

WEDNESDAY BIG DAY FOR DRIVE

(Continued From Page One) drive proper on the campus closes tonight, May 27. One day extension was given to the time allotted for the campaign, but today is absolutely the last chance for students to sign pledge cards.

Jack Best Contributes

Jack Best, Nebraska's "grand old man" of athletics, contributed \$10 toward the new athletic buildings entirely unsolicited. He says he has been waiting for the time that he would be given the opportunity to help Nebraska build a new structure for the training of her athletes. Yesterday when a student was approached and asked to subscribe and later refused, Jack Best overheard the refusal and when he was through talking to the student the latter was glad to place his name on the pledge card for a substantial amount.

Wednesday was the heaviest day for subscriptions in the campaign. Students are asked to make today even more successful and to assure that Nebraska will "go over the top" at the zero hour, confident of a complete victory.

Georgia Tuttle, '19, who is teaching in Schuyler this year, visited the Delta Gamma house Monday.

NUMERALS WILL BE AWARDED THURSDAY

Track Men Have Until Wednesday Night to Alter Records on Field.

The Numeral Meet will be held open until next Wednesday night. This will give each man the chance on Monday, Tuesday and Wednesday afternoons to better either his own or another's record.

Any man who is not working for a letter or any Freshman who is not eligible for the Varsity may compete in this numeral meet. Eleven points will be given in each event, five for a first, three for second, two for third and one for fourth place. A man must have won two points before he is entitled to wear the numerals.

Numerals Are Official

These numerals, like the letters given for Varsity work, are official and cannot be worn by anyone who has not earned the right to wear them. The winners in this meet will be given the numerals "21," "22" or "23" according to their status in the University.

So far some rather notable work has been done by the Freshmen and first year track men. Beezer has done the quarter-mile dash in 53:01. Layton a half flight of low hurdles in 13 flat, and Gardner has made the half mile in 2:08. Hodson ran a half night of low hurdles in 13:02 and Bachkora has the time of 10:43 in the two-mile run. Modlen and Dobish got over the bar at 10 feet 3 inches in the pole vault, but each have done better in daily practices and will raise this height before Wednesday night.

MARJORIE BARSTOW WILL HEAD W. A. A.

(Continued From Page One)

"N" Sweaters Awarded

Ten girls received "N" sweaters for winning one thousand W. A. A. points at the University: Marjorie Barstow, Kathleen Hargrove, Marjorie Haycock, Margaret Henderson, Martha Krogmann, Mary Shepherd, Mary Stephens, Sue Stille, Ruth Swenson and Helen Curtis.

The association pledged \$500 to the Memorial Fund at the meeting. Half this amount will be taken out of the treasury this year, and the remaining \$250 next year. This money is earned by the girls through the concessions that they maintain at games. The concession manager, appointed by the president, was given a place on the W. A. A. board.

TRACKSTERS OFF FOR MEET TODAY

(Continued From Page One) or first in this meet will probably be taken to the Western Conference meet at Ann Arbor on the following week. Owen has been showing good form in the hundred but a pulled muscle sustained last week will keep the Coach from placing too much confidence in placing two men in the hundred.

Coach Schulte already has sixty-eight names in his list of cross-country runners and by the time school opens next year, hopes to have 125 out for the cross-country runs, something which has never before been equalled at Nebraska. If his plans materialize next year will be a banner year for Nebraska on the track.

HUSKERS SET FOR LAST BALL GAME

(Continued From Page One) beat the city champs," was Pip Cooke's boast Wednesday afternoon, "and we will do the same to the Rah Rah's Thursday afternoon."

The game with South Dakota in which Pickett did not pitch proved to Schissler that he did not have to depend upon the captain altogether in winning and relies upon the fielding of the team to back up whoever is on the mound. Since this is the last ball game of the season, the Nebraska team will go out on the field Thursday afternoon and play the same brand of ball that took the game away from the fast California team on Ivy Day.

At last Warm Weather

And with this delightful season of the year comes the natty light weight comfortable straw hat—

Straw Hats for Style and Comfort

are shown in this remarkable early season showing—Sennit braids, "Dawlish" braids and many other soft, rough straws—for the young fellows—

Balibuntals, Panamas and Bangkoks for the man who waits extremely fine texture and lightness of weight.

Prices Extremely Reasonable

In these days of "high prices" you'll be glad to know that straw hats have not made the rapid advance which is so apparent in other lines—you'll find here splendid hats at

\$3.50, \$4.00, \$5.00, \$6.00 and \$7.00

Other Fine Imported Hats at \$10, \$12 and \$15
