What would they like?

HONESTLY, I've been thinking and thinking until I'm almost out of thinks, and still I don't know what on Earth to give the men on my Christmas list. There's Dad, and Brother, and Uncle, and--oh, what's the use! None of them will tell me what he would like--what shall I do?

Lady Santa Claus, We've a Plan That Will Overcome Your Troubles

You know every man abhors anything that is not useful, and every one of them is extra particular about some one thing he wears. One of them is fussy about his shirts—another wants "just so" hats—the next one is always getting new socks because darns hurt his feet.

"Just notice closely and you'll quickly discover exactly what his clothes hobby is. Then make your choice at 'the Christmas store for Men' and you may be certain of a whole-hearted 'Thank you' on Christmas Morning."

Is His Clothes Hobby Shirts or Ties?

You'll find color and patterns among these that will suit him exactly. We picked them to match the most popular colors in the suits.
