When every season brings a change Of twenty-five per cent On clothing that in quality ain't Worth a Hindoo cent; Why should we hand out precious coin. To pay these greedy birds. Who take it, laugh and raise the price,

The Freshmen of Alpha Gamma Rho While we vouchsafe no words.

H. B. Pier, Professor and Mrs. Lar- The thing to do is leave the bleeder And buy a pair of overalls. Or stuff that's cheaper made.

> To date some sixty colleges Flit thither in the halls, In work shoes, half the normal price, And old blue overalls; On top of which the profiteer Is shaking in his boots And wonders if we boobs at last Are going in cahoots.

So why not buy the overalls, And cheaper pairs of shoes? We ain't so proud, but what we'd give The profiteer his dues; The H. C. L. in clothing slumps When trade is only half, I move we join the ranks, it's time, We hugh the long last laugh.

shades. Favors, small candy corsages. were given each guest. Programs were in the shape of miniature airplanes. Margaret Perry, as toastmistress called upon the following responses:

"In the Factory"... Mildred Hullinger ...Mary Herzing "The Ascent". Arline Abbot "The Flight". Mary Waters "The Landing". "In the Hangar" Gladys Lowenburg Music for the evening was furnished by the Alpha Omicron Pi orchestra. Irene Barton gave a series of songs between two of the courses. The Freshmen of the fraternity as their "stunt" gave a Rainbow Chorus. Alumnae from out of town were: Jeanette Adams and Doris Vallery, Eagle; Florence Chittick, Stewart; Olive Wrightson, Mattle Higgins, Gladys Lowenburg, Alice Shelby, Mabel Salmon, Lou Schultz, Francis Ballard, Helen Ayres, Margaret Cornaby, Elizabeth Mitchell and Esther Smith, Omaha; Olive Oleson, Scotts Bluff; Winifred Moran, Hyannis; Carry Marshall Kline, Weeping Water; and Esther Murphy, Harvard.

Pi Kappa Phi

Fifty-five couples were entertained at a house dance given at the Woman's Building by Pi Kappa Phi. Baskets of late spring flowers were used throughout the rooms as decorations. Professor and Mrs. E. H. Barbour acted as chaperons. Out of town guests were: Ralph Park, Adams; Homer Storms, Auburn; Mr. and Mrs. Harlow Weatherbee, Clearwater, Kansas; and Reuben Claussen, Beatrice. Professor J. Lawton Ellis, the national treasurer of the fraternity, and a member of the faculty of the University of Wisconsin, was the guest of honor.

"The use of Goodyear Cord Tires on our trucks enables us to load fruit at the trees and deliver direct to the packing house without resorting to slow team hauling at all. The heavy sand in the groves makes it an utter impossibility to use solid tires in this work unless loads are transferred from teams to trucks at the road, a wasteful method." - W. F. Belcher, Packing House Manager, John S. Taylor Company, Citrus Fruit Packers, Largo, Florida

THE all-round ability of Goodyear Cord Tires on trucks, as evidenced in many cases like this, reduces much farm work connected with hauling as well as the actual time, labor and cost of the hauling itself.

A truck on the tractive Goodyear Cord Tires easily penetrates the plowed, miry and sandy interiors of farms, whereas a truck on solid tires, handicapped by lack of traction, must have crop loads brought to it at the roadside.

Where men's shoulders must help budge sticking wagon wheels and horses are injured by hard pulling, the gripping Goodyear Cord Tires roll through easily, quickly and quite smoothly.

They are here, there and everywhere, keeping up with pickers and threshers, supplying grinders and cutters, doing chores between hauls and going to town and back with a saving of time that is intensely valuable.

All their advantages, curtailing manual work and assisting motor work on the farm, are combined with an extraordinary toughness by Goodyear Cord construction, a result of that thought and care which protect our good name.

The farm records of many sets of Goodyear Cord Tires, detailing savings effected and mileages ranging from 12,000 to past 35,000, can be obtained by writing The Goodyear Tire & Rubber Company, Akron, Ohio.
