Beatrice bit the dust before the Minden and Arlington fives. The Havelock contest was a thriller. The local boys seized the lead at the start, but were quickly stopped and the half ended even. Minden forged ahead at the beginning of the second period and despite the desperate rally of the Havelock tossers romped away with the victory, 18 to 5.

Poor goal shooting kidnapped the Beatrice goal. The first half ended 8-6 with Arlington on top, but the count was soon evened. The Beatrice forwards bombarded the board with shot after shot, but the bounces were against them and an accurate free throw by Kruger clinched the battle.

MISS BURNER MAKES PLEA FOR STUDENT DEMOCRACY

(Continued from Page One)
Miss Burner. While men have been dying "over there," we, over here, have been cowards about things much less than death. We have pooled our opinions and let others decide for us. Due to shallowness, laziness, indifferent thinking and cowardice, democracy may die because students do not care.
Miss Burner concluded her discussion with the thought that the students can do all things if they will, and the plea that they fight, on the campus, as good a fight as our soldiers fought "over there."
