

THE DAILY NEBRASKAN

VOL. XIX. NO. 78.

LINCOLN, NEBRASKA, FRIDAY, FEBRUARY 6, 1920.

FIVE CENTS PER COPY

INCREASE SHOWN IN REGISTRATION

Enrollment for Second Semester Greatest in History of the University.

College of Business Administration Shows an Increase of Ten Per Cent.

Mid-semester registration was the greatest in the history of Nebraska University. Complete registration in Lincoln is 3,389, nearly double that of the complete registration of a year ago. The registration last year was 1,941, only twenty more than the registration of 1918.

The registrar has not yet received returns from the Medical College in Omaha but expects to have these figures by Saturday. Incomplete reports received from Omaha to date, show that registration is very heavy.

The college of business administration has shown the greatest increase in the number of students. Registration for the coming semester is fully ten per cent larger than that of the first semester. "This is due, in part," said Dean LeRossignol "to the addition of courses in life insurance, investment, methods of industrial peace, and salesmanship." Salesmanship, which is given at night, has proven very popular. This course is given by Professor Ivey. "The course in salesmanship is given primarily for the young men and women who are working during the day and who would receive practical benefit from the course," said Prof. Ivey, "but university students may enroll in the class if they choose."

Evening classes will also be given in economics and accounting. The former will be given on Monday evenings and the latter on Thursday evenings.

MISSIONARY VISITORS WILL PRESENT PAGEANT

A group of missionaries who have been active workers in the breaking down of the caste system in India will visit the university campus Monday, February 9, and in the evening will present a pageant at the Temple theater, in costume, similar to the one put on by them at the Centenary of the Methodist church at Columbus, Ohio, last July.

These missionaries have lived in the heart of India and through their influences and efforts whole villages and districts have turned from their heathen practices to become Christians. Their converts, in many of these cases, numbered several thousand.

The group is making a tour of the universities and will be under the auspices of the federated church workers in the university during their stay here. The pageant was given in Columbus before audiences that numbered as high as 30,000 and a reproduction of the performance will be given for the university students Monday evening at 7:30 at Temple theater. No admission will be charged.

MISS PERRIN WILL SPEAK AT VESPERS

Miss Edna Perrin will speak at Vespers next Tuesday, February 10, at five o'clock in Art Hall, on the subject, "A Nebraska girl's experiences in France."

Miss Perrin is a graduate of this University and saw service as a Y. W. C. A. worker in France. She is now head of the woman's department of the Pershing Campaign.

HAROLD BAYNES WILL LECTURE ABOUT BIRDS

Harold Baynes of the Meridian Bird Sanctuary, Meridian, N. H., will be in Lincoln Friday, and give two free lectures on birds. The first one will be given Friday afternoon in the St. Paul's church, and will be for children. The second lecture will be given at the church at 8 o'clock Friday evening, for adults.

Mr. Baynes has lectured in Omaha several times, and it was through his influence that the bird sanctuary was started there. He will be the guest of the Commercial club Friday noon, and will suggest plans for a sanctuary in Lincoln.

LECTURES ARE GIVEN FOR SCOUT-MASTERS

First Instructions in Leadership Course Given Tuesday at Teachers' College.

The first of a series of meetings for training men for Boy Scout leadership was held Tuesday, February 3, at the Teachers' College. These meetings will be held every Tuesday evening until March 30, and will consist of half hour talks on different phases of scoutmasters' work by members of the university faculty and others in the city.

The course is in charge of the following instructors: Dean Chas. For-dyce, Prof. A. A. Reed, Prof. L. B. Bruner, Prof. R. E. Cochran, Dr. R. G. Clapp, Prof. Geo. W. Hood, Prof. A. M. Newens, Dr. R. J. Pool, Prof. G. D. Swezey, Prof. C. W. Taylor, Prof. R. A. Wolcott, Dr. C. H. Arnold, Dr. M. J. Breuer, Ralph S. Meyers, J. S. Mendenhall; G. M. Hoyt, scout executive, Omaha; Otis E. Smith, camp director, Omaha; Walter F. Wilson, Ralph T. Cowan.

The lectures are divided into four classes; general, technical, demonstration, stories and games. In the general class are included lectures on such subjects as, "Social Psychology," "Trees," and "Americanization;" "First Aid and Bandaging," "Signaling," and "Map Making" are among the technical lectures; and in the demonstration class are "Tenderfoot Knots," and "Fire by Friction."

This course is open to all scoutmasters, assistant scoutmasters, officers of the scout organization, and all candidates. The enrollment fee for the course is one dollar.

FAUBEL TO ENTERTAIN AT TEMPLE SATURDAY

A musical program will be given at the Temple Theatre Saturday evening at 8 o'clock by Mr. Clarence Faubel of the University School of Music. The entertainment will be given under the auspices of the Delian Literary Society.

Mr. Faubel is a student in the University School of Music and has signed a contract with a chautauqua company for the coming season. He is an exceptional violinist and has played at several of the university functions this year, consequently he needs no further recommendation to the student body.

An invitation is extended to the other literary societies and sections have been reserved for them. The faculty and members of the student body are also invited. No admission will be charged.

VIKING MEMBERS WILL ASSIST IN "RAG" CAMPAIGN

Plan to Visit all Sororities this Noon to Sell Subscriptions.

The final blow of the Daily Nebraskan subscription campaign will be landed today when the members of the Vikings society will visit all the sorority houses in an endeavor to obtain one hundred per cent subscriptions. There are fourteen sororities at the university each with an average membership of thirty girls. The Vikings are confident they can present a sales argument that will produce the desired results.

A number of fraternities have subscribed one hundred per cent and few more are expected to fall in line with the rest before Saturday. With the circulation steadily increasing the campaign managers are hopeful of boosting the number of subscribers well above the 1200 mark of last semester.

TO WAGE FIGHT AGAINST H. C. L.

University Officials and Organizations Will Head Campaign to Lower Prices.

Resolutions Framed by State Committee to be Presented for Adoption Later.

The university will begin its campaign against the high cost of living at convocation, Tuesday. Prominent speakers will present the objects and plans of the campaign to the students. Dean Amanda Meppner, the university representative on the state committee, expects definite action to be taken afterward by the various organizations of the school.

Chancellor Avery will preside at convocation. The speakers now announced are Mrs. Charles G. Ryan, state manager of the campaign, J. O. Rankin, professor of rural economics, Ruth Hutton and Harry Reed. The Innocents and Black Masques have been appointed to work up "pep" among the students in order to assure a large attendance.

FRESHMAN LAWS ELECT WARD RANDOLL PRESIDENT

The freshman law class held the first meeting of the new semester Thursday morning at eleven o'clock in Law 101, and elected Ward Randoll president for the second term. The voting was spirited and close and much enthusiasm was shown in the contest.

The ballots cast for president show the following results:

Ward Randoll 56
Rodney Dunlap 29

Minor officers will be elected at the next meeting. Fred Hellner, retiring president, presided at the election.

CLASS ELECTIONS

Class elections will be held Tuesday, February 17th. All candidates must file their names with the Registrar before 5 o'clock Friday, February 13th.

Applications will be received for the four class presidencies, Ivy Day orator, Editor-in-chief of the Cornhusker for 1921, Business Manager and Managing Editor.

ENGINEERING COLLEGE RECEIVES PHOTOGRAPHS

Arthur G. Gehrig of the Engineering department, has just received three photographs representing the latest and best practices in structural engineering. One shows the colossal lock of the gates of the Panama Canal, the largest of its kind in the world. The gates are ninety-two feet high, fifty-five feet wide and weigh 740 tons each. The two represent distinctive types of heavy bridge construction; one is the Cantilever bridge across the Ohio river at Beaver, Ohio, the other a continuous truss over two spans, each 775 feet, across the Ohio at Sciotoville.

STUDENTS' WORK TO BE SYSTEMATIZED

Committee on Ways and Means Makes Arts Requirements More Stringent.

The committee on ways and means for the better correlation of students' work in the college of arts and sciences has presented a plan which if adopted, would make the students' selection of courses of study simpler and more efficient.

The plan includes a definite statement of the requirements for different majors and minors. It is urged that a more complete account of courses be given in the catalog, and that the advisory system be further developed. The student should confer with his adviser, not only during the time of registration, but will have the opportunity to consult with him at least once during each semester. The advisers should meet to discuss and unify their work.

The report of the committee is as follows:

"The committee appointed to consider what, if any, additional regulations should be adopted for the guidance of students in making such a selection of courses as will best secure for them the larger and more permanent advantages of an Arts College education, beg to report the following recommendations:

"1. That more definite statement shall be made in the departmental announcements in the catalogue, as to the prerequisites, if any, for each course.

"2. That each candidate for a degree shall, before the end of his sophomore year, be required to select some subject as a major. A major shall consist of courses aggregating

REX ELTON FAIR RECITES AT TEMPLE

Rex Elton Fair gave a flute recital at Convocation Thursday morning at the Temple theater. Mr. Fair has been an instructor in the University School of Music for many years. He was accompanied at the piano, for the first number by Lawrence Robbins, who recently came from Kansas City to the University School of Music. Miss Holland, a student in the University School of Music, accompanied Mr. Fair for the remainder of the program.

The program:

1. Sonata for Flute and piano A. Terschac Op. 16
2. Kinlech of Kinlech J. Ocea
3. Nocturne Fr. Chopin Op. 9
4. Serenade Russe W. Repp Op. 261

HUSKERS LOSE TO INDIANA

Easterners Take First Game from Ponies by Score of 24-20.

Record-Breaking Crowd Witnesses First Nebraska Defeat on Home Floor.

Dame Fortune smiled on "Jumbo" Stiehm's first invasion of his old stamping ground and the Indiana Hoosiers grabbed the first of a two-game series from the Huskers by the score of 24-20 on the Armory floor last night. The Indiana team was the first to break into the scoring and had a slight edge over the Nebraskans throughout the game. A record-breaking crowd swarmed into the miniature gymnasium and standing room was at a premium.

Donovan scored first for the Hoosiers. Russell broke through Stiehm's defense and tossed the ball through the hoop for the first Cornhusker score. During the first half the game was nip and tuck, the Hoosiers usually maintaining a slight lead. The Indiana team was leading 10-6, when goals by Bekins and Newman knotted the count. Nebraska took the lead when Bekins accounted for a free throw, but the Hoosiers rallied, spurred ahead, and from then on were never headed. The first half ended 13-11 in favor of the Hoosier five.

Both teams started the second period with the same lineups. Russell gathered the first counter of the second half, tying the score. Phillips, star Hoosier forward, counted for a pair of baskets. The Huskers retaliated and with ten minutes to play the score stood 20-18 in the Hoosiers' favor. Two foul goals and a basket added four more points to the Indiana

VALENTINE TEA DANCING TO BE HELD SATURDAY

Smith College has inaugurated a nation-wide campaign to raise \$4,000,000 to increase the salaries of its professors and to build dormitories. To raise Lincoln's quota, a valentine tea dancing will be held at the Rosewilde, from 3 to 6, Saturday, February 14.

Tickets at one dollar a person may be obtained from the following: Delia Cobb, Gamma Phi Beta; Dorothy Pierce, Delta Gamma; Eleanor Fogg, Pi Phi. Representatives of the Omaha Smith Club, an alumni organization, will be present. Refreshments and a favor dance will be on the program. Irene Delaney, professional decorator, of this city, will have charge of the decorations.

The action of Smith College in raising the salaries of its professors is an outgrowth of the wide-spread agitation for better-paid teachers. Other colleges and universities are raising similar funds; Harvard has set, as its goal, \$15,000,000; Cornell, \$10,000,000; Penn State, \$10,000,000. John D. Rockefeller has given \$50,000,000, which the General Education Board will use to increase the salaries of university professors.

UNIVERSITY STUDENT VICTIM OF INFLUENZA

Lynn Wallace, university student and member of the Norfolk club, died of influenza, at midnight, Wednesday, February 4, 1920. He was a freshman in the College of Business Administration, and lived at 501 No. 17th street. His home was in Norfolk. His parents were notified several days ago and were with the boy for nearly a week before his death.
