MUSKERS SHOW SPEED IN MEET

Wright Does 440-Yard Hurdle Finals in 55.2 and Takes Third at Penn Classic.

GRAF STARTS LIKE DEMON

Before 30,000 cheering fans that filled the stadium on Franklin Field, Philadelphia, Friday and Saturday, Nebraska men who were entered in the great American track classic, showed up extremely well pitted against athletes of international fame. Coach Schulte declared that the Penn track was in excellent condition—a striking contrast to the cinder path at Nebraska on which Husker athletes trained.

In Friday's events, Graf started off with a burst of speed in the three-mile event. The Philadelphia Public Ledger had the following to say in regard to this Husker man: "Graf of Nebraska, an added starter, led the field for the first three-quarters of a mile, with Montague, Nightingale and W. K. MacMahon (of Massachusetts Tech) fifteen yards back in the bunch." It was not until the race was well under way that Montague, the famous English runner, passed the little Husker and later he was edged out by Nightingale, the famous trackster from New Hampshire. As the runners bunched up on the path, Graf was tripped and bowled over into the grass at the side of the track.

The Pentathlon

In the Pentathlon Dale looked like a winner until 200 meters when he lost a shoe and was not able to place. He looked like a fourth or fifth place man but ended seventh in the event.

Hurdles

Finney and Wright were slated to battle against the world's best hurdlers in the events that followed. In the 120-yard event, Finney and Wright were entered, and Finney would have placed in the finals, had not Smith, of Cornell, stopped his progress with a slash of his hand. Finney was conceded to be one of the three best hurdlers in the Pennsylvania meet. He was good until the seventh hurdle in this event. Thompson (Continued on Page Four)

DEBATERS REPORT ON RESULTS OF ARGUMENTS

Nebraska-Iowa Forensic Battles Reviewed at "Autopsy" Monday Afternoon.

The Nebraska-Iowa debates were reviewed at an "autopsy" Monday afternoon in U 106. The course of the battle at Iowa City was described by O. A. Drake, Law '22, W. C. Cull, Law '20, and Miles Hildreth, '21. For the information of the negative team, Robert Van Pelt, '20, Law '22, L. B. Finkelstein, Law '22, and C. C. Strimple, Law '22, described the contest in the Temple Theater.

Prof. Edwin Maxey, Prof. M. M. Fogg and Prof. C. E. Green went over the debate at Lincoln in detail, comparing the workmanship of the teams on the specific points that determine effective debating. The faculty members complimented the Nebraskans on their case, and in the manner in which they presented it.

The negative team reported that it had a very enjoyable trip; that it was entertained finely during Friday which ended with the largely attended luncheon under the auspices of the Forensic League, composed of three literary and debating societies.

BASKETBALL MEN

Coach Schissler wants all last year's Freshman Varsity and all men who intend to go out for basketball next year to be present at a meeting to be held Wednesday morning at 11:50 in the Athletic Office. At this meeting Coach Schissler will take up some very important points and every man intending to go out for basketball is urged to be present. Roll will be taken and those not present will not be issued suits next season.

BIG SCORES OPEN GREEK BALL SERIES

Silver Lynx and Alpha Sigs Decisively Defeat Pi Kaps and Phi Gams.

The Silver Lynx and Alpha Sigma Phi nines opened the Inter-Fraternity Baseball Tournament Monday afternoon by defeating the Pi Kappa Phi and Phi Gamma Delta teams respectively.

The Silver Lynx had everything their way in a seven inning game with the Pi Kaps, receiving 10 tallies to the opponents 3. The McDonald-Wilson combination proved to much for the Pi Kaps, McDonald hurling the pill for the Lynx had good support and succeeded in retiring ten men via the air route, Collins and Thomas was the battery for the Pi Kaps. Newmann, of the Lynx aggregation, pounded the ball for four bags.

The second frame of the Alpha Sig-Phi Gam contest was a merry-go-round for the former nine which annexed six runs before the Phi Gams could stop the onslaught. The final count of the five inning fracas was 10 to 0. Diers was on the mound for the Alpha Sigs and Corr behind the home plate. Burke and Graves divided the slab honors for the Phi Gams.

Today's Baseball Schedule

Alpha Theta Chi vs. Sigma Phi Epsilon, six o'clock, M street park.
Acacia vs. Delta Upsilon, one o'clock, Cushman park.

VESPERS TODAY

Miss Edith Hazlitt, formerly of the New York Headquarters of the Student Volunteer Movement, will address the Y. W. C. A. Vespers at five o'clock Tuesday afternoon, in Woman's Hall. A special musical program will be given.

Show Your Colors!

Senior, have you your colors? If you do not have them, you are behind the procession, and your dignified position will not be recognized. That little bit of scarlet and cream ribbon is the sign that you belong to the proudest fraternity yet instituted upon the campus: the Class of 1920 of the University of Nebraska. Then hurry to put on the sign of your condition! A committee will be on the watch for you all week. If one of them has not already caught you, you can get the colors at any time from Ruth Sheldon.

Colors will be worn all this week. The climax of Color Week will be the Senior Mixer this Saturday in the Armory. If you do not come you will miss the best sort of a good time. Be true in your colors!

STUDENTS CAST BALLOTS TODAY

Special Election Called to Vote on Amendments and Honor System.

MASS MEETINGS SOON

BALLOT	
AMENDMENTS TO STUDENT COUNCIL CONSTITUTION	
Vote for One	
For adoption	<input type="checkbox"/>
Against adoption	<input type="checkbox"/>
HONOR SPIRIT PLAN	
Vote for One	
For adoption	<input type="checkbox"/>
Against adoption	<input type="checkbox"/>

The honor spirit plan and the Student Council constitution will be voted upon today. The polls in Social Science Building and at the Farm campus will be open from nine to twelve and from two to five. Mass meetings will be held Thursday to nominate candidates for membership in the Student Council next year. The places for these meetings will be announced Wednesday.

The honor spirit plan is in the limelight in the high schools, colleges and universities all over the United States. It is hoped that every student will vote on it so that the decision will be representative.

AIR OF MYSTERY VEILS FIRST "SENIOR SHINDIG"

Something Every Fourth-Year Student Should Know Will be Revealed.

The first of a series of social events which will mark the last weeks of school life for the present Senior class will be held next Saturday evening in the form of the "Senior Shindig." This is distinctly an all-Senior affair and every member of the "Twenty" class is expected to be present. In fact the committee asserts, with an air of mystery, that any Senior who is absent will have cause to regret it. There will be various forms of entertainment for those who do not care to dance, so that no Senior will have any legitimate reason for remaining away.

The "Shindig" will bring to a fitting close the Senior Color Week, one of the innovations introduced by the Class of 1920, and a custom which gives promise of becoming a campus tradition. Every Senior will wear the colors throughout the week and will have them on at the "Shindig." Also the plan for each Senior to speak to every other Senior will be continued until the lights go out at Woman's Hall on Saturday night.

Due to the large number of Seniors who will attend the party, no effort will be made to sell tickets but the admission price of fifty cents will be collected at the door.

The committee wishes it understood that no Senior is to stay away for lack of a partner, for there will be as many present "with" as "without."

FRESHMEN WILL HOP TUESDAY, MAY 18

The semi-annual Freshman Hop will be given Tuesday evening, May 18, at the Knights of Columbus Hall. Beck's orchestra will furnish the music. The committee has planned several novel entertainments.

Tickets will be on sale today and may be obtained from any member of the committee. The committee follows: Ray Stryker, chairman; John Barr, Genevieve Gallagher, Maude Miller, Frances Hopper, Dorothy Lyons, Eulalia Ryan, Raymond Cook, Wilber Wolfe, Lurene Boone, Clyde Nickolson.

ENGINEERS WILL PRESENT PORTRAIT

Special Program at 11 O'clock Today Sponsored by Sigma Tau.

The Annual Engineering Convocation will be held this morning at eleven o'clock in Memorial Hall under the auspices of Sigma Tau, honorary engineering fraternity. R. B. Howell, general manager of the Metropolitan Waterworks of Omaha, and Governor McKelvie will speak, and the fraternity's tradition of presenting to the College of Engineering a portrait of men who have been connected with the development of engineering in the University, but who are no longer here, will be continued at this convocation.

Mr. Howell, following his graduation from the United States Naval Academy, served in the Spanish-American War and also in the late War. He was the Republican candidate for governor in 1916 and will be remembered as a very interesting speaker. This convocation this morning is held in conjunction with the annual Engineers' Week which is being observed this week.

The parent chapter of Sigma Tau was established at Nebraska on February 22, 1904, and since then chapters have been organized in the Universities of Pennsylvania, Illinois, Colorado, Kansas and Oklahoma. Chapters are also located at the state colleges of Kansas, Oregon, Washington and Pennsylvania. Swarthmore College in Pennsylvania also possesses a chapter. Only Junior and Senior Engineers are eligible to this franchise. (Continued on Page Four)

GREAT EDUCATOR TO LECTURE TONIGHT

Graduates of Training School for Christian Leadership Will Hear Dr. Cope.

Dr. Henry F. Cope, editor, educator and author of Chicago, will deliver an address to the Training School for Christian Leadership graduates, in the Assembly Room at the Teachers' College this evening.

Dr. Cope is a man nationally prominent for his work in religious education. He is the editor of the journal of the Religious Education Association, which corresponds to the National Education Association in public education, and is also the secretary of this organization.

He has written many books among which are "Friendly Living," "The Present Day Task of the Sunday School," "Religion and National Character," and "Religion and the Family."

Dr. Cope is well known to several members of the University faculty who promise that his address will be one which is worth while. The affair is open to the public and everyone who is interested is invited to come.

COYOTES INVADE CAMP THURSDAY

South Dakota Comes Here May 6-7 Instead of Huskers Going North.

STIFF SCHEDULE PLANNED

The Nebraska baseball schedule has been switched and instead of the Cornhuskers going to South Dakota May 6 and May 7, the South Dakota Coyotes will invade Captain John Pickett's camp for a brace of games next Thursday and Friday.

This change is necessitated by the cold weather that South Dakota has been subject to and conditions are not favorable there at present for good games. Coach Schissler received a request from the South Dakota manager asking for this change and Schissler wired him immediately that he would be pleased to meet the Coyotes here and give the Husker fans an extra series of home ball. The Huskers will make the South Dakota trip later in the month.

South Dakota is a baseball country and every one takes a keen interest in the national game in that territory. Consequently the Coyotes will roll into Lincoln Thursday morning with a strong aggregation ready to give the Huskers a run for their money. The South Dakota management boasts of a pitcher who will enter the National League as soon as the school year is over and the Husker sluggers will be given a good opportunity to show their wares against a big leaguer.

With the addition of the South Dakota series added to the list, Coach Schissler has lined up a good string of games to be played on the home lot during the remainder of the season. May 6 and 7 Nebraska meets the South Dakota University. Drake University comes over from Des Moines to meet Pickett's men on May 14 and 15, and California will meet the Nebraska Huskers on May 19. The South Dakota games start at 4:30 p. m.

FEAST AT LINDELL WILL CLOSE ENGINEERS' WEEK

Reservations Made for 300—Prominent Speakers to Head Toast List.

Engineers' Week will close Saturday night with the annual Engineers' Banquet at the Lindell Hotel. Preparations for the banquet have been under way for some time, and the committee has planned to make the annual affair a fitting climax to the Engineering activities of the week. A few surprises have been promised, but the committee refused to divulge the nature of these for publication. Reservations have been made for 300 and Engineers are requested to get their tickets early.

The principal speakers will be John A. Bruce, city engineer of Omaha, and Prof. William L. DeBaufre, of the Mechanical Engineering Department. Mr. Bruce's experience as the city engineer of the state metropolis will make his talk worth while to the embryo engineers of the University. Professor DeBaufre needs no introduction to the Engineers. Though only completing his first year as a member of the faculty at the University of Nebraska, his work and interest in engineering activities have made him known to all the Engineers on the campus.

Three Big Athletic Events May 6, 7 and 8

Thursday, May 6
BASEBALL
South Dakota vs. Nebraska
4:30 P. M.

Friday, May 7
BASEBALL
South Dakota vs. Nebraska
4:30 P. M.

Saturday, May 8
TRACK AND FIELD MEET
Haskell Indians vs. Nebraska
2:00 P. M.
