MASS MEETINGS HELD THURSDAY

Thirty-two Candidates Nominated from Nine Colleges for Student Council.

ELECTION ON MAY 13

Thirty-two University students were nominated for places on the Student Council Thursday morning at eleven o'clock by nine colleges of the University. Fifteen candidates out of the field of Thursday's nominations will take oath immediately after the election, Thursday, May 13. The polls will open at nine o'clock in Social Science and will close at five.

The following candidates were nominated on the Council for next year:

Juniors (to elect two men and two women):

Paul Sidel
Russell Bailey
Lawrence Metzgar
Sam Brownell
Marjorie Barstow
Hattie Hepperly
Ruth Lindsay
Helen Holtz

College of Agriculture (to elect one man and one woman):

Asa Hepperly
Glen Baldman
Mary Hardy
Mary Herzig

College of Business Administration (to elect one man):

Leonard Waltermann
J. G. Reid

College of Arts and Science (to elect one man and one woman):

Mary Sheldon
Kathryn Harley
Henrietta Stahl
Margaret Henderson
Grace Stuff
Floyd Paynter
Joy Gillford

JUNIORS ARE VICTORS IN SWIMMING MEET

Katherine Wolf Takes Individual Honors in Girls' Inter-Class Pool Contest.

The swimming honors were warmly contested by the girls who took part in the annual Girls' Inter-Class Swimming Meet held at the high school pool Thursday evening. A group of enthusiastic girls witnessed the meet.

The honors were awarded as follows:

Side stroke—Ruth King, Junior, first; Eloise Green, Sophomore, second; Joyce Rundstrom, Freshman, third.

Back stroke—Helen Clark, Junior, first; Katherine Wolf, Sophomore, second; Joyce Rundstrom, Freshman, third.

Breast stroke—Mary Shepherd, Junior, first; Eloise Green, Sophomore, second; Mary Redgwick, Freshman, third.

Standing front—Ruth King, Junior, first; Greta Sandborn, Freshman, second; Katherine Wolf, Sophomore, third.

Running front—Ruth McKinney, Junior, first; Greta Sandborn, Freshman, second.

Novelty Race—Katharine Wolf, Sophomore, first; Lois Shepherd, Freshman, second; Ruth McKinney, Junior, third.

Class Relay—Freshmen, first; Junior, second.

Stunts for Freshmen—Greta Sandborn, first.

GIRLS' TRACK MEET POSTPONED

Conflicting Dates for Use of Athletic Field Cause.

The Girls' Track Meet has been postponed from May 8 to May 22. The change was made necessary because of conflicting dates for the use of the athletic field. As now planned it will be held on the athletic field at nine o'clock in the morning, May 22. A list of leaders for the events and officials for the meet will be posted in a few days on the W. A. A. bulletin board. Posters listing the various events and practice hours are now up on the board.

Experienced tracksters are on the field at most of the practices ready to aid girls in developing the fine points in tracking. If any girls think they can run or jump they are urged to begin training now. Since the meet has been postponed there is still an opportunity to get into form for the events. No definite number of practices are required in order to be eligible to enter the track meet. Each contestant can enter three events besides the class relay race.

RAIN NO BAR TO INTER-FRAT GAMES

Delta Chi Annihilates B. E.—Phi Psi's Drub Phi Delt's 12-11.

A little rain and mud did not dampen the ardor of fraternity fans as they marched to various fields at various times throughout Thursday to see their bunch either licked or victorious. Sorority girls seemed to take a special interest in the struggles, but as they are rather diplomatic in their rooting, cheering from sorority quarters was not very loud.

In a merciless slaughter Delta Chi annihilated Bushnell Guild 17-4. Beck delivered for the Delta Chi's and Whittier and Bridenbaugh received. Beck struck out sixteen of the Bushnell Guild nine. Reed and Addison were on the mound for the B. G.'s and Judd caught. The game was marked by heavy hitting in every inning by the Delta Chi's, while the Bushnell Guild's were held to a few and far-between smashes.

A large crowd was on the high school field to see the outcome of the Phi Delta Theta-Phi Kappa Psi combat which was called Wednesday evening in the sixth inning because of darkness. The last half of the sixth the Phi Psi's netted four runs and connected with the sphere for three other tallies before the nine innings were up. The game was a neck-and-neck race and an excellent brand of ball was played. The Phi Delt's hit Wright for four runs and the game stood at the end 12 to 11 in favor of the Phi Psi's. Wright and Peterson was the battery for Phi Kappa Psi and Hartley and Koehler worked for Phi Delta Theta. Smith of the Phi Psi nine smashed a three-bagger at a critical moment when hits were needed. Seymour and Harding starred for the Phi Delt's.

Games for today are:
Sigma Chi vs. Phi Kappa Psi, State Farm.

Kappa Delta Phi vs. Alpha Tau Omega, Cushman field.

Kappa Sigma vs. Farm House, M street park, six p. m.

Sigma Nu vs. Beta Theta Pi.

Ruth Lindsay, '21, returned yesterday from Ann Arbor, Michigan, where she had been attending a conference of the Woman's Self Governing Association as the official delegate of the University.

WEAR YOUR OLD CLOTHES AND SUBSCRIBE TO THE GYMNASIUM FUND!

Stop! Look! Listen! before you buy that \$85 suit you have been gazing at in a down-town window for the past two weeks. Sacrifice something new this year. It is being done. It is stylish. Put only a tenth of the cost of that new suit in the Memorial Campaign drive, and you will have done a service to the University, to Nebraska and to her athletes. By this act you will also pay tribute to our state's heroes who fell on European battlefields. The proposed gymnasium and stadium are not merely monuments to Cornhusker sport accomplishments of the past, but they will commemorate what may be accomplished in a brilliant future. Surely every student will not wait to be ASKED to contribute to a fund with such a manifold purpose; surely YOU as a representative CORNHUSKER will fall in line and help the University "go over the top" with its quota. The Campaign will be launched soon. WHO WILL BE THE FIRST TO SUBSCRIBE?

"GET ACQUAINTED" AT SENIOR SHINDIG STATES COMMITTEE

Color Week Now a Tradition—General Pershing Promises to Send Ivy.

While vigorously carrying out the plans for Senior week the Seniors have not been too busy to work on other activities. They have received word from General Pershing that he will send the ivy to be planted Ivy Day.

Members of the Senior class think that Color Week has been so successful that it will become a tradition. Very few Seniors have not displayed their colors; cordial "hello's" have been called out among students who had found it impossible to make each other's acquaintance under the conventionality that reigns ordinarily. An opportunity not only to say "hello," but to become really acquainted will be offered to the Seniors at the mixer, Saturday evening, May 8. Tickets will not be sold beforehand, but admittance of fifty cents a person will be charged at the door. This party is for the Seniors only and all the Seniors. Everybody is urged to attend. Dates will not be the rule of the party.

The Ivy Day committee said they would be ready to announce the class poet the first of next week. The orator, H. P. Gravenaard was elected in the early part of the term. The afternoon part of the program will be at Antelope Park. The committee will provide supper there.

UNIVERSITY MEN MEET AT COMMERCIAL CLUB

Approximately 200 representatives of thirty-three colleges and universities of the country met at the Commercial Club for an Inter-University Club banquet Thursday evening. The idea of the club is to further the interests as citizens of the various communities from which college men come. Faculty and alumni from all over the United States were among the representatives. Chancellor Avery, Judge Holmes and other noted men graced the speakers' list.

PLANS MOTHERS' DAY PROGRAM

Dean Heppner Making Arrangements to Hold Meeting Sunday.

A special program has been planned for University girls in observance of Mothers' Day next Sunday. That is the day when people all over the country will dedicate their thoughts to their mothers. Dean Heppner has planned a program for the girls and as many of their mothers as can come. Her announcement follows:

"The University girls will observe Mothers' Day in Woman's Hall, Sunday, May 9, at four o'clock. A short program of talks and music will be followed by an informal tea. All young women are cordially invited to attend and to bring with them their mothers, sisters and other women relatives. As this would be a convenient time for out-of-town mothers to pay their daughters a visit will you not ask each girl to invite her mother at once to attend the University Girls' Mothers' Day celebration? It is to be hoped that all town mothers can arrange to be present.

AMANDA H. HEPPNER,
"Dean of Women."

HASKELL SPEEDSTERS TO RACE HUSKERS

First Meet on Local Track Looks Bright for Nebraska Squad.

Coach Davis of the Haskell Institute and his tribe of twelve Redskin track marvels will arrive in Lincoln today to meet Coach "Indian" Schulte's Varsity cinder-path artists in a dual track meet slated for Saturday afternoon at two-thirty o'clock.

This is the first track meet of the season at the University. Nebraska's chance for victory against the foreigners is exceedingly bright according to Coach Schulte Thursday afternoon. The local runners have been diligently training for this meet. Each afternoon a score or more men are seen pacing the cindered stretches whipping their strides into championship form. Deering and Gibbs are expected to grab the honors in the century dash. Both men are sprinting the course at a ten-second clip. Stromer, Owens and McMahon have been chosen to run the 440. Schulte is placing great confidence in Newman, Eagan, Dorn, Harper, Graf, Kretzler, Finney, Wright, Gish and Flood to carry the track laurels. In the field department will be represented Carson, Reese, Dale, Reavis, Gish, Bekins, Lees and Gerhart.

Reports from the Haskell camp indicate that her men are coming to Nebraska intent to scalp. Ottawa, Washburn, William Jewell and the College of Emporia have fallen in the path of the braves this season. Thompson has clipped the 100-yard dash in 9 4-5 and Coach Davis claims this little fleet-footed artist will give Nebraska's men close competition in this event.

Coach Schulte announces Nebraska's track roster:

100-yard dash—Deering, Gibbs.
220-yard dash—Deering, Gibbs, or Owens, or McMahon.
440-yard dash—Stromer, Owens, McMahon.
880-yard run—Newman, Eagan.
Mile run—Dorn, Harper.
Two mile—Graf, Kretzler.
Pole vault—Lees, Gerhart.
High jump—Gish, Bekins.
Broad jump—Deering, Carson.
Shot-put—Reese, Dale, Carson.
Discus—Carson, Dale, Reavis.

LOCALS SHUT OUT DAKOTA COYOTES

Huskers Donate Goose-Egg to Northern Neighbors by Air-Tight Playing.

PLAN HARD SCRAP TODAY

Schissler's Husker nine completely walloped the Coyotes from the South Dakota University 7 to 0 yesterday afternoon at the M street ball park, before three hundred enthusiastic rooters. The game was featured by consistent hitting on the part of the Nebraska sluggers and a number of stellar plays by both teams.

The home artists were able to pull out of many tight places by the excellent support given by individual players. The much-heralded slab artist from Vermilion who expects to enter the big leagues as soon as college baseball takes a back seat, failed to deliver the goods against the onrushing Huskers. He seemed to depend upon his out-drop during the entire battle, but the Schissler proteges had little trouble connecting with the sphere.

Captain Pickett pitched his usual consistent ball, and the work of Hubka in the center garden proved that the Coyotes could find little hope of a safe hit with a fly in that direction. Hubka also worked well at the bat, making both a single and a double at critical moments. Nebraska hit the ball at opportune times. The errors made by the Husker nine were at periods when they counted but little. Pickett and McCrory smashed the ball for two hits each. Lynn connected for a pretty two-bagger.

For the enemy Morkey at first base and Duncan in right field divided the three hits doled out to the Coyotes between them. Hengle who twirled

R. O. T. C. CADETS MUST RETURN UNIFORMS

Students Cannot Keep "Issues" After School Closes Due to Change in Regulations.

Due to the changing of the R. O. T. C. regulations recently made by the war department, the uniforms issued to the men at Nebraska will not become their property after a year's drill; but must be returned to the University in the best of condition. At the first of the year the announcement was made that after a year of drill each student could keep his uniform. This change by the war department will make such a privilege impossible.

Following are the final regulations as adopted by the war department:

SPECIAL REGULATIONS NO. 44

War Department
Washington, August 19, 1919.

The following regulations and instructions governing the establishment, administration and maintenance of the Reserve Officers' Training Corps (R. O. T. C.) at educational institutions and the issue of government property thereto in accordance with existing laws are published for the information and guidance of all concerned. Any regulations and instructions now in effect which conflict with these regulations are hereby rescinded.

The provisions of the act of June 3, 1916, and of these regulations do not affect obligations to provide military
