**BRIEF BITS OF NEWS**

Nebraska Chapter Represented at National Convention—A. D. Zollars left for Columbus, Ohio, Wednesday afternoon to represent Kappa Chapter at the national convention of the Alpha Gamma Rho fraternity.

Alpha Gamma Rho is a social fraternity of national scope having thirteen chapters. Most of these chapters are located in eastern universities.

The Nebraska chapter was granted a charter in the spring of 1917, just before this country entered the war. Consequently their activity thus far has been limited. Over 75 per cent of their members have been in active military service.

Room 309, Mechanical Arts, has been given over to the preparations being made by the Department of Mathematics for the Semi-Centennial. Drawings and charts are being made by the various students, which will be hung on the walls of the halls. Professor Brenke is in charge of this work.
