

Attend The Last Football Rally Tonight In The Armory

CORNHUSKER SALES DRIVE WILL OPEN

Subscription Campaign for Cash Prizes Begins on Morning of November 30.

Prizes Totalling \$150.00 Have Been Offered by Staff—Want Big List of Subscribers.

CORNHUSKER CONTEST PRIZES.

First prize	\$75.00
Second prize	50.00
Third prize	25.00

All prizes will be awarded to organizations.

On Tuesday morning, November 30, at 8 o'clock, the subscription campaign for the 1921 Cornhusker will begin. As usual, competition for the prizes offered will be keen between girls' dormitories, sororities and literary societies, for the substantial cash prizes which are being offered by the Cornhusker management.

This year, the management has decided to offer prizes totalling \$160 to the three organizations obtaining the largest number of subscriptions. The prizes will be \$75 for the winner, \$50 to the second highest and \$25 to the third.

Last year the contest was so close that only ten subscriptions separated the organization winning from the third highest. The organization that landed in third place last year probably put in as much hard work as the one which won the contest. For this reason, the prize money has been divided into three parts in order that the three highest will be rewarded for their work.

In addition to these three prizes, every organization which subscribes 100 per cent to the annual will be given one copy of the Cornhusker free. The honor list will be published in the Daily Nebraskan each day during the campaign so that organizations will be able to know where they stand.

In order to make it easier for the canvassers to tell who has subscribed for the Cornhusker, tags will be handed out and everyone who subscribes will be given a tag. This will distinguish those who have subscribed from those who have not.

Want Big Subscription List.

It is the purpose of the Cornhusker management to put the University over the top with as big a subscription list as possible. It is hoped that faculty, students, alumni and all others interested in the success of the annual will come in with their subscriptions.

First All-Law Smoker Scheduled for Tonight

The Juniors and Seniors of the Law College will entertain at the first All-Law Smoker of the year for the Freshmen members of that college this evening at 7:30 o'clock at the Lincoln Elks Club, Thirteenth and P streets. This program and feast for the first-year law students is without precedent in the College of Law. The purpose of the get-together is to aid the beginning Law students to form acquaintances within the college. Expenses will be pro-rated among members of the upper classes.

Regent Judson of Omaha will address the gathering. Other informal talks and music will be the feature of the program. Cider and doughnuts will be served during the evening.

The committee that has been working on plans for the smoker include Harold Porterfield, chairman; Earl Wilson, Alfred Cerney, Walter Herbert, Rodney Dunlap, and Ransom Samuelson.

LAW DEFEATS DENTS BY NARROW MARGIN

Barristers Win Inter-College Championship by 6-0 Victory Over Molnar-Jerkers.

The Law College played true to type on the Athletic field Monday afternoon and defeated the College of Dentistry by six points in the second inter-college game of the season. The only score of the game was made in the latter part of the second quarter when Preston, plucky right halfback of the Laws, intercepted a pass and ran twenty-five yards for a touchdown. Captain Pickett failed to kick goal. No additional tries were made and when the final whistle blew the score read 6 to 0 in favor of the students of Blackstone.

Contrary to previous announcements, the clash was called at 3:30 instead of 2:15. This change was made to enable those students of both colleges who had early afternoon classes to attend the game.

Laws Win Inter-College Championship

The Laws gained the 1920 inter-college grid championship by yesterday's victory over the Dental College. Their first victory was attained Armistice day when they decisively romped over the Engineers, 13 to 0. Grand Island College challenged the Law team to a game which would be played in that city Thanksgiving, but latest reports indicate that it will be impossible for the Laws to accept the challenge.

Yesterday's game was hotly contested throughout. Neither team was able to gain an appreciable amount of ground during the first, third and fourth quarters. It was in the latter part of the second period that Preston tallied for the Law College. Brilliant tackling by Hull and Byers featured the playing of the Dents. Hamilton proved a speedy ground-getter for the Dentists.

Quarters Limited.

In order to avoid the necessity of calling the game because of darkness, quarters were limited to seven minutes. This decision placed both teams at a decided disadvantage, for they were unable to mobilize their forces sufficiently in so short a time.

Coaches Malcolm Baldrige and John Pucelik started the contest with the following lineup:

Laws	Pos.	Dents
Smith	re	Smith
Dwight Elliott	rt	Kositaky
Trierweiler	rg	Schmidt
Chas. Reed	c	Capt. Warren
Shaw	lg	Daily
Westover	lt	Leigh
Mackey	le	Hull
Fogelson	qb	Carman
Preston	rh	Hamilton
Lloyd Elliott	lh	Johnston
Capt. Pickett	fb	Byers

Both teams had been holding daily practice previous to the clash. Coach Baldrige rounded the barristers into shape for the battle. Coach Pucelik trained the Dentists for the game. The contesting teams were in excellent condition. Yell leaders from both colleges injected spirit into those in the stands by leading the football enthusiasts in cheers.

Annual "Rag Office Feed" In Editorial Rooms Tonight

The "Rag" staff mixer will be held in the Rag office at 5:45 o'clock this afternoon. This will be the third mixer the "Rag" staff has had in recent years; more elaborate plans are being made than ever before. Members of the committees in charge urge that every person on either the business or editorial staff be present.

The custom of holding a mixer for the staff originated last spring in what was called the "Rag office feed." That was so popular that a second "feed" was held about a month later. This time as in the past, the supper will be the big feature. To meet this expense each person who expects to attend is asked to contribute fifty cents. This must be paid to some member of the finance committee by noon today.

Special entertainment will be provided. A committee of four is in charge of this. The program will probably consist of stunts of a novel nature. The chairman has asked that the program committee meet in the "Rag" office at twelve o'clock today.

The committees follow:
Program—Mary Sheldon, chairman; Oswald Black, Gregg McBride, Helen Howe.
Refreshments—Gertrude Patterson, chairman, Florence Miller, Eeva Holloway, Bonnie Loft.
Finance—Jessie Watson, chairman, Roy Gustafson, James Fiddock, Mary Thomas.

"INDIA" WILL BE THEME OF DEAN BUCK'S ADDRESS

Arts and Science Head to Speak to International Relations Club Tonight.

Dean Philo M. Buck of the University Arts and Science College will be the principal speaker at an open meeting of the International Relations Club which is scheduled for the evening of December 1 at 7:30 o'clock in the auditorium of Social Science Hall.

"India" will be the subject upon which Dean Buck will speak. Much interest is attached to this meeting because of the fact that the speaker was born in India and received his early education in that country. He is, therefore, intimately acquainted with conditions there. Dean Buck's parents are engaged in missionary work in India.

Meeting Open to Public.
This meeting of the club is open to the general University public. The International Relations Club has planned a series of open meetings to be held during the coming semester.

The International Relations Club was organized at the University last year for the purpose of studying scientifically the current international relations of the world in a thorough non-partisan and non-propagandist spirit. It has affiliated with the Institute of International Education.

After Dean Buck's talk, an open discussion of the Indian problem will be conducted. At least once a month the club plans to hold a meeting open to the public at which an outside speaker will lecture.

A formal debate and discussion of the Monroe Doctrine will be held at a meeting of the club December 9.

WASHINGTON, Nov. 23.—Manuel Cabreda, deposed and imprisoned president of Guatemala, has directed a personal appeal to President Wilson to save him from a death, which he says, is as certain as though he faced a firing squad. Twenty-two Entries In Turkey Day Race

Twenty-two entries have been received in the cross-country run of the Y. M. C. A. to be held Thanksgiving day. The runners will start in front of the city Y. M. C. A. and are expected to finish the halves of the preliminary game on University field.

Cross-country coach McMaster of the University and Physical Director Fuhrer of the Y. M. C. A. are in charge of the race. Cars will follow the runners to pick up any who might become exhausted as in the Kansas-Nebraska race.

Teams have been entered from the Engineers Club at the University and one from the Lincoln high school. Several individual runners have entered, including one from Doane. Medals will be awarded for first, second and third places. A silver loving cup will be presented to the winning team.

LAST FOOTBALL RALLY TONIGHT IN ARMORY

Final Pep-Fest Preparatory To Washington State Game—Scott, Luehring and Day to Speak.

The last football rally of the year will be staged tonight at 7:15 in the Chapel of the Armory. The purpose of the meeting is to manufacture the maximum amount of spirit and pep for the game with Washington State, Thanksgiving day, Thursday, November 25. Every Cornhusker is urged to attend the meeting by the committee in charge.

It is rumored that "The Cornhusker," Nebraska's football song, will be sung until the voices drown out the music. "This was not the case the day of the Michigan Aggie game," said a member of the Innocent Society yesterday. "We could hear the band playing the song, but the volume of sound from the stands was a minus quantity."

Speakers Announced
Professor R. D. Scott, Director F. W. Luehring and Captain "Bill" Day are scheduled to speak. The band will assist in working up pep for the coming clash with the Westerners. Cheerleaders will be present to lead in the yell-making.

It was first planned to hold the rally the latter part of last week before the last game of the season, when chances of working pep up to the burning point are much better.

LEGIONAIRES TO GET EATS.

Lincoln post of the Legion, with the second largest membership in the state has been experiencing difficulty in getting men out to meetings. Adjutant Clarence Kittinger has decided that all ex-soldiers like to eat, and henceforth will see that the regular monthly sessions have "eats" on the program.—The Mid-West Veteran.

Palladian Society Holds Annual Banquet

Ninety active and alumni members of Palladian Literary Society attended the fiftieth annual banquet of the organization Saturday evening, November 20, at the Garden Room of the Lincoln Hotel.

Prof. Laurence Fossler acted as toast-master and called upon many alumni and active members for impromptu talks.

The toast list follows:

Well Begun is Half Done—Miss Anna Bullock.
Our Dual Purpose—Miss Sophia J. Lummers.
That Little Black Book—Edward Fisher.

Patience, Thy Name is Pal Girl—Janet Walliard.

Our Obligations—Jay Buchta.

The Future—Ray Cowen.

Miss Alverta Buchta sang a solo and James Wilson played a violin solo.

The alumni present represented the Palladians as far back as 1875.

The Palladian pledge to the Wolfe Memorial Fund to be raised by the end of the year was reported as over half raised.

ALL CONFIDENCE IN HUSKER RANKS

Nebraska Eleven is in Prime Condition to Tackle Invaders from Pacific Coast.

Cougar Squad Expected to Arrive in Lincoln Today—Practiced in Denver Yesterday.

Enthusiasm and confidence reigned supreme in the Husker practice last evening. The result of Saturday's game has given as much confidence to the Husker warriors as it has to the student body. The Huskers demonstrated, in this game, what a well drilled team under the guidance of a brainy pilot can really do. A mixture of straight football and open formations was fatal to the Wolverines and is likely to prove equally as deadly to the Cougars on Turkey day. The entire practice last evening was spent in signal practice. Coach Schulte gave his men some new plays and many thrills are predicted in the coming battle.

Cougars Arrive Today.

The Washington State eleven left last Saturday for Lincoln. They arrived in Denver yesterday where they held a light workout. They will arrive in Lincoln this noon. Until recently in the season, the Cougars have been unable to find their stride. Sport critics were unable to determine what was keeping the speedy Washington eleven from showing better form. But Coach Welch declares he has at last found the mistake. Two weeks ago the Cougars were defeated by the University of California by the score of 49 to 0. Directly following this game the Washington lineup was radically changed and last week the Cougars defeated the Oregon Aggies by a large score. Coach Welch believes that he has found a combination which will give the Huskers a real battle. Although outweighed slightly, the Cougars claim the edge on speed and will probably rely on open formations in Thursday's game. Jenne, who has been punting sixty and sixty-five yards for the Cougars, is out on account of injuries and will not be played unless it is absolutely necessary to use him.

Freshmen vs. Legion Team.

As a preliminary to the Washington-Nebraska game the Freshman eleven will play a practice game with the Tecumseh American Legion team. Tecumseh has not been defeated this year and an interesting game is assured. No extra admission will be charged.

NEBRASKA CITY VOTES BONDS FOR LEGION HOME

The citizens of Nebraska City evidently appreciate the American Legion. They recently voted \$100,000 bonds for the erection of a Community Memorial building, which will be started in the near future. The ballot showed 907 for the proposition and 332 against.

The Community Memorial building will be a monument for the boys of the community who fought in the World War and never returned, and a useful memorial for the living veterans. It will be the home of the American Legion post in Nebraska City and will contain a gymnasium, reading room, rooms for the chamber of commerce and a large auditorium capable of accommodating 2,000 people.—The Mid-West Veteran.

TURKISH ORPHANAGE MAKES GIRLS SELF-SUPPORTING

Vocational Classes Give Each One Adequate Training.

At the Girls' Orphanage in Marsovan, Turkey, which is being directed at present by an American Y. M. C. A. secretary, classes are being started this fall in all kinds of trades so that each girl can become self-supporting. A regular vocational school is in session with training in housework, laundry, weaving, sewing and business courses as well as in a few cultural subjects. Recreation and American sports are a most popular part of the school program.
