MASS MEETING SLATED TUESDAY

Revision of Student Council Constitution and Honor Spirit Proposed.

LARGE ATTENDANCE URGED

A mass meeting for all students will be held Tuesday at 11 o'clock for the purpose of considering the change in the constitution of the Student Council and to investigate the honor spirit in the University. Students point out that the constitution is too difficult to interpret and many of its clauses are too vague and general. A revision and a number of amendments is necessary according to members of the Council. The mass meeting will probably be held in Law 101.

The meeting will be informal according to Lawrence Slater, president of the Student Council, who will preside. A bumper attendance is urged and it is desired that every one participate in the discussions because the opinion on both sides of the issue is necessary in order to retain the best results. The Student Council is in an embryo stage having been organized only last year. A number of obstacles have been confronted recently in which the constitution fails to specify certain issues in connection with the University. The honor spirit is practically a new thing at Nebraska but is employed to a good advantage in many schools in the country. The honor spirit is a forerunner to the honor system. Many students believe the spirit should be cultivated at the present time, especially during the mid-semester this week.

Amendments to the constitution and the honor spirit proposition which will be proposed Tuesday will be voted on by the student body of the University within the next two weeks.

Cards bearing information on the merits of the honor spirit and honor system will be distributed Tuesday among all the students on both the city and farm campuses.

UNIVERSITY COMMERCIAL CLUB HOLDS INFORMAL

The University Commercial Club held an informal dancing party Friday evening at the Lincoln Commercial Club. Red carnations were used in decorating the ballroom and were given out later in the evening as favors. Serpentine papers was a feature of the evening.

Chaperons were Prof. and Mrs. James E. Le Rossignol and Prof. and Mrs. Oscar Ross Martin.

Refreshments were served during the evening.

NEWS OF THE DAY

Boiled Down for Busy Readers

The Hague, March 13.—Neither the Kaiser nor the Crown Prince were concerned in the recent overthrow of the German government. This information was given out by a reliable source today.

Washington, March 13.—France has been saddened by the accusations of Wilson, who declared that the French militarism is the cause of the closing of the wheels in diplomacy.

Berlin, March 13.—Two governments are trying to operate in Germany. The military men are the seeming masters of the situation. The policy of the new government is to carry out the peace treaty and to preserve the German dignity.

Washington, March 13.—The fate of the peace treaty will be decided today, according to advices from official circles. The article X situation will be voted on and dispensed with before the adjournment next Monday.

Stockholm, March 13.—Internal upheaval occurred today in Sweden when the parliament voted a dry country and to separate the state and church connections. These are two important decisions reached by that Socialist body, just before their recent adjournment.

VALKYRIE GIVES TEA AT ALPHA PHI HOUSE

The second of a series of attractive teas given by the Valkyrie was held Saturday afternoon at the Alpha Phi house. The rooms were cleverly decorated with suggestions at St. Patrick's day. Green candles in crystal sticks with green shades were used on the tea tables, and Dresden baskets filled with spring flowers and tied with bows of green tulle were placed on pedestals throughout the house. A program consisting of a whistling solo by Florine Reed, a violin number by Irene Barton, a dance by Elizabeth Doyle, and a group of Irish songs by Margaret Perry, was given.

UNIVERSITY PLAYERS TO PRESENT SUBTLE DRAMA

"The Witching Hour" Promises to be Heaviest Production of Year.

A boy has inherited an idiotic fear of a jewel with a certain colored strata in it. This weakness is discovered by a drunken associate in the gambling rooms of Jack Brookfield, a professional gambler. The boy strikes wildly and kills his tormentor—the boy is crushed by the deed—is sentenced to die—the Supreme Court of the United States hears the case and renders a decision. The aversion is brought to the attention of one of the Justices by means of a letter of sentimental importance.—See the result in Augustus Thomas' great drama, "The Witching Hour."

This subtle drama, involving love, tragedy, mental telepathy and pathos will be presented by the University Players Stock Company Thursday, Friday and Saturday night March 18-19-20. Reservations may be obtained at Ross P. Curtice's, beginning Wednesday, March 17.

The cast has been very carefully chosen from the best talent of the Dramatic Department and will include Genevieve Addleman, Herman Thomas, Herbert Yenne, Walter Herbert, Neil Brown, Olive Means, Glen Poe, Carlisle Jones, Helen Harrington, Alfred Reese, Carl Peterson, C. L. Coombs, and George Stone. This is the heaviest drama of the year and the mysterious sequence of the play will interest all theatre-goers.

PROF. FOGG A MEMBER OF JUDGING COMMITTEE

One of Three University Instructors to Decide Grinnell-Cornell Squabble.

Prof. M. M. Fogg, with Dean J. P. Hall of the University of Chicago Law School and Prof. Von Tungen, Department of Economics, Iowa State College, judged the Grinnell-Cornell debate Friday evening at Mt. Vernon, Iowa, on "Compulsory—arbitrary legislation for labor disputes in public service corporations." "The judges considered the work of uncommon thoroughness in mastery of the subject and in clear and effective presentation of it," says the professor. "Dean Hall, thought it the best debating he had heard in several years." Split decision was given to Cornell, whose representatives were in charge of R. E. Hamstead (Illinois), last year teacher in the Omaha Central High School.

Professor Fogg was in South Dakota Thursday, making an address at Gregory on "High-School Discipline through Argumentative Composition and Debate," and judging the Gregory-Burke debate, one of the concluding contests in the South Dakota High School Debating League of 90 schools.

TEACHERS' COLLEGE MAY EXHIBIT AT STATE FAIR

Professor C. W. Taylor states that the faculty in the Teachers' College will confer with reference to a suitable exhibit from that college for the state fair. It is hoped to show samples of the work actually accomplished by students in practice high school.

PLAYERS SCORE SUCCESS FRIDAY

"Mrs. Bumstead-Leigh" Makes Hit With Large Audience at Temple Theatre.

STOCK COMPANY MAKES HIT

Snappy, finished and with many jokes that forced the actors to wait until the audience had ceased laughing—this was "Mrs. Bumstead-Leigh," given Friday night at the Temple by the University Players Stock Co. One of the very best of the plays of this year, the performance was distinguished for the smoothness with which it went off, the stunning gowns and the brilliant piece of character work which Melba Bradshaw, "Mrs. Bumstead-Leigh," gave before a very appreciative audience. Not this year has a more intelligent part been played on the Temple theatre stage.

Delbert Metzinger, as the orating "momentalist," was the comedy hit of the evening, in the near future he will play in one of Barrie's plays, "The Old Lady Shows Her Medals." Mildred Gallahan captured the hearts of her listeners from the start, and Fred Jensen made an unusually interesting butler. Nellie Freer got an abundant share of the laughs. Marianne Gould created a very sweet and appealing role and George Bushnell surprised his friends by the smoothness with which he played the part of the villain. Rudolph Sandstedt, Margaret Howes, Herert Yenne. (Continued on Page Four)

GIRL HOOPSTERS BEGIN TOURNAMENT

Red, Dark Green, Pale Green and Yellow, Winners in First Round.

Semi-Finals Slated for Five Today on Armory Court.

The first round of the Monte Carlo basketball tournament was played Saturday morning in the Armory. One sided scores featured the court battles. The girls, however, displayed some clever team work and cage shooting at these games and the co-ed teams promise to surprise the veteran varsity men in the final grind of the tournament.

The Red, Dark Green, Pale Green, and yellow basket teams were victors in Saturday's festivities. The Red aggregation piloted by Mary Stephens easily conquered the Whites by the decisive score of 35 to 7. Captain Stephens starred for her team. The Purple team took the small side of the argument with the Dark Green, the final count being 19 to 5. The Pale Greens succeeded in winning their game with the Pinks. The tally was 16 to 8. The Yellow and Green quintets staged the fastest and most hotly contested game of the opening round. The score was even in the last few minutes of play, but the Yellows managed to annex a field goal and free throw shortly before the referee's whistle sounded. The final score was 14 to 21.

The semi-finals will be played this afternoon at 5 o'clock between the Reds and the Dark Greens and the Pale Green and the Yellow aggregations. The championship tussle is slated for Tuesday at 5 o'clock. The class teams which will enter the inter-tourney will be chosen this week.

COUNCIL WILL HOLD A PARTY FOR "GROWN-UPS"

The primary kindergarten council of the State University recently visited the orthopedic hospital in the interests of their special study. The council will soon hold a "Grown-Up Children's" party. Sadye Rothholz, a member of the advisory committee, is traveling in California this semester. Mabel MacAdams a member of the council has returned to the University of Nebraska after a long illness.

PROFESSOR CHAIRMAN OF NEW LOCAL ORGANIZATION

Prof. M. M. Fogg, who during the war was state director for Nebraska of the Committee on Public Information, and later served in the army as head of the College of Journalism of the A. E. F. University, France, has been appointed by the Lincoln Commercial Club's Americanization Committee as chairman of a committee, the other members of which are Rev. Dr. S. Mills Hayes, rector of Trinity Church, and Superintendent J. H. Nelson of the public schools, to investigate the scope of the work which the commercial club should undertake in the field of Americanization.

UNIVERSITY Y. M. C. A. TO ELECT NEW OFFICERS

Voting Tuesday on Leaders for Coming Year Open to All College Men.

Election of officers for the University Y. M. C. A. will be held Tuesday in the "Y" rooms in the Temple. All men of the University are eligible to vote in this election.

Candidates for offices for the ensuing year are as follows:

For president, Paul Cook and Charles Spacht.

For vice-president, Lawrence Bratt and Clarence Dunham.

For secretary, Archie Jones and Clyde Wilcox.

In order to bring the election before the student body, the committee on nominations makes the following brief statements in regard to the qualifications of the different men.

Paul Cook has been a member of the cabinet for the last year, having charge of the "Y" Forum.

Charles Spacht has already had experience in this kind of work, having been president of the student "Y" for a year at Peru Normal. He has been active on special committee work here.

Lawrence Bratt has been active in religious work both on the campus and in young people's activities elsewhere.

Clarence Dunham is now serving in the cabinet as secretary and is in close touch with the association program.

GIRL'S MINOR SPORTS CONTEST SLATED SOON

All Girls Are Requested to Sign Poster on the W. A. A. Bulletin Board.

The girls' minor sports contest will be held March 30 at 3 o'clock in the Temple Theatre. Aesthetic dancing and Indian club swinging are included in this contest. All girls who are going to enter must sign immediately on the poster of the W. A. A. bulletin board. At least six entries must be made in an event in order to hold it.

This contest is as important as basketball or any of the other tournaments scheduled for the spring season by the W. A. A. It is important that a large number of co-eds take part in it. First, second, and third places are awarded in each event. The winner of first place receives 50 W. A. A. points, second place 25, and third place, 15.

FOUR MAY BE ELIGIBLE TO NEW SCHOLARSHIPS

The University of Nebraska authorities have received an invitation to name scholarship holders for the American-Scandinavian Foundation. These bear a stipend of a thousand dollars for the academic year of 1920-21. There were ten such scholarships last year but the number is to be doubled. Work in many branches of study, humanistic as well as technological will be offered. The state university is asked to name four, not later than April 1.

HUSKERS PLACE IN INDOOR MEET

Nebraska Tracksters Out-Distance Redmen in Mile Relay Event.

250 ATHLETES COMPETE

At the indoor track meet at Kansas City Saturday the Husker track team placed in three events. The meet was under the auspices of the Kansas City Athletic Club, in which 250 athletes, representing the colleges of the middle west, participated.

There was no school competition, as the meet was an individual affair. The individual taking the most points was awarded a silver trophy cup. As yet the officials have not announced the highest point man.

Fifteen men represented Nebraska at the meet. Williams placed third in the 1,000 yard run, which went at the fast pace of 2:29. Gish tried for third in the high jump with men from Manual Training High, Kansas City, and Westport High of Kansas City. The winner cleared the bar at six feet. In the mile relay Nebraska outclassed the Lidians from Haskell Institute. Owens, Egan, Carson, and McMahon winning for the Huskers. The time was 3:47.45.

This is a good showing for the Nebraskans as competition was keen, and the season yet early.

LOCAL ENGINEERS TO ATTEND CONVENTION

The University chapter of the American Association of Engineers will send two delegates to the first assembly of the state engineering chapters which is to be held March 24 at Omaha. The purpose of the assembly will be to bring about a unity of action between all the members when state questions are brought up for consideration. The Lincoln and Omaha chapters had recently voted favorably upon such a step and invited the students of the College of Engineering to aid them.

This is significant in that the engineering students are recognized as a real factor in handling problems throughout the state. Their opinions and suggestions will be given the same consideration as those of the practicing engineers of the state. This responsibility will make them better fit to meet problems when they leave university.

DELTA CHI VICTIM OF NIGHT PROWLER WHO SEIZES \$525

Awaking from a dream and finding it to be true may be delightful in some instances but not so with the member of the Delta Chi fraternity who awoke at four o'clock Saturday morning and found that the house had been robbed of three hundred fifty dollars and two diamond stickpins, valued at one hundred seventy-five dollars.

From all indications the plot was very carefully thought out. Chi, the Boston Bull mascot who has been acting in the capacity of watchman, disappeared Friday morning and the thorough "cleaning" occurred the following morning.

This finger artist apparently does not wish to be known as "The Gentleman Crook" for not satisfied with relieving the clothes, dresser drawers, and bill folds of their currency, he even carried off all of the street car checks and all the "war tax" in the house.

All sorts of clues were suggested by the poverty-stricken men from. "His taking Lincoln street car checks and leaving Omaha car checks proves that he is a Lincoln man," to "He's a student or the pennies wouldn't look so big to him," were suggested. Agreement was finally made with the detective who had charge of the case that the only hope of catching the crook lies in his pawing the two tie-pins.
