"Quality Is Economy"

We don't want simply to make the sale and get the money---

We're interested in what you get for the money; the quality of the clothes, being the most important thing to you, is the most important thing to us.

And the right kind of quality in clothes has been scarce.

We'd rather not sell you anything than to sell you the wrong thing. You can buy the wrong thing in many places; but not here.

You need somebody to take care of your clothes requirements and we are making it the one object of our existence as a business to do that for the men and boys of this community.

We're here to see that you get what you ought to have, at a price as low as business prudence will permit.

There's service in quality like Hart Schaffner & Marx, and that's the service in Clothes which we mean to give.

JONES TO BE HEAD OF JUNIOR CLUBS

C. W. Jones, a graduate of the College of Agriculture, in the class of 1920, has accepted a position as state junior club leader.

Mr. Jones is to have charge of the original Boys' and Girls' Clubs in counties which have junior club leaders. His duty will be to supervise the work of the leaders and to help organize new clubs. Each school district may have one club. These clubs may be "pig" clubs, "rabbit" clubs, or "potato" clubs. Their aims are to begin with pure bred animals or plants and perpetuate their kind, thus allowing the state to benefit from their activity. Records are kept and the children learn many agricultural pointers from these organizations.

Mr. Jones was a member of one of the first boys' camps held here in 1915. He attended the officers' training camp at Fort Snelling in 1917 and left for overseas in September of the same year. His discharge was granted in June, 1919.

Mr. Jones is a member of Alpha Gamma Rho.

OTHERWISE OCCUPIED.

Lily—"When Harold proposed to you did he get down on his knees?"
Hazel—"I should say not."
Lily—"Why didn't he?"
Hazel—"Well—er probably because they were occupied at the time."
