this summer but has returned to Lincoln. Mrs. Taylor is making a visit in Boston.
 Dr. M. G. Wyer was at Grand Lake, Col., this summer.
 Professor Fossler is visiting his daughter in Stillwater, Minn. Professor Fossler's son-in-law is Professor Pate of the University of Minnesota.
 Professor Poole has been doing research work for a smelter near Salt Lake City this summer. He has been studying the effects of fumes upon plant life and has performed some valuable experiments.
 Professor Waite has been in the city during the summer busy with bacteriological tests for neighboring cities.

CO-EDS GO ABROAD TO STUDY

Katherine Brenke, '22, Awarded Scholarship from French Government.

Several prominent Cornhusker co-eds are planning to spend some time abroad this year. Almarine Campbell, '22, and Katherine Thompson, '23, have gone to Paris where they will study interior decorating and French Literature. They will stay with Miss Campbell's relatives and will return in about a year.
 Katherine Brenke, '22, is one of twenty-two American girls who were awarded a scholarship of a year's schooling in France at the expense of the French government. The twenty-two girls were to be under graduates of American colleges and five graduates were to receive the same scholarship honor. The schools in France continue until July and Miss Brenke does not expect to return to this country until the middle of next summer. She is the daughter of Professor and Mrs. W. C. Brenke. Harriett Adams will accompany Miss Brenke on her journey from New York September 23 on the "Rochambeau." She will study music. Although the girls do not know where they will be sent, they will be to

AWGWAN will not be out until next week, because of delay in assembling copy.

FROM ROMPS TO CABARETS

Sorority Parties Include Dazzling Functions this Week.

That the names of sorority rushing parties this year are dazzling to say the least is well proved by scanning a list of the various festivals.
 The parties include "La Belle Vanitie," dinner dances, rose luncheons, county fairs, tea dansants, waffle breakfasts, Hawaiian frivols, "La Petite Dejeuner," "La Soire Dan-sant," Monte Carlo carnivals, "Vanity Fair" luncheons, Japanese breakfasts, butterfly luncheons, vari-colored teas, a moon winks romp, crystal luncheons, a Mother Goose dinner, a soiree elite, a "Puff" luncheon, dream garden parties, Oriental fetes, candle light breakfasts, cabaret dinners, sunshine breakfasts, "Vogue" breakfasts, twilight fetes, Parisian nights, La Faire Unique, daisy breakfasts, and cotillions from the Crescent variety to the Cinderella affairs.
 Variety is surely the spice of life!

SOPHOMORE GIRLS PLAN BIG FRESHMEN WALKOUT

Specially Conducted Tour of Campus Something New to Cornhuskers.

Twenty-six Sophomore girls, former members of the Freshmen Commission of the Y. W. C. A., remembering their difficulties as Freshmen last year, invite all first-year girls and new students to meet them at Woman's Hall, Saturday morning at ten o'clock.
 The Freshmen Walkout will consist of a tour over the campus, with special attention given to locating class rooms where Freshmen classes will be held. Girls are asked to bring with them a list of rooms in which they will have classes so that they will know where to go on Monday morning.

Leaders of the tour will be prepared to answer all questions which are puzzling the girls who are having their first experiences on Nebraska campus. At the close of this personally conducted tour the girls will be treated to a luncheon in Woman's Building.

DON'T BE A RAG PICKER—BUY A SUBSCRIPTION NOW

(Continued from Page 1.)
 and sometimes embarrassing. There is a possibility that the regular subscriber will want to read the paper when you want to, and perhaps he may want it back all of a sudden if you do get it for a moment. And the clerk at the window might want to know your name as you try to "pick" one, and it might be an unpleasant task of explaining that your name was not on the list.

However, there is no need to worry in the least, for there are solicitors all over the campus who will be glad to do you the favor of collecting your one dollar and a quarter and making you a regular subscriber of "The Rag." Then you can get your own paper each day and can take it with you wherever you want, and read it to your heart's content. It is the sure and safe way of assuring yourself that you will know all the news of the campus while it is news every day.

Send a "Rag" Home.
 If you are overlooked by all of the solicitors, you can go down to the Student Activities office and turn in your subscription there. And if you want to, just subscribe for your sister or mother, and they too can read the paper each day, wherever they may be. They will enjoy it as much as you do, and it will make it easy for you to write interesting letters to them because they will be posted on school affairs.

PERSONALS.

Ruth Wilson, '20, leaves for Wellesley September 25 where she will take graduate work.
 Hoyt Hawke, '22, is a guest at the Sigma Chi house.
 Lurene Boone, '23, returned to school from her home in Weeping Water.
 Robert McCreery, '22, has returned to school from Wahoo.
 Mildred Rockwell, '22, returned to school Tuesday from her home in Omaha.

Dr. Fred Upson spent the summer at Pelican Lake, Minn.

AWGWAN will not be out until next week, because of delay in assembling copy.
