

TWENTY-TWO MEMBERS OF VARSITY HONORED

Athletic Board Awards Coveted Letter to Veterans of 1920 Eleven.

The Athletic Board of the University met last evening and decided who should receive the honor "N" for football services rendered the past season. Twenty-two men were awarded sweaters. The list is as follows:

1. Captain Day.
2. Swanson.
3. Wright.
4. Pucelik.
5. Newman.
6. Dale.
7. Young.
8. Hubka.
9. Monte Munn.
10. Wade Munn.
11. Dana.
12. Howarth.
13. Moore.
14. Weller.
15. Hartley.
16. Scherer.
17. Bassett.
18. Thomsen.
19. Wenke.
20. Schoeppel.
21. Hoy.
22. Triplett.

The Athletic Board also voted to award "N" blankets to all football "N" men upon their graduation for three years of service. These blankets will be awarded at commencement week.

COUGARS VICTORIOUS IN THANKSGIVING GAME

Continued from page 1
counter came after a series of line plunges and a pass from Swanson to Scherer which was good for a touchdown. This ended the scoring for the first half of the game.

The third period of the contest was a dazzling offense on the part of the Huskers. The Cougars were able to make only two yards in scrimmage this period. The Huskers' final counter came during this period, when after a number of attempts Hubka went over for the count. Captain Day missed the goal which decided the outcome of the game.

Cougars Out of Cage.
The fourth quarter started out much the same but Coach Welsh introduced Skadan who proved to be the downfall of the Huskers. An aerial attack resulted in the Cougars making two more touchdowns and clinching the game. The Huskers tried desperately for another touchdown but were unable to complete the necessary counter.

The Huskers have played teams from the Atlantic Coast and the Pacific Coast this season and have not been found lacking in any of these contests. Sporting editors all over the country credit the University of Nebraska as having one of the greatest teams in the country. Coach Schulte is to be complemented on the outcome of the past season when the heavy schedule the Huskers have had is considered. Coach Schulte has been forced to take much criticism this season but people who really know and understand football do not criticize the coach in any way.

Freshmen Show Class.
A large amount of credit must be given Assistant Coach A. Pul Schissler who has developed a Freshmen team this year that has never been equalled in the history of the University. The Freshmen played a pre-banquet game to the big contest Thanksgiving and demonstrated some real ability as football artists. The Freshmen were able to score almost at will on the Tecumseh American Legion team who were their opponents. The final outcome of the game was 56 to 0 in favor of the Frosh. The Freshmen team should furnish a large amount of material for next year's Varsity.

Legion Auxiliary to Meet Next Friday

Every woman who is a wife, mother or sister of a man who is a member of any American Legion post or a man who lost his life in the service is urged to attend the meeting of the women's auxiliary to the American Legion next Friday afternoon at 2:30 o'clock in the American Legion club rooms and to affiliate with this auxiliary. Miss Laura B. Pfeiffer, who returned in the fall from a summer's trip in Europe, will speak on "Post-War Conditions in France."

The charter membership in the women's auxiliary will be held open until the first of the year.

The members of the executive committee will meet at the Legion rooms Monday at 1 o'clock.

NEBRASKA SCORES IN CROSS-COUNTRY

(Continued from Page 1.)
There has been so much interest shown the past month in cross-country that Coach McMaster is planning on an inter-college race to be run when the first favorable weather permits before Christmas. The enthusiasm at the University this fall has started a good many of the other colleges in this sport. Coach McMaster is already planning a inter-collegiate race for next fall between the smaller colleges throughout the state.

HIGH SCHOOL LEAGUE PREPARES FOR DEBATES

Organization, Founded By Professor Fogg, Now Has Seventy-eight Members.

With seventy-eight members, including forty-five new ones (the largest number of new applications in its fourteen years history), the Nebraska High School Debating League, organized in 1908 by Prof. M. M. Fogg, professor of English, the president, is preparing for the thirty-nine first-series debates, in the eleven districts late in January—on the League question for the year—the repeal of the literacy test restriction on immigration. The eleven district championship schools will battle for the state championship in a two-day tournament at the University in May.

Abstracts of some seventy-five authoritative articles and parts of books on the question is furnished League schools by the Debating and Public Discussion Bureau of the University Extension Division.

The seventy-eight members (on November 24) are:

HUSKER BANQUET TO BE HELD AT LINCOLN

(Continued from Page 1.)
Toasts were given by Chancellor Avery, Ex-Provost Lees, Coach Schulte, ex-Captain Dobson, Captain Day and C. Petrus Peterson. The Rag-a-Jazz Orchestra played during the feast. Herbert Yenne amused the diners with some eccentric cabaret dancing. Jack Best, proudly wearing the colors of the school for which he has offered his services for more than thirty years, was one of the happiest guests of the evening.

Because the annual banquet is a means of initiating Freshmen at the University into the mysteries of the inner workings of the school, and because it brings to them the opportunity to meet and mix with upperclassmen, it is urged that every first-year man obtain a ticket immediately for the feast.

The program for the evening will be announced in the columns of the Daily Nebraskan during the week.

DEPUTATION TEAM AT BOYS' CONFERENCE

University Group Present at Meeting Held at Fairbury Last Week-end.

The deputation team from the University, comprised of Bill Day, Charles Spacht, Earnest Lundeen and Harold McMillan, has returned from a trip to the Southeastern older boys conference held over the week-end at Fairbury. All members of the teams took an active part in the program of the conference.

About two hundred high school boys attended the conference. They were led by Capt. "Bill" Day and O. B. Anderson of the city Y. M. C. A. in physical exercise and in playing football. Among other University people to attend the meeting were Dean Charles Fordyce, who gave the main address at the banquet Friday evening under the auspices of the Rotary Club, Dr. D. E. Thomas, Congregational University pastor, and Don Heffley. "Bill" Day also gave a talk to the boys at the banquet addressing them on the subject of "Clean Athletics."

Delegates Divided into Groups.

The delegates were divided into groups for discussion, led by the members of the deputation team. Earnest Lundeen '19, led the discussion on "Why Go to College." The "Life Work" group was headed by Harold McMillan, while Charles Spacht discussed "Putting Christian Ideals into School Life." The work of the deputation team is under the direction of the University Y. M. C. A.

The members of the team report that several interesting facts were brought out by the discussions during the conference. Out of the sixty boys in the group which expressed the intention of going to college, 50 per cent had actually planned to attend. However, only one of this group knew what he was going to take and where he was going to attend school. After an address by Mr. Oberlies, seventy-five boys expressed their intention of becoming more effective in their Christian living, and eleven made their first decision for a Christian life. Richard Epp, '24, president of the H. Y. alumni organization, gave a brief review of the work of the club in a speech at the banquet.

LARGE RESPONSE FOR BASKETBALL MATERIAL

(Continued from Page 1.)

This year's schedule is the toughest proposition a Husker basketball team has ever faced and Coach Schissler is planning on having a game on the same floor within the next two weeks in preparation for the trip east. The Husker schedule is made up of the following contests:

- December 12-13—Open.
- December 17-18—Open.
- December 26—Leave for Illinois.
- December 27-31—Practice at Urbana.
- January 1-3—Illinois at Urbana.
- January 4-5—Probably Valparaiso there.
- January 6—Open.
- January 7—Northwestern at Evanston.
- January 14-15—Grinnell at Lincoln.
- January 21-22—South Dakota at Lincoln.
- January 31—Oklahoma at Lincoln.
- February 1—Oklahoma at Lincoln.
- February 4-5—Open.
- February 9-10—Ames at Ames.
- February 11-12—Grinnell at Grinnell.
- February 18-19—Notre Dame at Lincoln.

CORNHUSKER CAMPAIGN IS LAUNCHED TODAY

(Continued from Page 1.)
tions apart. If this condition occurs again this year, the third society will not be entirely left out but will share fairly in the prize money.

It is up to every loyal Nebraska student, alumni or any once else interested in the school, to get behind the campaign and insure the success of the 1921 annual. Each person can contribute his or her bit best by giving in a subscription to the book today.

Must Subscribe Now.
When the curtain falls on the subscription campaign Saturday evening the printing contract will be closed and it will be impossible to get a Cornhusker. For that reason, it is essential that everyone get in under the rope so as to not be disappointed when the book appears.

The student who is hard pressed for money now should just figure the permanent value of the Cornhusker in years to come and miss one dance or one theater party now and then another next spring and paying for the Cornhusker will be easy.

The Greeks are going to be hard pressed for honors in the campaign this year if the present dope is correct. Several literary societies and dormitory organizations are working hard to grab off the prize money.

Beginning Wednesday, the list of organizations that have subscribed 100 per cent will be published in the Daily Nebraskan. Every group in which every member subscribes will be awarded a Cornhusker free of charge.

Mrs. W.: It's a pretty close approach to it when the concert is taken out of a Freshman.

At the Other End of the Wire

A TWIST of the wrist and electricity lights cities and towns, turns the wheels of industry, or affords conveniences to millions of people.

But let us follow the wire carrying this energy to its source and we find either a waterfall, a coal mine or an oil well.

Much of the supply of fuel in this country is being used up rapidly while the power of water is running to waste. For the rivers and streams of this country could, if properly harnessed, develop enough electric power to save 300,000,000 tons of coal annually.

By studying nature's forces—coal, oil and water—by applying them to machines, and finally by the perfection of apparatus to insure uninterrupted power service under varying conditions, the General Electric Company is serving to make electric power cheaper, more plentiful and reliable.
