

HUSKERS FORCED TO TAKE THE

(Continued from Page One)
band added a great deal of spirit to the contest and received many favorable comments from the Kansas rooters.

The second half of the battle was all for Kansas. The Jayhawks uncorked a series of forward passes that completely baffled the Huskers. Nebraska was able to break up a large number of the passes but the Lonsberg-Mandeville combination was too much for the Cornhuskers and before time was called Mandeville had romped over the Husker line for three touchdowns. Kansas lost her last chance to defeat the Nebraskans when Sandefur missed the last and deciding goal.

Detailed Account.

A more complete detailed account of the game is as follows:

Nebraska kicked off to Kansas and the Jayhawks were forced to punt almost immediately. Nebraska's backfield composed of Dale, Wright, Hartley and Newman at once advanced the ball into Kansas territory where Dale soon went over for the first touchdown. Penalties were inflicted frequently on Nebraska but nothing could stop the Husker advance. The Kansas were outweighed considerably by the Husker line which could be easily seen when the big Husker forwards would cut the Jayhawks' line to pieces during the first quarter. The second quarter was all Nebraska's. The Huskers had no sooner obtained the pigskin when Wright, Hartley and Dale started a series of rushes that brought the ball to within scoring distance of the Kansas line. Dale went over for the touchdown and Bill Day kicked the goal making the count 14 to 0 in favor of Nebraska. Munn booted the ball to Kansas who made a short return and lost the ball on downs. The Husker march resumed its old form and started for the Kansas goal. Newman caught the Jayhawks napping and Hartley shot a forward pass to Swanson who demonstrated his ability as a broken field runner by eluding a number of Kansas tacklers and scoring a touchdown. Day failed at goal, making the Husker total 20 to Kansas nothing. This ended the scoring for the rest of that period.

Kansas Scores in Second Half.

The second half opened with Kansas kicking to Nebraska. Nebraska met a sturdy opposition and was held for downs. Kansas returned the punt after they had failed to gain and Nebraska missed the ball and Kansas recovered. Line plunges by Mandeville and Lonsberg failed to gain. A perfect forward pass, Lonsberg to Mandeville, resulted in the Jayhawks' first touchdown. Kansas kicked off to Nebraska and the Huskers started a march to the Jayhawks' goal but were held for downs. Lonsberg started an aerial attack which resulted in a touchdown. Sandefur missed the goal and lost Kansas her last chance to defeat the Nebraskans. One touchdown by Swanson was disallowed when he stepped outside after sprinting fifty yards on a pass. The final period started with Nebraska striving to add another touchdown to the score but Kansas braced and the Huskers were unsuccessful in their attempts. Kansas started her passing tactics and took the ball to Nebraska's one yard line where the Huskers braced and held. Nebraska started another march for the Jayhawks' goal with Thompson and Hubka making big gains on every play. The final whistle blew with Nebraska in possession of the ball on the Kansas fifteen yard line.

Dale, Wright, Swanson, Scherer and Hartley were the big factors in Nebraska's scoring machine.

OHIO STATE NOW LEADS IN WESTERN CONFERENCE

Wilce's Eleven is Only Undeatead Team in Big Ten—Plays Illinois Saturday.

CHICAGO, Nov. 13.—Ohio State stood Saturday at the head of the list in the race for the Big Ten football championship.

Coach Wilce's eleven is the only team in the conference which remains undefeated, following Illinois' downfall at the hands of the Badgers at Madison. Whether or not they can consolidate their advantage and grab the championship will depend on next Saturday, a game at Urbana when Illinois meets the Buckeyes.

If Ohio wins the game, the championship will go with it. In case the Illinois team is able to come out with a victory, the race will be a three-tie affair between Ohio, Wisconsin and Illinois.

Since Ohio defeated Wisconsin, while the Badgers won from Illinois, the dope would seem to favor the Buckeyes. Ohio will have had a two weeks rest while Illinois will be just recovering from the severe bruises of the Wisconsin game. However, the Wisconsin which defeated Illinois was a far different Badger team than was beaten by Ohio. Coach Wilce is a former Wisconsin man and he was probably better acquainted with the Wisconsin attack than he will be with the Illinois game as taught by Bob Zupke.

Michigan's defeat of Chicago proves that Coach Yost has staged a "come back" and built up a powerful machine, following last year's failure Michigan is on its feet again in the football world, despite its defeats early in the season.

Minnesota took another beating, this time from Iowa and Purdue added another to her long list of de-

feats at the hands of Northwestern. Notre Dame showed her fighting spirit in coming from behind and winning from Indiana after she was in a bad hole. Notre Dame kept her season's slate still clean by winning from Indiana. She will play Northwestern next Saturday.
