Cross, Lyman Goodrich.
Davis, John Dwight.
Gayer, Harrison Lafayette.
Hainer, Catherine Rice.

KITCHEN SHOWER FOR WOMAN'S HALL SUCCESS

The kitchen of the Woman's Hall is now very well equipped with all the necessary articles. The kitchen shower which was held Saturday under the auspices of the Y. W. C. A. and with the assistance of all the girls' organizations was a great success. The party began at 4 o'clock in the afternoon.

Helena Burke gave a vocal solo and Irene Barton, a violin solo. Lois Felton accompanied them on the piano. The remainder of the afternoon was spent in dancing and having a general good time. Refreshments in the form of ice cream and wafers were served later in the afternoon.
